BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING: February 1, 2003

COMMITTEE: External Affairs

AGENDA ITEM: I. Disposition of Cole Memorial Fund

DISPOSITION OF COLE MEMORIAL FUND: Disposes of $28,351.15 received on December 13, 2002, through a Charitable Remainder Trust, designated to the Rector and Visitors of the University of Virginia. According to the terms of the trust, approval for disposition of income and principal is required by the Board of Visitors of the University.

ACTION REQUIRED: Approval by the Board of Visitors

APPROVAL OF RECOMMENDATION FOR DISPOSITION OF THE COLE MEMORIAL FUND

WHEREAS, J. Marshall Cole (BA ’25 and MA ’27) created in 1962 a Charitable Remainder Trust, which quarterly provided net income to himself and his wife, Bertha Bates Cole, upon their lifetimes; and

WHEREAS, the Rector and Visitors of the University received the principal and undistributed income from this trust on December 13, 2002, in the amount of $28,351.15; and

WHEREAS, according to the provisions of the trust, the principal and undistributed income shall be used to establish a fund known as The James Alfred Cole and Nannie Marshall Cole Memorial Fund; and

WHEREAS, the Board of Visitors is required by condition of the trust to determine the use of the income and principal of this fund;

RESOLVED that the Board of Visitors delegates discretionary authority to the President of the University as to the disposition of The James Alfred Cole and Nannie Marshall Cole Memorial Fund.
BACKGROUND: The Board of Visitors approved the Policy on University-Related Foundations on October 9, 1992. The Policy applies to all foundations that are established and operated for the University's benefit and that use the University's name and resources. The Policy was designed to ensure efficiency and accountability of University foundations, as well as to maintain the foundations' independence and integrity. At its October 2000 meeting, the Board concurred with specific procedures to be followed in the administration of the Policy.

The responsibility for monitoring compliance with the Policy, as well as general administrative oversight of the University-Related Foundations, rests with the Vice President for Finance, who was given that authority by the University President (in accordance with the Policy).

DISCUSSION: During the year, each foundation submits to the Vice President for Finance certain reports specified in the Policy. These reports include, but are not limited to, minutes of board meetings, audited financial statements, approved operating budgets, amendments to by-laws, and tax returns. In addition, the foundations are asked to submit a letter certifying that they have complied with the Policy on University-Related Foundations. A matrix on the following pages shows the items received from each of the foundations.

Board of Visitors' representatives on the foundation boards are asked to provide the Board with annual reports on foundation activities. We have received the reports from the representatives, and they are available upon request.

Information received from the foundations and from the Board representatives indicates that all foundations are in compliance with the Policy on University-Related Foundations.
The Vice President for Finance has conducted meetings with each of the foundations over the past year. These meetings have helped establish a stronger working relationship with each foundation, enabling the University to strengthen communication and coordination with each of the foundations.

BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING:     February 1, 2003

COMMITTEE:         External Affairs

AGENDA ITEM:       III.B.1. Arena Campaign

ACTION REQUIRED:  None

BACKGROUND: The Buildings and Grounds Committee of the Board of Visitors gave tentative approval for developing a plan for a new basketball arena/events center at a site on Massie Road across from University Hall, with estimated completion in the fall of 2006.

DISCUSSION: Mr. Barry Parkhill, Associate Director of Athletics for Development, will report on the status of the campaign for the new University arena/special events center. Discussion will focus on fundraising achievements to date, key prospects and support opportunities, and new funding initiatives. Plans for the actual construction of the center, including unique design features and anticipated timelines, will be reviewed briefly.
BACKGROUND: Since 1948, the Virginia Student Aid Foundation has raised all the grant-in-aid money for Virginia's student-athletes. In November of 2002, the Foundation announced that the organization had changed its name to the Virginia Athletics Foundation and expanded its mission to include all fundraising activities for the University's Department of Intercollegiate Athletics.

DISCUSSION: Mr. Dirk Katstra, Executive Director, will review the foundation's expanded role, detail its recent successes, and explain its new marketing strategy.

While the Foundation will continue to be the sole source of scholarship funds for the Department of Intercollegiate Athletics, its role will now include providing the resources to support the daily operation of the department and to fund future capital projects.

COMMITTEE: External Affairs

AGENDA ITEM: III.C. Preparation and Planning for the Next Campaign

ACTION REQUIRED: None

BACKGROUND: Concerted efforts by University leadership to maintain fundraising momentum in support of University priorities, as well as organizational stability during the period following the last campaign, place the University in an excellent position to plan and prepare for the next campaign.

DISCUSSION: Key potential campaign volunteers were invited to return to the University in mid-October to hear the case for the next campaign. Based on the success of this Volunteer Weekend, alumni and friends are being recruited to form the core of the new National Committee on University Resources, as well as the future Campaign Executive Committee.

Significant progress in support of the campaign has been realized through development of the campaign timeline, implementation of new initiatives in annual giving, and structural reorganization of health system fundraising through the University Health Foundation.

Over the next year, ongoing campaign initiatives will include the development of the internal plan, creation of the campaign case statement, identification of major gift prospects, cultivation of Nucleus Fund prospects, campaign budget planning, and staff training.
