CALL TO ORDER AND PLEDGE OF ALLEGIANCE

The Rector called the meeting to order and asked Mr. Glazer to lead the Board in the Pledge of Allegiance.

APPROVAL OF THE MINUTES OF THE OCTOBER MEETING

The Rector asked for a motion to approve the Minutes of the October 3-4 meeting of the Board. The motion was made, seconded and approved.

RESOLUTION FOR ADDITIONS TO THE AGENDA

The Manual of the Board of Visitors specifies that "walk-on" items, which is to say items proposed for consideration after the Agenda is published, must be put to the vote of the full Board before they can be considered; two-thirds of the Members present must approve these additions to the Agenda before they can be considered. The Rector asked for a motion
to consider two items, one from the Finance Committee and the other a matter to be considered by the full Board in the final session of the Board meeting.

The necessary approval was voted by the Board.

RESOLUTION FOR AUTHORIZATION OF ACCESS UVA

The Board approved the addition to the Agenda from the Finance Committee, a resolution authorizing Access UVa, a new concept in student financial aid. The President subsequently that morning announced the plan at a press conference in the Dome Room of the Rotunda.

WHEREAS, need-blind admissions for undergraduate applicants and need-based aid for admitted undergraduate students help ensure access to and affordability of education at the University, regardless of a student’s financial circumstances; and

WHEREAS, the continued deterioration of funding from the Commonwealth of Virginia will cause an erosion of the quality of the University’s academic program unless there is an increase in other sources of revenue including tuition; and

WHEREAS, artificially restraining tuition below cost results in a financial subsidy for every student regardless of need; and

WHEREAS, the University seeks to ensure access and affordability to students who cannot afford the price of an education by providing financial aid rather than by artificially depressing tuition; and

WHEREAS, the University seeks to attract, enroll and graduate a socio-economically diverse student body; and

WHEREAS, since 1985, the University has offered financial aid in the form of grants, loans and work-study to meet 100 percent of financial need for high-need students; and

WHEREAS, in 2001 the University began to phase-in a program to offer financial aid to meet 100 percent of demonstrated financial need for all qualified undergraduate students by the fall of 2004; and
WHEREAS, students graduating with a high level of indebtedness may be limited in their career and advanced education choices upon graduation;

RESOLVED that the Board of Visitors authorizes the implementation of Access UVa, consisting of the following four components to the University’s financial aid program:

1. Full implementation in the academic year 2004-2005 of the aforementioned program to offer financial aid to meet 100 percent of demonstrated financial need for qualifying undergraduate students at all income levels;

2. Beginning in the academic year 2004-2005, a four-year phase-in of a new commitment to replace need-based loans with grants for qualifying undergraduate students with family income at or below 150 percent of the federal poverty level;

3. Beginning in the academic year 2005-2006, a four-year phase-in of a new commitment to replace need-based loans with grants for undergraduate students at all income levels, beyond a cumulative loan cap. The loan cap will be set every year for that year’s entering class, at approximately 25 percent of the total of UVa’s projected undergraduate in-state cost of attendance over four years; and

4. Beginning in the fiscal year 2004-2005, a comprehensive educational program to provide to new students and parents information about financial options and counseling services on debt management.

RESOLVED FURTHER that it is the intent of the Board to allocate tuition and private funds for this purpose, that such allocation will be considered as part of the annual budget process, and that the Executive Vice President and Chief Operating Officer will include in the 2004-2005 operating budget a plan to fund the first component of Access UVa.
PRESIDENT’S REPORT

The President gave his customary report.

The majority of the report was a summary of legislation of interest to the University pending in the General Assembly. Of these bills, perhaps the most significant are House Bill 1359 and Senate Bill 638, the so-called "charter agreement" involving the University, Virginia Tech and the College of William and Mary. Both bills have been carried over to the next Session of the General Assembly.

REPORT OF GIFTS AND GRANTS

The President reported that in the current Fiscal Year, through November 30, 2003, private gifts to the University and its related foundations amount to $48million, down substantially from $140million for the same period last year. Last year and in previous years, the figures were high because of significant "8-figure" commitments.

Nonetheless, both the College of Arts & Sciences and The University of Virginia’s College at Wise report substantial increases in giving.

Among the significant gifts received between July 1 and November 30, are $1.5million in pledge payments from the Community Foundation to The University of Virginia’s College at Wise for the football stadium and to the University for the new Marching Band. Mr. Carl W. Smith and Mrs. Hunter J. Smith are associated with these payments.

The Smiths have also pledged $12million to the University for the Performing Arts Center.

Mr. James Edward Manley pledged $3.5million to The College Foundation for the South Lawn Project and the Victor Elmaleh Foundation $1.2million to the School of Architecture for the Campbell Hall additions. Mr. Elmaleh and Mrs. Sono Elmaleh are associated with this latter pledge.
RESOLUTION ON GIFTS AND GRANTS

On motion, the Board adopted a resolution accepting the President’s Report on Gifts and Grants.

RESOLVED, the Report of the President on gifts and grants received by the University and its related foundations during the period July 1 – November 30, 2003, is accepted.

Committee Reports

At 11:00 a.m., the Board began hearing reports from each of its Committees. These reports are part of the individual Committee Minutes. The reports continued until 11:45 a.m., when the Board recessed for lunch.

VISIT BY THE AUDITOR OF PUBLIC ACCOUNTS

The Auditor of Public Accounts of the Commonwealth, Mr. Walter Kucharski, attended the meeting of the Audit and Compliance Committee on February 6th. The Auditor normally visits the University at the Winter Board meeting to report to the Board on his findings in the annual Audit of the University. His report is summarized in the Minutes of the Audit and Compliance Committee.

EXECUTIVE SESSION

The Board resumed its meeting at 1:00 p.m., and after adopting the following motions, went into Executive Session:

That the Board of Visitors of the University of Virginia go into Executive Session for the purpose of discussing personnel matters pertaining to the appointment, assignment, reappointment, promotion, performance, compensation, discipline, separation and resignation of specific employees of the University of Virginia; as provided for in Section 2.2-3711 (A) (1) of the Code of Virginia.

That the Finance Committee of the Board of Visitors go into Executive Session to discuss the transfer of real estate and consult with General Counsel, where disclosure at this time would adversely affect the University's bargaining position and negotiation strategy, as provided for in Section 2.2-3711 (A) (3), (6), (7), and (30) of the Code of Virginia.

That the Board of Visitors of the University of Virginia go into Executive Session to consider the appointment of a student member to the Board of Visitors in accordance with Section 2.2-3711 (A)(1) of the Code of Virginia.

That the Board of Visitors go into Executive Session to discuss fund-raising and a specific gift with the University's General Counsel, as provided for in Section 2.2-3711 (A) (7) and (8) of the Code of Virginia.

The Board resumed in Open Session at 3:55 p.m., and after adopting the following resolution certifying that its discussions in Executive Session had been conducted in accord with the exemptions permitted by the Virginia Freedom of Information Act, recessed to move its meeting to the Dome Room of the Rotunda:

Mr. Rector, I move that we vote on and record our certification that, to the best of each Board member's knowledge, only public business matters lawfully exempted from open meeting requirements and which were identified in the motion(s) authorizing the closed session, were heard, discussed or considered in closed session.

REPORT ON NAMINGS

The President then reported on the following two namings:

THE DI BENEDETTO LIBRARY IN THE SCHOOL OF MEDICINE

The di Benedetto Library is the departmental library of the Department of Physical Medicine and Rehabilitation in the School of Medicine. It was named at the request of the Department for Margarete di Benedetto, M.D., who retired on November 26th. Dr. di Benedetto, who has been nationally recognized for her work in electrodiagnosis, was recruited in 1989 from the Walter Reed Army Medical Center to serve as the first Chair of the newly established Department of Physical Medicine and Rehabilitation. She is also the first woman Chair of any department in the Medical School. Dr. di Benedetto retired as Chair in 1995 but continued to teach and conduct research until her retirement last fall.

THE SARAH DU BOSE FUND FAMILY EDUCATION ROOM IN THE CHILDREN’S MEDICAL CENTER

The Neonatal Intensive Care Unit in the Children’s Medical Center has been renovated recently. At the request of the Health System, the Names Committee approved the naming of the Family Education Room in the renovated unit; the Room is to be known as the Sarah Du Bose Fund Family Education Room.

Sarah Du Bose was born at the University Hospital on February 2, 1994; she was 14 weeks early and weighed less than three pounds. She spent almost four months in the Newborn Intensive Care Unit at the Children’s Medical Center and received care that her parents believe saved her life. She is now a happy and healthy ten-year old. Her parents, Sally and Charles Du Bose of Charlottesville, established the Sarah Du Bose Fund to provide support for the Children’s Medical Center.

Mr. and Mrs. Du Bose have given generously of their time and resources to the Children’s Medical Center and have organized a community effort, an effort which includes students at the University, to raise money for the Sarah Du Bose Fund. The naming of the Family Education Room honors the contributions the Fund has made to the support of the Children’s Medical Center.
The Board adjourned at 4:25 p.m.

The Board resumed its meeting, in Open Session, at 8:40 a.m., Saturday, February 7, 2004, in the East Oval Room of the Rotunda; save Messrs. Bliley, Farrell, and Payne, all Members present the previous day were present.

WHEREAS, Chapter 3, Title 23 of the Virginia Code (the "Act") classifies the University as an educational institution, declares it to be a public body and constitutes it a governmental instrumentality for the dissemination of education; and
WHEREAS, the Act empowers the University, with the consent and approval of the General Assembly of the Commonwealth of Virginia (the "Commonwealth") and the Governor of the Commonwealth to acquire, build, construct, reconstruct, erect, extend, better, equip and improve any building, facility, addition, extension or improvement of a capital nature required by or convenient for the purposes of the University and to borrow money and make, issue and sell bonds of the University for any such purposes, including the refinancing of any such facilities; and

WHEREAS, the Act further authorizes the University to pledge to the payment of the principal of and the interest on such bonds any monies available for the use of the University including, but not limited to, and subject to guidelines promulgated by the Secretary of Finance of the Commonwealth (the "Secretary of Finance"), monies appropriated to the University from the general funds of the Commonwealth or from nongeneral funds, without regard to the source of such monies, and which are not required by law or by previous binding contract to be devoted to some other purpose; and

WHEREAS, the University, on behalf of the Medical Center, intends to acquire a building for clinical operations, known as Medical Office Building II ("the Project") at the Fontaine Research Park from the University Foundation; and

WHEREAS, the University intends to fund the acquisition with proceeds from debt issuance; and

WHEREAS, the Commonwealth has authorized the Project and the issuance of bonds for it at an amount not to exceed $17,325,000, exclusive of costs of issuance, capitalized interest, original issue discount and other expenses relating thereto; and

WHEREAS, the Board anticipates that the bonds will be secured by a general revenue pledge of the University and not be in any way a debt of the Commonwealth and shall not create or constitute any indebtedness or obligation of the Commonwealth, either legal, moral or otherwise; and
WHEREAS, pursuant to Board guidelines adopted January 31, 2003, Finance Committee meeting, Item II.C., the University may provide short-term financing via its commercial paper program ("Commercial Paper") for the Project prior to issuing long-term debt; and

RESOLVED FURTHER that pursuant to the Regulations and prior Board actions, the University of Virginia may utilize its existing authorities and capabilities to provide funding to the Project under the following conditions:

1. The Board recognizes that this resolution constitutes "official action" by the Board and evidences the Board's "official intent" to reimburse itself from the proceeds of bonds for any expenditures paid by the University with respect to the Project before the issuance of any such bonds, all within the meaning of Internal Revenue Service regulations issued pursuant to Sections 103 and 141 through 150 and related sections of the Internal Revenue Code;

RESOLVED FURTHER that the Executive Committee or all officers of the University are authorized and directed to take all such further actions, including without limitation the designation of Underwriters, paying agents, remarketing agents, trustees and liquidity providers for the Bonds, and to execute all such instruments, agreements, documents and certificates as they shall deem necessary or desirable to carry out the terms of the financing plans presented to this meeting, including without limitation any liquidity facilities, swap or other interest rate management agreements associated with the Bonds; and

RESOLUTION NAMING THE GOODWIN BRIDGE

Before the Rector presented the resolution, he read into the record a short resolution adopted by the Board at Carr's Hill on February 5, 2004 - a resolution which reflected the results (tabulated officially on February 4th) of a telephone poll of the Board conducted by the Secretary.

RESOLVED, that the pedestrian bridge over Emmet Street, now under construction near the intersection of Massie Road and Emmet Street, be named in honor of Alice T. and William H. Goodwin, Jr. The bridge is to be known as the Goodwin Bridge.

RESOLUTION COMMENDING WILLIAM H. GOODWIN, JR.

The Rector then proposed a resolution thanking and commending Mr. Goodwin for his years of devoted service to the Board and to the University. The resolution following was approved unanimously and the Board gave Mr. Goodwin a standing ovation:

WHEREAS, William H. Goodwin, Jr. is a native of Franklin but has been a resident of Richmond for many years; and

WHEREAS, Mr. Goodwin took a B.S.M.E. from Virginia Tech and the M.B.A. from the Darden School; and

WHEREAS, Mr. Goodwin has had an extraordinarily successful career not only as a businessman but also as a leader in his city and his state; and

WHEREAS, Mr. Goodwin has the great good fortune of having married Alice Tolley of Newport News; and
WHEREAS, Mr. and Mrs. Goodwin together have a profound sense of responsibility toward giving back to their community; and

WHEREAS, Mr. and Mrs. Goodwin's benefactions, not only to their city, their church and the Commonwealth, but also to the University of Virginia, have been wisely considered and quietly given and are too numerous to be listed in a resolution; and

WHEREAS, Mr. and Mrs. Goodwin's generosity to the University has benefited all parts of the institution, a universality symbolized by the Board's naming of the bridge connecting the North and Central Grounds, The Goodwin Bridge; and

WHEREAS, Mr. Goodwin was appointed to the Board of Visitors by Governor Allen in 1996; and

WHEREAS, Mr. Goodwin has been a true leader on the Board, rendering invaluable and lasting service to the University not only as Chair of the Finance Committee and of the Board of the University of Virginia Investment Management Company, but in all aspects of the Board of Visitors' activities; and

STUDENT ACTIVITY FEE
STATEMENT OF PURPOSE
AND
FUNDING GUIDELINES
RESOLVED that with respect to the purpose of an allocation from the Fund, unless otherwise directed by the President, the procedure shall be as follows:

STATEMENT OF PURPOSE

The purpose of the student activity fee is to provide financial support for student organizations that are related to the educational purpose of the University of Virginia. As a required student fee the monies collected by the University for funding student activities are public funds which must be administered in a manner consistent with the educational purpose of the University as well as with state and federal law.

STUDENT ACTIVITIES ELIGIBLE FOR FUNDING

The Rector and Visitors of the University have determined that activities of the student organizations in the following categories relate to the educational environment or purposes of the University and are thus eligible for funding.

1. Special Status Student Organizations charged by the Board of Visitors
2. co-curricular organizations which are not administered by University departments or units;
3. club sports;
4. student news, information, opinion, entertainment or academic communications media groups;
5. cultural organizations;
6. fine arts organizations;
7. Madison House;
8. hobby organizations;
9. groups whose predominate purpose is to present speakers on topics of general interest to the University;
10. the Student Legal Service,
11. service organizations;
12. political organizations; and
13. religious organizations
STUDENT ORGANIZATIONS NOT ELIGIBLE FOR FUNDING

The Board of Visitors has determined that fraternities, sororities, honor societies, and special status student organizations not charged by the Board of Visitors are ineligible for funds from the student activities fees. An organization is also ineligible when admission is exclusionary in nature and not open to all students or if membership is restricted by reason of race, religion, disability, national origin, political affiliation, or gender. Notwithstanding these requirements, a student organization may restrict membership based on ability to perform the activities related to the organization's purpose. In determining cases of discrimination, it is not sufficient to look merely to the constitution of an organization but to its actual practices and operations.

STUDENT EXPENDITURES AND ACTIVITIES NOT ELIGIBLE FOR FUNDING

The Board of Visitors has further determined that the following expenditures and activities do not relate to the educational purpose of the University and thus are not eligible for funding:
1. honoraria or similar fees for events that are not open to the University community;
2. religious activities;
3. social entertainment or related expenses;
4. philanthropic contributions and activities;
5. political activities;
6. activities which would jeopardize the University's tax exempt status.

FUND ALLOCATION AND APPEAL PROCEDURES/PROCESS:

The Student Activities Committee chaired by the designee of the Vice President for Student Affairs is charged with the authority and responsibility for supervision of the student activities fee fund. With respect to distributions from the fund, Student Council is responsible for allocations to eligible student organizations. The ceiling on the aggregate amount allocated to all such organizations shall be the current balance in the student activities fees fund. The allocation process follows procedures established by Student Council which are intended to maximize the use of the funds and are consistent with the above guidelines. The Student Council Appropriations Committee is responsible for following these procedures and making the recommendations to the Student Council Representative Body on the funding requests. In providing student organizations with appropriations deemed needed, the Student Council Appropriations Committee shall be further guided by such criteria as the size of the group, the University wide benefit of the group's activities, and the group's level of financial self-sufficiency. The committee is encouraged but is not required to appropriate all of the available funds.
fund balance. The Appropriations Committee recommended allocation to a student organization may be appealed to the Student Council Representative Body by any student or student organization. The Student Activities Committee is the next and final appeal for any budget reviewed and, in some cases, adjusted by the Student Council Representative Body. In addition, the Student Activities Committee may examine on its own motion any student organization's allocation request submitted to the Student Council. After the allocations are finalized, the Student Council Vice President for Student Organizations writes the chair of the Student Activities Committee requesting that the allocations for those funded organizations be released to the Student Activities Business Manager. When the Student Activities Business Manager receives the funds, they are deposited into a demand deposit account. Expenditures from the allocations can be made provided the student organization completes the proper authorization forms with the Student Activities Business Manager. The student organizations receive their allocation on a per semester basis for payment of expenses of activities conducted during the, fall and spring semesters only. Any funded student organization alleged to be in violation of the above guidelines is subject to the suspension or loss of student activity fee funding after notice and an opportunity to be heard by Student Council. The Student Activities Committee is the next and final appeal body.

DEFINITIONS OF TERMS

These definitions of terms are intended to provide clarification of the student activity fee fund guidelines. In those cases where further clarification is needed, Student Council and, if necessary, the Student Activities Committee will interpret the guidelines based on the facts presented and the Board of Visitors intent for the student activity fee.

Ability to Perform - a student organization may restrict membership based on ability to perform the activities related to the organization's purpose. For example, a student publication may make requirements based on writing skills. A club sport may restrict membership where selection is based on competitive skill or the activity involved is a contact sport thus resulting in a team of one or predominately one gender. Likewise, ' a choral group may restrict membership based on vocal range or quality which may also result in a chorus or choruses of one or predominantly one gender.

Co-curricular Organization - a group which provides opportunities outside the classroom setting for students to apply classroom theory and/or to acquire knowledge, experience and/or skills.

Cultural Organization - an organization which is primarily concerned with studying, promoting, and/or expressing racial, ethnic, or affinity group traditions, social forms, art, and/or tastes.
Hobby Organization - a group which primarily pursues an activity for relaxation, recreation, or entertainment.

Political Activity - an activity related to: (1) lobbying the principal purpose of which is to influence the passage or defeat of specific legislation, and/or (2) electioneering which encompasses participation or intervention in any political campaign on behalf of or in opposition to any candidate for public office. These restrictions on funding political activities are not intended to preclude funding of any otherwise eligible student organization which: (1) advocates, as an incidental or insubstantial part of its activities, the adoption or rejection of legislation; (2) engages in nonpartisan analysis, study, or research, and makes the results available to the public, or (3) espouses particular positions or ideological viewpoints, including those that may be unpopular or are not generally accepted, or that may coincidentally be prominently held by particular political parties or political candidates.

Political Organization - an organization primarily devoted to political discussion or debate and the organization of meetings to further such interests, and which in advancing such general social and educational interests through its membership does not use student activities fee funding for political activity as defined herein.

Religious Activity - the organized worship of a deity, divine power, or supernatural entity, whether or not such activity is consistent with the precepts of an organized religion or denomination. No student news, information, opinion, entertainment or academic communications media group shall be considered to be engaging in religious activity merely because it expresses ideas or viewpoints that are religious in nature.

Religious Organization - an organization primarily devoted to religious discussion or debate and the organization of meetings to further such interests, and which in advancing such general social and educational interests in a secular context through its membership does not use student activities fee funding for religious activity as defined herein.

Student Activities Committee - the University faculty/student committee charged by the Vice President for Student Affairs to provide oversight to the student activity fee fund and its allocation by Student Council.

Special Status Student Organizations - Student organizations which have University delegated functions to perform are termed special status. These groups which include but are not limited to Student Council, school councils, University Guides, and University Singers,
have a University department or a school responsible for each group relative to the delegated functions. Two groups, Student Council and WTJU, are charged by the Board of Visitors. The other Special Status Student Organizations receive their charge from a University department or school. Because of this relationship to a school or department and the concomitant funding available to the group,

Special Status Student Organizations not charged by the Board of Visitors are ineligible for student activity fee fund allocations.

Student Organizations Eligible for Funding - Contracted Independent Organizations which have been Student Council qualified and comply with the Student Council appropriations process guidelines as well as Special Status Student Organizations charged by the Board of Visitors are eligible for student activity fee funding. Currently, Student Council and WTJU are Special Status Organizations eligible for funding.

BE IT FINALLY RESOLVED that the foregoing amendments to the Guidelines for Student Activities Current Fund Allocation shall apply to all student organization funding requests that are pending on, or are made after January 16, 2004.
