OFFICE OF THE VICE PROVOST FOR THE ARTS

nov. 6, 4 pm • Culbreth Theatre

John Waters

“This Filthy World”. Actor, writer, visual artist, and filmmaker crowned the “Pope of Trash”, Waters brings the underground sensibility to the cultural mainstream with such films as *Pink Flamingos*, *Serial Mom*, and *Hairspray*. This joyously devious one-man show celebrates his film career, early negative influences and fascination with true crime, fashion lunacy, exploitation films, and contemporary art world extremes. A rallying cry for connoisseurs of trash across grounds!
