Consent Agenda: Memorial to Frederic W. Scott - Approval of Memorial, Site and Schematic Design

Ms. Sheehy reminded the Committee that the proposal for a memorial to Frederic W. Scott of Richmond, Rector of the University from 1930 to 1939, as well as its site and schematic design, was discussed by the Committee at its meeting in March and tabled because of concerns about the possibility of serious vandalism if the monument were to be placed at the site desired by the donor. The Committee at that time directed that the donor, Mr. Frederic W. Scott, Jr., of North Garden, be advised of its concerns and that another, possible, site be identified.

Mr. Scott was advised of the Committee's concerns, but he wishes the monument to be placed at the site he proposed - on McCormick Road, at the bus stop in front of the first year dormitories and across the road from Gilmer Hall.

On motion, the Committee adopted the necessary resolution.

Ms. Dorsey voted against the resolution and asked that her vote be so recorded.

The resolution was recommended to the full Board for approval.

APPROVAL OF FREDERIC W. SCOTT MEMORIAL AND ITS SCHEMATIC DESIGN

WHEREAS, Mr. Frederic W. Scott of Richmond (1862-1939) was Rector of the University from 1930 to 1939; and

WHEREAS, Mr. Scott's benefactions to the University included the original Scott Stadium, named for his parents; and

WHEREAS, Mr. Scott's grandson, Frederic W. Scott, Jr., of North Garden, wishes to present a memorial to his grandfather;

RESOLVED, the Board of Visitors approves the proposed memorial to Frederic W. Scott, to be located on McCormick Road adjacent to the first year dormitories, and thanks Frederic W. Scott, Jr., for his generosity;

RESOLVED FURTHER that the schematic design, dated March 13, 2007, and prepared by the Architect for the University for the construction of a memorial to Frederic W. Scott, on McCormick Road, is approved for further development and construction.
