Major funding sources include National Institutes of Health (NIH), National Institute of Nursing Research (NINR), and others.

Degrees Awarded and Majors Offered

Bachelor of Science in Nursing (B.S.N.), Master of Science in Nursing (MSN, seven specialty tracks), Clinical Nurse Leader Master’s, Doctor of Nursing Practice (DNP, two pathways — BSN-DNP, MSN to DNP) and Doctor of Philosophy in nursing (Ph.D.).

Quick Facts

- BSN class of 2021 received a record 1,041 applications for 67 spots, up 13 percent from 2016, and 93 percent since 2011.

- Every one of its graduate programs is now ranked among the nation’s top 20 nursing schools by *U.S. News & World Report*, including a #2-in-the-nation Clinical Nurse Leader master’s program.

- Two new master’s tracks established — to train Neonatal Nurse Practitioners and Pediatric Nurse Practitioners-Acute Care — first cohort beginning this fall, 2017.

- Robust cross-collaboration, faculty “cluster hires,” and research partnerships with five other schools, including Darden, Architecture, Curry, Arts & Sciences and Engineering.

- $2.3m Strategic Investment Fund grant to establish more online and high-tech course offerings and amplify the research experience of MSN students partnered with established nursing researchers.
