At Historic Blandy Experimental Farm

University of Virginia

April, 2003

Friends,

We bring you exciting news from the Northern Shenandoah Valley. We are happy to announce the formation of the Blandy Farm U.Va. Alumni Club Chapter.

The University's Blandy Experimental Farm is a magnificent facility, and the ideal home for this new chapter. We plan to host two or three events annually, including the opportunity to meet entering first year students from the area.

The annual membership dues will be \$25/individual and \$40/family. We need your commitment to this local chapter. Please complete the membership form below and return it with your dues.

We look forward to your comments and ideas as this new chapter evolves in 2003.

Regards,

John L. Goodloe III
