UNIVERSITY OF VIRGINIA  
BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING:           October 2, 2003

COMMITTEE:               Buildings and Grounds

AGENDA ITEM:           A.   Varsity Hall

ACTION REQUIRED:       None

DISCUSSION:   During the May 23, 2003, schematic design presentation for the Rouss Hall Renovation and Commerce School project, the Buildings and Grounds Committee reviewed the proposed demolition and relocation options for Varsity Hall and recommended that the building not be demolished, but be relocated to another site. The Committee, however, was concerned about the costs associated with the proposed Randall Hall site and asked the Administration to re-evaluate the proposed site and to attempt to locate another suitable site that would be less expensive. We have spent considerable time identifying alternative sites and estimating the cost to move the building. The Vice President for Management and Budget will review the conclusion of our efforts.
