**What:** Emergency Department Hospital Expansion Groundbreaking

**When:** Wednesday, June 8th, 2016 from 3:00 – 4:00 PM

**Where:** Located at former heli-pad

**Why:** This groundbreaking ceremony is an opportunity to raise awareness of the upcoming construction and the more effective and efficient care it will enable UVA to provide. This event will also help anticipate and answer the community’s questions pertaining to the project’s impact on patient care after the expansion has opened.

**Who:** Welcome – Rector William H. Goodwin, Jr.

Introductions – Dr. Richard P. Shannon, Executive VP for UVA Health Affairs

University’s Pursuit – Teresa Sullivan, President of University of Virginia

Architectural Highlights and Timeline – Alice J. Raucher, Architect for UVA

Physicians’ Voices – Dr. Chris Ghaemmaghami, CMO of UVA Health System
Dr. John Riordin, MD

Closing Comments – Dr. Richard P. Shannon, Executive VP for UVA Health Affairs
