BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING: March 2, 2017

COMMITTEE: The University of Virginia’s College at Wise

AGENDA ITEM: II.A. Collegiate Recovery Program/Transforming Youth Recovery

ACTION REQUIRED: None

DISCUSSION: Ms. Henry will report on an effort to evaluate the establishment of a “collegiate recovery program” at The University of Virginia’s College at Wise. A collegiate recovery program, or a “collegiate recovery community” as it is sometimes called, offers a pathway to substance abuse recovery for college students. Such programs offer a variety of support structures to maintain sobriety while students complete requirements for their degree. Program components often include a residential sober living community, professional counseling services, special workshops and seminars, and peer-to-peer support. Preliminary data indicate positive educational and life outcomes for program participants. Ms. Henry will discuss the relevance and potential benefit of this program.
