On motion, the Board approved the Minutes of the last meeting of the full Board, held February 7-8, 2008.

RESOLUTION FOR ADDENDA TO THE AGENDA

After reminding the Board that the *Manual* specifies that consideration of addenda to the published Agenda of a Board meeting must be approved by the Board, the Rector called for a motion to approve the necessary resolution. The motion was moved, seconded, and passed, and the Board adopted the following resolution:

RESOLVED, the Board of Visitors approves the consideration of addenda to the published Agenda.

INTRODUCTION OF THE NEW STUDENT BOARD MEMBER

The Rector introduced Ms. Adom Getachew, the Student Board Member-elect, who was chosen in the last session of the February Board meeting. She will succeed Mr. Mignerey as the Student Member at the conclusion of this Board meeting.

RESOLUTION COMMENDING CAREY JOSEPH MIGNEREY

The Rector then thanked Mr. Mignerey for his outstanding service on the Board and proposed a resolution of commendation. On motion, the following resolution was approved:

At the Rector's request, Mr. Sandridge, Executive Vice President and Chief Operating Officer, proposed a resolution approving the adoption of the Emergency Operations Plan, devised by the City of Charlottesville, Albemarle County, and the University. Mr. Sandridge explained that the Commonwealth of Virginia Emergency Services Law of 1973 requires that each city and county develop and maintain a plan of this sort.

On motion, the Board adopted the following resolution:

ADOPTION OF INTEGRATED EMERGENCY OPERATIONS PLAN

WHEREAS, the Board of Visitors and the University of Virginia are concerned with the health, safety, and well-being of members of the University community and desire that the best possible emergency service be available to them; and

WHEREAS, the Commonwealth of Virginia Emergency Services Law of 1973 requires that each city and county develop and maintain an Emergency Operations Plan which addresses its planned response to emergency situations; and

WHEREAS, such a plan has been developed by University staff in coordination with the Virginia Department of Emergency Management with input from local agencies;

RESOLVED, the Board of Visitors of the University of Virginia does hereby adopt the City of Charlottesville, County of Albemarle, and University of Virginia Integrated Emergency Operations Plan, to include plans and procedures for both peace time and war-caused disasters.

DISCUSSION OF BOARD MEETING DATES FOR 2009-2010

At the Rector's request, the Vice Rector, Mr. Wynne, who will become Rector on July 1, 2009, led a discussion of proposed changes in the schedule of Board meetings.

Mr. Wynne proposed first off a schedule of meetings on essentially a quarterly basis - one in September, one in mid-November, one in mid to late February, and one in early June. The Board Retreat, according to this plan, would be attached to a Board meeting - beginning, say, on a Friday afternoon and continuing through Saturday morning, or beginning Saturday morning and running all day.

The 2009 Retreat certainly would be held in conjunction with one of the fall meetings of the Board; the rest of the schedule changes could take effect that fall, depending on Members' schedules.

Mr. Wynne proposed, too, returning to the schedule of a 1-1/2 - 2 hour session at each Board meeting devoted to discussion of a strategic topic. Also, he advocated going back to the custom of annual reports for committees. He suggested, too, that the Board do a periodic self-evaluation to make sure that it is working on the right things and in the right way; he said 2009-2010 would be the year to do this.

Some adjustments would have to be made to the present schedule of setting tuitions in order that this conform to the proposed meeting schedule, but it would not be an insurmountable problem. The Board Office will check the President's long-term schedule and poll Members about changing the previously established meeting schedule for 2009.

SUMMER ORIENTATION

At the Rector's request, the Secretary spoke briefly about Members' roles in the summer orientation of incoming undergraduate students. Members for the last several years have participated in the opening of each of the orientation sessions; the participation has consisted of brief remarks to the assembled matriculants and their parents on the importance of the Honor System to the life of the University. It has been a very successful part of orientation.

The Secretary urged Members to volunteer for this summer's sessions, and he handed around a sign-up roster.

PRESIDENT'S REPORT

The Rector asked the President to give his customary report.

The President spoke briefly about the General Assembly session which concluded when the Legislature rose on March 13th. April 12th, he said, is the last day for the Governor to take action on legislation sent to him by the General Assembly; the Legislature then will reconvene on April 23rd to consider the Governor's vetoes and amendments. The General Assembly, also on April 23rd, will consider the capital improvement bond bills.

The President pointed out that because the state budget is not yet final, the undergraduate tuition rates which normally are brought to the Board for approval at the April meeting, will not be set until the budget bill is approved.

He then announced the appointment of Ms. Stewart Gamage as Director of the Morven Institute. Ms. Gamage, a Petersburger who is currently Vice President for Public Affairs at the College of William and Mary, will take up her duties in August. She was Director of the Virginia Liaison Office and Senior Assistant to Governors Robb and Baliles; Policy Director for the former U.S. House Majority Leader, Congressman Gephardt; and Chief Operating Officer of APCO Associates, one of the largest public affairs firms in Washington.

Ms. Gamage will be responsible for the development of programming at Morven.

The Hospital Auxiliary is celebrating its one hundredth anniversary this year - note was taken of this at the recent meeting of the Medical Center Operating Board, and a commemorative resolution was adopted by the General Assembly. The President said a reception honoring the Auxiliary will be held at Carr's Hill this fall.

GIFTS AND GRANTS REPORT

The President reported that philanthropic giving to the University and its related foundations this fiscal year (which began on July 1st, 2007) was \$204.7million through February 29th. This is \$13.9million, or 6.4%, less than giving during the same period last year.

Nonetheless, the Batten School of Leadership and Public Policy, Athletics, the Miller Center, the University Library, and the UVa Fund all report significant increases in giving.

Among significant gifts received since the last meeting of the Board, the President reported a bequest of \$1,800,000 from David Allen Mayhugh for research in the School of Medicine; a deferred gift of \$1,043,570 from Mrs. A. Stuart Robertson, Jr., for the endowed scholarships in the School of Law; a pledge payment of \$1,000,000 from the Smithfield-Luter Foundation for an endowment for the Medical School; a pledge of \$5,000,000 from the Claude Moore Charitable Foundation for the Claude Moore Medical Education Building; \$2,000,000 from John G. Macfarlane, III to the Darden School Foundation for the Center for Asset Management; \$1,000,000 pledged by Richard B. Gilliam, Sr. and Mrs. Leslie F. Gilliam for the Emily Couric Clinical Cancer Center; and a \$1,000,000 pledge from Gregory S. Ledford to the McIntire School of Commerce Foundation, to be split between the Davis B. Ledford Faculty Fellowship and the Demong-Pettit Faculty Fellowship.

The Rector called for a resolution accepting the Gifts and Grants Report. The following resolution was proposed and approved:

RESOLVED, the Gifts and Grants Report for the period January 1, 2008, through February 29, 2008, is accepted.

The Board resumed its meeting in Open Session at 5:20 p.m., and adopted the following resolution certifying that its discussions in Executive Session had been conducted in accordance with the provisions of the Virginia Freedom of Information Act:

That we vote on and record our certification that, to the best of each Board member's knowledge, only public business matters lawfully exempted from open meeting requirements and which were identified in the motion(s) authorizing the closed session, were heard, discussed or considered in closed session.

APPOINTMENT OF SPECIAL COMMITTEES

The Rector announced the appointment of two ad-hoc Committees, one to establish criteria to be used in preparation for choosing successors to retiring senior members of the Administration, and the other to study both the process of the election of the Rector and Vice Rector and their terms of office. The Members of the first Committee are to be Messrs. Wynne, Farrell, and Ligon, the President, and Ms. Gertrude Fraser, Vice Provost for Faculty

Advancement. Ms. Dorsey and Messrs. Diamonstein and Mastracco are to be the Members of the second Committee.

CHANGE IN THE DINNER AT THE JUNE BOARD MEETING

The Rector told the Board that changes in the structure of the dinner at the June Board meeting are advisable. The dinner has for some time been designated as an occasion to which former Members of the Board are invited, but in the last few years, very few former Members have attended. The dinner also is the occasion on which retiring Members are honored for their service on the Board. The Rector observed that the latter aspect of the evening has become the more important and he proposed a resolution approving his decision to change this to the stated purpose of the dinner.

He also charged the ad-hoc Committee which will consider the election and terms of the Rector and the Vice Rector, with considering other events at which former Members can be invited to return.

The following resolution was moved, seconded, and approved:

RESOLVED, the Board approves the change in format of the June dinner honoring retiring Members.

All the Series 2008 Bonds shall bear interest (a) from their dated date, if authenticated prior to June 1, 2008, or (b) otherwise from the June 1 or December 1 that is, or that immediately precedes, the date on which such Bond is authenticated (unless payment of interest is in default, in which case such Bond shall bear interest from the date of which interest has been paid).

Both principal of and interest on the Series 2008 Bonds shall be payable in lawful money of the United States of America, but only from the revenues lawfully available therefor pursuant to the Act and pledged to the payment thereof as hereinafter provided. Principal of the Series 2008 Bonds shall be payable upon presentation and surrender of the Series 2008 Bonds as they become due at the office of the Paying Agent. Interest on the Series 2008 Bonds shall be payable to the registered owners of the Series 2008 Bonds by check or draft mailed to such owners at their addresses as they appear on the Record Date on registration books kept by the Registrar, or upon the written request of any Holder of at least \$1,000,000 in aggregate principal amount of Series 2008 Bonds by wire transfer in immediately available funds to an account within the United States designated by such Holder.

Nothing herein shall be construed as prohibiting the University from issuing any maturity of the Series 2008 Bonds as one fully registered bond for the purpose of qualifying such Bonds for book entry registration by a Securities Depository or any similar arrangement whereby investors may hold a participation interest in such maturity of the Series 2008 Bonds.

Section 2.3 Form of the Series 2008 Bonds. The Series 2008 Bonds shall be substantially in the form set forth in Exhibit A, with such appropriate variations, omissions and insertions as permitted or required by this Resolution.

Only such of the Series 2008 Bonds as shall bear thereon a certificate of authentication, manually executed by the Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Registrar shall be conclusive evidence that the Series 2008 Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

The Registrar shall not be required to transfer or exchange any Series 2008 Bond selected or called for redemption pursuant to the provisions therein or from a Record Date through the next succeeding Interest Payment Date.

Whenever any Series 2008 Bonds shall be surrendered for registration of transfer, the University shall execute and the Registrar shall authenticate and deliver a new Series 2008 Bonds, of authorized denominations of the same maturity and interest rate and for a like aggregate principal amount. Such transfer shall be without charge to the Bondholder, except that the Registrar shall require the Bondholder requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

Section 2.6 Exchange of the Series 2008 Bonds. The Series 2008 Bonds may be exchanged at the office of the Registrar for a like aggregate principal amount of the Series 2008

Bonds of other authorized denominations of the same maturity and interest rate. Such exchange shall be without charge to the Bondholder, except that the Registrar shall require the Bondholder requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange.

Section 2.7 Bond Register; Notices; Persons Treated as Owners. The Registrar will keep or cause to be kept, at its office in _____, _____, sufficient books for the registration and transfer of the Series 2008 Bonds, which shall at all times during regular business hours upon reasonable notice be open to inspection by the University; and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register or cause to be registered, on such books, the transfer or exchange of the Series 2008 Bonds as hereinbefore provided. Notices sent to Bondholders pursuant to this Resolution shall be sent to the addresses shown on the registration books maintained by the Registrar or such other address as may be filed with the Registrar for such purpose. All notices required to be given by mail shall be given by first class mail, postage prepaid.

In addition to the other obligations imposed on the Registrar hereunder, the Registrar shall agree to deliver upon request a list of the names and addresses of the registered owners of the Series 2008 Bonds, as follows:

- (i) to any Bondholder, if an Event of Default (as hereinafter defined) shall have occurred and be continuing; and
- (ii) to the Holders of 25% or more in aggregate principal amount of the Series 2008 Bonds then outstanding, at any time.

Section 2.8 Temporary Series 2008 Bonds. The Series 2008 Bonds may be issued in temporary form exchangeable for definitive Series 2008 Bonds when ready for delivery. Any temporary Bond may be printed, lithographed or typewritten, shall be of such denomination as may be determined by the University and may contain such reference to any of the provisions of this Resolution as may be appropriate. A temporary Bond may be in the form of a single Bond payable in installments, each on the date, in the amount and at the rate of interest established for the Series 2008 Bonds maturing on such date. Every temporary Bond shall be executed by the University and be authenticated by the Registrar upon the same conditions and in substantially the same manner as the definitive Series 2008 Bonds. If the University issues temporary Series 2008 Bonds it will execute and deliver definitive Series 2008 Bonds as promptly thereafter as practicable, and thereupon the temporary Series 2008 Bonds may be surrendered, for cancellation, in exchange therefor at the office of the Registrar and the Registrar shall authenticate and deliver in exchange for such temporary Series 2008 Bonds an equal aggregate principal amount of definitive Series 2008 Bonds of authorized denominations of the same maturity or maturities and interest rate. Until so exchanged, the temporary Series 2008 Bonds

shall be entitled to the same benefits under this Resolution as definitive Series 2008 Bonds authenticated and delivered hereunder.

Section 2.9 Series 2008 Bonds Mutilated, Lost, Destroyed or Stolen. If any Series 2008 Bond shall become mutilated, the University, at the expense of the Bondholder of such Series 2008 Bond, shall execute, and the Registrar shall thereupon authenticate and deliver, a new Series 2008 Bond of like tenor bearing a different number in exchange and substitution for the Series 2008 Bond so mutilated, but only upon surrender to the Registrar of the Series 2008 Bond so mutilated. Every mutilated Series 2008 Bond so surrendered to the Registrar shall be canceled by it and shall be delivered to, or upon the order of, the University. If any Series 2008 Bond shall be lost, destroyed or stolen, evidence of the ownership thereof and of such loss, destruction or theft may be submitted to the University, and the Registrar and, if such evidence be satisfactory to both of them and indemnity satisfactory to them shall be given, the University, at the expense of the Bondholder, shall execute, and the Registrar shall thereupon authenticate and deliver, a new Series 2008 Bond of like tenor bearing a different number in lieu of and in substitution for the Series 2008 Bond so lost, destroyed or stolen (or if any such Series 2008 Bond shall have matured or shall be about to mature, instead of issuing a substitute Series 2008 Bond, the Paying Agent may pay the same without surrender thereof). The University may require payment of a sum not exceeding the actual cost of preparing each new Series 2008 Bond issued under this Section and of the related expenses which may be incurred by the University, the Registrar, and the Paying Agent. Any Series 2008 Bond issued under the provisions of this Section in lieu of any Series 2008 Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the University whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Resolution with all other Series 2008 Bonds secured by this Resolution.

Section 2.10 Terms and Conditions for Issuance and Delivery of the Series 2008 Bonds. The Series 2008 Bonds authorized by this Resolution shall be executed in the form and manner hereinabove set forth and shall be deposited with the Registrar for delivery to the Underwriters pursuant to the Bond Purchase Agreement, but before the Series 2008 Bonds shall be delivered by the Registrar, there shall be filed with the Registrar the following:

- (a) a copy, certified by the Secretary of the Board, of this Resolution;
- (b) an opinion of Bond Counsel stating that the issuance of the Series 2008 Bonds has been duly authorized and that all conditions precedent to the delivery of such Bonds have been fulfilled.

When the documents mentioned above in this Section shall have been filed with the Registrar and when the Series 2008 Bonds shall have been executed as required by this Resolution, the Registrar shall deliver such Bonds to or upon the order of the Underwriters pursuant to the Bond Purchase Agreement, but only upon payment to the Custodian of the purchase price of such Bonds. The Registrar shall be entitled to rely upon such Bond Purchase Agreement as to the names of the purchasers and the amount of such purchase price.

The proceeds of such Bonds shall be deposited as described by the Custodian in Section 4.1.

Section 2.11 Book Entry Provisions. The provisions of this Section 2.11 shall apply to the Series 2008 Bonds so long as all of the Series 2008 Bonds shall be maintained in book-entry form with a Securities Depository, any other provisions of this Resolution to the contrary notwithstanding.

(a) The principal or redemption price of and interest on the Series 2008 Bonds shall be payable to the Securities Depository, or registered assigns, as the registered owner of the Series 2008 Bonds, in next day funds on each date on which the principal of, and premium, if any, or interest on the Series 2008 Bonds is due as set forth in this Resolution and in the Series 2008 Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the University and Paying Agent in writing. Without notice to or the consent of the beneficial owners of the Series 2008 Bonds, the University and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set out herein. If such different manner of payment is agreed upon, the University shall give the Paying Agent notice thereof, and the Paying Agent shall make payments as if set forth herein. Neither the University nor the Paying Agent shall have any obligation with respect to the transfer or crediting of the appropriate principal, premium, if any, and interest payments to participants of the Securities Depository or the beneficial owners of the Series 2008 Bonds or their nominees.

(b) The Paying Agent at the direction of the University may replace any Securities Depository as the depository for the Series 2008 Bonds with another qualified securities depository or discontinue the maintenance of the Series 2008 Bonds in book-entry form at any time if the University determines to do so. Notice of any determination above shall be given to such Securities Depository at least 30 days prior to any such discontinuation (or such fewer number of days as shall be acceptable to such Securities Depository). The University may undertake to locate a qualified replacement Securities Depository and/or may discontinue the book-entry system of evidencing ownership of the Series 2008 Bonds.

(c) If the Paying Agent discontinues the maintenance of the Series 2008 Bonds in book-entry form, the University will issue replacement Series 2008 Bonds directly to the participants in the former Securities Depository or, to the extent requested by any such participant, to the beneficial owners of the Series 2008 Bonds as further described in this Section. The Paying Agent shall notify participants and the beneficial owners of the Series 2008 Bonds, by mailing an appropriate notice to the Securities Depository, or by other means deemed appropriate by either the Securities Depository or the Paying Agent, that the University will issue replacement Series 2008 Bonds directly to the participants shown on the records of the Securities Depository or, to the extent requested by any participant, to beneficial owners of the Series 2008 Bonds shown on the records of such participant, as of a date set forth in such notice, which shall be a date at least 10 days after receipt of such notice by the Securities Depository (or such fewer number of days as shall be acceptable to the Securities Depository).

In the event that replacement Series 2008 Bonds are to be issued to participants in the Securities Depository or to beneficial owners of the Series 2008 Bonds, the University shall

promptly have prepared replacement Series 2008 Bonds registered in the names of the participants as shown on the records of the former Securities Depository or, to the extent requested by any participant, in the names of the beneficial owners of Series 2008 Bonds shown on the records of such participant, as of the date set forth in the notice delivered in accordance with the immediately preceding paragraph. Replacement Series 2008 Bonds issued to participants in the Securities Depository or to beneficial owners shall be in fully registered form substantially in the form of Exhibit A. The form set forth in Exhibit A may be modified to include any variations, omissions or insertions that are necessary or desirable in the delivery of replacement certificates in printed form. In delivering replacement certificates, the Paying Agent shall be entitled to rely, without independent investigation, on the records of the former Securities Depository as to its participants and the records of the participants acting on behalf of the beneficial owners. The Series 2008 Bonds will thereafter be registrable and exchangeable as set forth in Sections 2.6 and 2.7.

(d) So long as there is a Securities Depository for the Series 2008 Bonds, (1) such Securities Depository shall be the registered owner of the Series 2008 Bonds, (2) transfers of ownership and exchanges shall be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by such Securities Depository and its participants, and (3) references in this Resolution to Bondholders, Holders or registered owners of the Series 2008 Bonds shall mean the Securities Depository and shall not mean the beneficial owners of the Series 2008 Bonds.

(e) If the Paying Agent replaces any Securities Depository as the depository for the Series 2008 Bonds with another qualified Securities Depository, replacement Series 2008 Bonds issued to such replacement Securities Depository shall have the same terms, form and content as the Series 2008 Bonds initially registered in the name of the predecessor Securities Depository or its nominee except for the name of the registered owner.

(f) Each Securities Depository and the participants thereof and the beneficial owners of the Series 2008 Bonds, by their acceptance of the Series 2008 Bonds, agree that the University and the Paying Agent shall have no liability or responsibility with respect to (1) the accuracy of any records maintained by such Securities Depository or any Securities Depository participant; (2) the payment by such Securities Depository to any Securities Depository participant or by any Securities Depository participant to any beneficial owner of any amount due in respect of the principal of and premium, if any, and interest on the Series 2008 Bonds; (3) the delivery or timeliness of delivery by such Securities Depository to any Securities Depository participant or by any Securities Depository participant to any beneficial owner of any notice which is given to Bondholders; (4) the selection of the beneficial owners to receive payment in the event of any partial redemption of the Series 2008 Bonds; or (5) any consent given or other action taken by such Securities Depository or any nominee of such Securities Depository, as Bondholder.

ARTICLE III

REDEMPTION OF THE SERIES 2008 BONDS

Section 3.1 Redemption of the Series 2008 Bonds. (a) The Series 2008 Bonds shall not be subject to prior redemption except as provided in this Article III.

(b) The Series 2008 Bonds that are stated to mature on or after June 1, 2019 are subject to redemption, at the option of the University, in whole or in part on any date not earlier than June 1, 2018, upon payment of a redemption price equal to 100% of the principal amount of the Series 2008 Bonds to be redeemed, plus interest accrued to the redemption date.

(c) The Series 2008 Bonds that are stated to mature on June 1, 20__ shall be subject to mandatory redemption by the University at a redemption price of 100% of the principal amount thereof plus accrued interest, on June 1 in the following years and in the following amounts:

<u>Year</u>	<u>Amount</u>
-------------	---------------

* **Final Maturity**

On or before the 70th day next preceding any mandatory sinking fund redemption date, the University may apply as a credit against its mandatory sinking fund redemption obligation for any Series 2008 Bonds maturing on such date, any Series 2008 Bonds that previously have been optionally redeemed or purchased and canceled or surrendered for cancellation by the University and not previously applied as a credit against any mandatory sinking fund redemption obligation for such Series 2008 Bonds. Each such Series 2008 Bond so purchased, delivered or previously redeemed shall be credited at 100% of the principal amount thereof against the principal amount of the Series 2008 Bonds required to be redeemed on such mandatory sinking fund redemption date. Any principal amount of Series 2008 Bonds so purchased, delivered or previously redeemed in excess of the principal amount required to be redeemed on such mandatory sinking fund redemption date shall similarly reduce the principal amount of the Series 2008 Bonds to be redeemed on future mandatory sinking fund redemption dates, as selected by the Chief Operating Officer of the University.

(d) The Series 2008 Bonds shall also be subject to redemption in whole or in part on any date, at the option of the University, from the proceeds of casualty insurance or condemnation awards, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, plus accrued interest to the redemption date, if all or any part of the Project financed with the Series 2008 Bonds is damaged or destroyed or taken through the exercise of the power of eminent domain and the Chief Operating Officer has delivered a certificate to the Custodian to the effect that the University has determined not to use such proceeds to replace or rebuild the damaged, destroyed or taken property. In the event of a redemption in part pursuant to this paragraph, the University shall redeem the Series 2008 Bonds

from each maturity then outstanding, to the extent practicable, in the proportion that the principal amount of the Series 2008 Bonds of such maturity bears to the total principal amount of the Series 2008 Bonds then outstanding.

(e) Subject to applicable procedures of the Securities Depository while the Series 2008 Bonds are held in book-entry only form by the Securities Depository, if less than all of the Series 2008 Bonds are to be called for redemption, the Series 2008 Bonds to be redeemed shall be selected by the University in such manner as the University in its discretion may determine.

Section 3.2 Notice of Redemption. (a) Whenever the Series 2008 Bonds are to be redeemed under the provisions of this Resolution, the Paying Agent shall, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, mail notice of redemption to all registered owners of all Series 2008 Bonds to be redeemed at their registered addresses. The Paying Agent shall also mail a copy of any such notice of redemption to any Rating Agency. Any such notice of redemption shall identify the Series 2008 Bonds to be redeemed, shall specify the redemption date and the redemption price, and shall state that on the redemption date the Series 2008 Bonds called for redemption will be payable at the office of the Paying Agent and that from that date interest will cease to accrue. The Paying Agent may use "CUSIP" numbers in notices of redemption as a convenience to Bondholders, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Series 2008 Bonds or as contained in any such notice.

(b) If at the time of mailing of notice of any optional redemption the University shall not have caused to be deposited with the Paying Agent money sufficient to redeem all the Series 2008 Bonds called for redemption, such notice may state that it is conditional in that it is subject to the deposit of such moneys with the Paying Agent not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited. Failure by the Paying Agent to give any notice of redemption or any defect in such notice as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure or defect has occurred. Any notice mailed as provided in this Bond Resolution shall be conclusively presumed to have been given whether or not actually received by any Holder.

Section 3.3 Effect of Calling for Redemption. On the date designated for redemption, notice having been mailed in the manner and under the conditions hereinabove provided and moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the Holders of the Series 2008 Bonds to be redeemed, all as provided in this Resolution, the Series 2008 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, interest on the Series 2008 Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security under this Resolution and the Holders or registered owners of such Bonds shall have no rights with respect thereto except to receive payment of the redemption price.

Section 3.4 The Series 2008 Bonds Redeemed Not Deemed Outstanding. The Series 2008 Bonds which have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given by the Board to the Paying Agent in form satisfactory to him or her, and for the payment of the

redemption price of which moneys shall be held in separate accounts by the Paying Agent in trust for the Holders of the Series 2008 Bonds to be redeemed, all as provided in this Resolution, shall not thereafter be deemed to be outstanding under the provisions of this Resolution.

ARTICLE IV

(a) \$_____ shall be deposited into the Construction Fund to pay for Cost of the Project.

(b) \$_____ shall be transferred to _____ to provide for refunding the Refunded Indebtedness.

(c) \$_____ shall be deposited into a special account created with the Custodian for the payment of expenses incident to the issuance of the Series 2008 Bonds. Section 4.2 Construction Fund. A special fund is hereby created in the office of the Custodian as the Construction Fund, to the credit of which there shall be deposited a portion of the proceeds of the Series 2008 Bonds. There may also be deposited to the credit of the Construction Fund any moneys received from any other source for paying the Cost of the Project (herein defined) if the University shall have received a Favorable Opinion of Bond Counsel with respect to such deposit. The moneys in the Construction Fund shall be held in trust and applied to the payment of the Cost of the Project, as defined in Section 4.3, and, pending such application, shall be subject to a lien and charge in favor of the Holders of the Series 2008 Bonds and for the future security of such Holders until paid out or transferred as herein provided.

Section 4.3 Items of Cost of the Project. For the purposes of this Resolution the Cost of the Project shall include, without intending thereby to limit or restrict or to extend any proper definition of such costs under the Act or this Resolution, any or all of the following:

(a) obligations incurred for labor and materials and to contractors, builders and materialmen in connection with the Project;

(b) the cost of acquiring by purchase, if such purchase shall be deemed expedient, and the amount of any award or final judgment in or any settlement or compromise of any proceeding to acquire by condemnation, such lands, property, rights, rights of way, franchises, easements and other interests as may be deemed necessary or convenient by the Board for the construction and operation of the Project, options and partial payments thereon, and the amount of any damages incident to or consequent upon such construction and operation;

(f) expenses of administration properly chargeable to the Project, legal expense and fees, fees and expenses of consultants, financing charges, cost of audits and of preparing and issuing the Series 2008 Bonds, and all other items of expense not elsewhere in this Section specified incident to the planning, construction, development and equipping of the Project and the placing of the Project in operation; and

(g) any obligation or expenses heretofore or hereafter incurred by the University, any agent of the University or by any other agency of the Commonwealth in connection with the Project for any of the foregoing purposes.

Section 4.4 Payments from Construction Fund. Payment of the Cost of the Project shall be made from the Construction Fund and other available funds, all as provided by law. All payments from the Construction Fund shall be subject to the provisions and restrictions set forth in this Article, and the Board covenants that it will not cause or permit to be paid from the Construction Fund any sums except in accordance with such provisions and restrictions.

Moneys in the Construction Fund shall be paid out by the Custodian to be issued on vouchers of the University, all in accordance with the Act, the amounts stated in such vouchers to be certified by the University to be necessary for paying items of Cost of the Project.

The vouchers shall be in substantially the form of Exhibit B hereto (or in such other form required by the Custodian) and shall state each amount to be paid, the name of the person, firm or corporation to whom each such payment is due and the purpose and the component of the Project for which the obligation to be paid was incurred, and shall certify that the goods or services specified have been received, or performed, payment therefor has not been previously authorized and that the expenditure is a proper charge to the appropriation for the Construction Fund.

The University shall keep account of the Cost of the Project which have been, and are expected to be, spent for each component of the Project to ensure in part that such Cost of the Project shall not exceed the maximum authorized amount for each such component.

Section 4.5 Disposition of Balance in Construction Fund. When the Project shall have been completed and placed in operation, as evidenced by a certificate signed by the Chief Operating Officer and filed with the Secretary of the Board and the Custodian, any balance in the Construction Fund not deemed by the Board to be necessary to be reserved for the payment of any remaining part of the Cost of the Project shall be deposited to the credit of the Debt Service Fund for the Series 2008 Bonds, and used to pay interest on the Series 2008 Bonds on their next Interest Payment Date.

ARTICLE V

REVENUES AND FUNDS

Section 5.1 Debt Service Fund. A fund shall be created by the Paying Agent designated "The Rector and Visitors of the University of Virginia General Revenue Pledge Bonds, Series 2008, Debt Service Fund" (the "Debt Service Fund"). All accrued interest, if any, received from the purchasers of the Series 2008 Bonds, as provided in Section 4.1, shall be transferred to the Paying Agent to the credit of the Debt Service Fund. On or before the day preceding each date on which payments of interest, premium or principal shall be due and payable on the Series 2008 Bonds (a "Payment Date"), the University shall transfer or cause to be transferred to the Paying Agent for deposit an amount of money sufficient to cause the amount held in the Debt Service Fund to be equal to the interest, premium and principal due on the Series 2008 Bonds on such Payment Date. The Paying Agent shall cause payment of the amounts due on the Series 2008 Bonds on each such Payment Date.

Section 5.2 Payments to Bondholders. The Paying Agent shall, at appropriate times on or before each Payment Date, withdraw from the Debt Service Fund the amounts needed on such date to pay the principal of and premium, if any, and interest on the Series 2008 Bonds and shall pay or cause the same to be paid to the Bondholders as such principal, premium and interest become due and payable.

Section 5.3 Pledge of Funds and Accounts. The moneys in the Debt Service Fund shall be held in trust and applied as herein provided and, pending such application, shall be pledged to, and subject to a lien and charge in favor, of the Holders of the Series 2008 Bonds issued and outstanding under this Resolution and for the further security of such Holders until paid out or transferred as herein provided.

Section 5.4 Moneys Held in Trust. All moneys from the funds of the University or that the University shall have received from any other source and set aside or deposited with any Paying Agent for the purpose of paying any of the Series 2008 Bonds hereby secured, either at the maturity thereof or upon call for redemption, shall be held in trust for the respective Holders of such Bonds. Any moneys which shall be so set aside or deposited and which shall remain unclaimed by the Holders of such Bonds for the period of five (5) years after the date on which such Bonds shall have become due and payable shall be disposed of by the University and the Paying Agent in accordance with The Uniform Disposition of Unclaimed Property Act, Chapter 11.1, Title 55, Code of Virginia of 1950, as amended.

Section 5.5 Cancellation of the Series 2008 Bonds Upon Payment. All Series 2008 Bonds paid, redeemed or purchased by the University, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds and shall be delivered to the University when such payment, redemption or purchase is made. All Series 2008 Bonds canceled under any of the provisions of this Resolution may be cremated or otherwise destroyed by the University or its designee.

Section 5.6 No Risk to Paying Agent Funds. No provision herein shall require the Paying Agent to expend its own funds or otherwise incur any financial liability in the

performance of any of its duties hereunder or in the exercise of any of its rights or powers unless the Paying Agent shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is reasonably insured to it.

ARTICLE VI

PARTICULAR COVENANTS

Section 6.1 Payment of Principal and Interest; Pledge of Pledged Revenues. The University covenants that it will promptly pay or cause to be paid from the sources described herein the principal of and the interest on every Bond issued under the provisions of this Resolution at the place or places, on the dates and in the manner provided herein and in such Bonds, and any premium required for the retirement of such Bonds by purchase or redemption, according to the true intent and meaning thereof. Except as otherwise provided in this Resolution, such principal, interest and premium are payable solely from Pledged Revenues, which Pledged Revenues are hereby pledged to the payment thereof and to the payment of any Parity Credit Obligations issued by the University which may include any interest rate swaps or other hedge mechanisms and any dedicated line of credit, standby bond purchase agreement or other liquidity facility related to the Series 2008 Bonds.

THE UNIVERSITY SHALL NOT BE OBLIGATED TO PAY THE PRINCIPAL OF OR INTEREST ON THE SERIES 2008 BONDS EXCEPT FROM THE SOURCES NOTED HEREIN AS PLEDGED THEREFOR. THE SERIES 2008 BONDS AND THE INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE COMMONWEALTH, LEGAL, MORAL OR OTHERWISE. NEITHER THE COMMONWEALTH NOR THE UNIVERSITY SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF OR INTEREST ON THE SERIES 2008 BONDS OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE SOURCES NOTED HEREIN AS PLEDGED THEREFOR, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMONWEALTH ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2008 BONDS OR OTHER COSTS INCIDENT THERETO.

Section 6.2 Reserved.

Section 6.3 Additional Indebtedness and Encumbrances. Except as otherwise provided in this Section, nothing in this Resolution shall be construed as prohibiting or limiting in any way the right of the University to incur other Credit Obligations. Notwithstanding the foregoing, however, the University may only incur the following types of Credit Obligations in the event the conditions set forth below are met in each instance:

(a) **Limitation on Parity Credit Obligations.** The University may incur, assume, guarantee or otherwise become liable on any Parity Credit Obligation, but only if, prior to the incurrence of each such Parity Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Parity Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such

Parity Credit Obligation and (B) the completion of any facility financed with the proceeds of such Parity Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Parity Credit Obligation, and (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution. Any such Parity Credit Obligation shall be secured by a pledge of Pledged Revenues on a parity with the pledge of Pledged Revenues herein, unless expressly subordinated to the pledge hereof.

(b) Limitation on Section 9(c) Credit Obligations. The University may incur, assume, guarantee or otherwise become liable on any Credit Obligation pursuant to the provisions of Article X, Section 9(c) of the Constitution of Virginia, as such section may be amended from time to time, and may pledge and apply such portion of the Pledged Revenues as may be necessary to provide for the payment of any such Credit Obligation, the funding of reasonable reserves therefor, or the payment of operating and other reasonable expenses of the facilities financed in whole or in part with the proceeds of such Credit Obligation or facilities reasonably related to such facilities, and such pledge shall be senior and superior in all respects to the pledge of Pledged Revenues securing the Series 2008 Bonds and any other Parity Credit Obligations, but only if, prior to the incurrence of each such Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such proposed Credit Obligation and (B) the completion of any facility financed with the proceeds of such proposed Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Credit Obligation, (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution, and (3) in connection with the issuance of such proposed Credit Obligation, the University has received an opinion of Bond Counsel to the effect that such proposed Credit Obligation has been validly issued under Article X, Section 9(c) of the Constitution of Virginia.

(c) Limitation on Other Credit Obligations, Including Section 9(d) Credit Obligations. The University may incur, assume, guarantee or otherwise become liable on any Credit Obligation not described elsewhere in this Section 6.3, including any Credit Obligation incurred pursuant to the provisions of Article X, Section 9(d) of the Constitution of Virginia, as such section may be amended from time to time, and may pledge and apply such portion of the Pledged Revenues as may be necessary for the payment of any such Credit Obligation, the funding of reasonable reserves therefor, or the payment of operating and other reasonable expenses of the facilities financed in whole or in part with the proceeds of such Credit Obligation or facilities reasonably related to such facilities and such pledge shall be senior and superior in all respects to the pledge of Pledged Revenues securing the Series 2008 Bonds and any other Parity Credit Obligations, but only if, prior to the incurrence of each such Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on

all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such proposed Credit Obligation and (B) the completion of any facility financed with the proceeds of such proposed Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Credit Obligation, (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution, and (3) the University has received an opinion of Bond Counsel to the effect that such proposed Credit Obligation has been validly issued under the relevant provisions of the Constitution of Virginia.

(d) Limitation on Issuance of Indebtedness on a Parity with Qualifying Senior Obligations. Except for Credit Obligations issued pursuant to subsections (b) or (c) above or to refund any Qualifying Senior Obligation as described in subsection (e) below, no additional bonds or other obligations may be issued or incurred by the University on a parity with any Qualifying Senior Obligation.

(e) Limitation on Additional Encumbrances. The University shall not encumber the Pledged Revenues in any manner (except as permitted in connection with Credit Obligations issued pursuant to subsections (a), (b) or (c) above or to refund any Qualifying Senior Obligation as described below), unless any such encumbrance is made junior and subordinate in all respects to the liens, pledges, covenants and agreements of this Resolution. Notwithstanding anything to the contrary herein, however, the University may issue bonds to refund any Qualifying Senior Obligation and to secure such refunding bonds with the same source of revenues securing the Qualifying Senior Obligation being refunded. Upon the defeasance of the refunded Qualifying Senior Obligation pursuant to any such refunding, the refunding bonds will be considered Qualifying Senior Obligations for all purposes.

Section 6.4 Disposition of Assets. The University may convey, sell or otherwise dispose of any property of the University as long as (1) such conveyance, sale or encumbrance is in the ordinary course of business, or (2) an Authorized Officer certifies in writing that, taking into account the conveyance, sale or other disposition of such property (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations for all Fiscal Years to and including the second full Fiscal Year after such conveyance, sale or other disposition and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University then outstanding.

Section 6.5 Insurance. The University covenants that it will at all times carry or cause to be carried insurance policies with a responsible insurance company or companies, qualified to assume the risks thereof, or that it will maintain an adequate program of self-insurance, in either case sufficient to provide the University with insurance in such amount and covering such risks as the University shall deem to be reasonable and desirable.

Section 6.6 Rights of Bondholders Not to Be Impaired. Except as otherwise set forth herein, the University covenants that no contract or contracts will be entered into or any action taken which might impair or diminish the rights of the Bondholders.

Section 6.7 Further Instruments and Actions. The University covenants that it will, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Resolution.

Section 6.8 Accurate Records and Accounts. The University covenants that it will keep accurate records and accounts of all items of cost and of all expenditures relating to Pledged Revenues collected and the application of such Pledged Revenues.

The University further covenants that not later than the end of the ninth month following the close of each Fiscal Year it will cause to be mailed to all Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose a report, signed by the Vice President and Chief Financial Officer of the University and by the Virginia Auditor of Public Accounts or by an independent certified public accountant or firm of certified public accountants to be approved by the Virginia Auditor of Public Accounts, setting forth for the preceding Fiscal Year, in reasonable detail, the financial condition of the University, including its statement of net assets as of the end of the preceding Fiscal Year and the related statements of revenues, expenses and changes in net assets and statement of cash flows for the preceding Fiscal Year.

Section 6.9 Recognized Accounting Principles. The University covenants that all of the accounts and records of the University will be kept according to generally accepted accounting principles consistently applied.

Section 6.10 Tax Covenants. (a) The University shall not use or permit the use of any proceeds of Series 2008 Bonds or any other funds of the University, directly or indirectly, to acquire any securities or obligation, and shall not use or permit the use of any amounts received by the University or the Custodian with respect to the Series 2008 Bonds in any manner, and shall not take or permit to be taken any other action or actions, which would cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. If at any time the University is of the opinion that for purposes of this subsection it is necessary to restrict or limit the yield on the investment of any moneys held under this Resolution the University shall so instruct the Custodian, any trustee or the Paying Agent in writing, and such Custodian, trustee or Paying Agent shall take such action as may be necessary in accordance with such issuance.

(b) The University shall not use or permit the use of any proceeds of Series 2008 Bonds or any other funds of the University, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Series 2008 Bonds being treated as an obligation not described in Section 103(a) of the Code by reason of classification of such Bond as a "private activity bond" (except for those Series 2008 Bonds which the University has designated or allocated as "private activity bonds" benefiting a 501(c)(3) organization) or an "arbitrage bond" or "bond not in registered form" within the meaning of Section 103(b) of the Code.

(c) The University shall at all times do and perform all acts and things permitted by law and this Resolution which are necessary or desirable in order to assure that interest paid on the Series 2008 Bonds or any of them will be excludable from gross income for federal income

tax purposes and shall take no action that would result in such interest not being excludable from gross income for federal income tax purposes.

(d) The University covenants that it shall file the information report with respect to the Series 2008 Bonds required by Section 149(e) of the Code (currently Form 8038-G) within the time period provided in such Section.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. Each of the following events is hereby declared to be an "Event of Default" under this Resolution:

(a) due and punctual payment of the principal, purchase price or redemption premium, if any, of any of the Series 2008 Bonds is not made when the same become due and payable, either at maturity or by proceedings for redemption or otherwise;

(b) due and punctual payment of any interest on any of the Series 2008 Bonds is not made when the same becomes due and payable;

(c) the University, for any reason, is rendered incapable of fulfilling its obligations hereunder;

(d) an order or decree is entered, with the consent or acquiescence of the University, appointing a receiver or receivers of the University or any part thereof or of the revenues thereof, or if such order or decree, having been entered without the consent or acquiescence of the University, is not vacated or discharged or stayed on appeal within sixty (60) days after the entry thereof;

(e) any proceeding is instituted, with the consent or acquiescence of the University, for the purpose of effecting a composition between the University and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or state statute now or hereafter enacted; or

(f) the University defaults in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2008 Bonds or in this Resolution on the part of the University to be performed, and such default continues for thirty (30) days after written notice specifying such default and requiring same to be remedied is given to the Board by any Bondholder, provided that if such default is such that it can be corrected but cannot be corrected within such thirty (30) day period, it shall not constitute an Event of Default if corrective action is instituted by the University within such period and is diligently pursued until the default is corrected.

Section 7.2 Remedies. (a) Upon the happening and continuance of an Event of Default, hereunder, the Holders of not less than 25% in aggregate principal amount of the Series 2008 Bonds, by instrument or instruments filed with the University and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the Holders of

the Series 2008 Bonds for the purposes herein, which trustee may be the State Treasurer and shall be the same trustee so appointed with respect to all other outstanding Parity Credit Obligations. Such trustee may, and upon written request of the Holders of not less than 25% in principal amount of the Series 2008 Bonds then outstanding shall, in its own name:

(1) By mandamus or other suit, action or proceeding at law or in equity enforce all rights of the Holders of the Series 2008 Bonds, including the right to require the University and its Board to collect fees, rents, charges or other revenues adequate to carry out an agreement as to, or pledge of, such revenues, and to require the University and Board to carry out any other agreements with the Holders of the Series 2008 Bonds and to perform it and their duties under the Act;

(2) Bring suit upon the Series 2008 Bonds;

(3) By action or suit in equity, require the University to account as if it were the trustee of an express trust for the Holders of the Series 2008 Bonds; or

(4) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2008 Bonds.

(b) Any such trustee, whether or not all such Series 2008 Bonds have been declared due and payable, shall be entitled as of right to the appointment of a receiver who may enter and take possession of any property of the University any of the revenues from which are pledged for the security of the Series 2008 Bonds and operate and maintain the same and collect and receive all fees, rents, charges and other revenues thereafter arising therefrom in the same manner as the University itself might do and shall deposit all such moneys in a separate account and apply the same in such manner as the court appointing such receiver shall direct. In any suit, action or proceeding by the trustee the fees, counsel fees and expenses of the trustee and of the receiver, if any, shall constitute taxable costs and disbursements and all costs and disbursements allowed by the court shall be a first charge on any fees, rents, charges and other revenues of the University pledged for the security of the Series 2008 Bonds.

Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incident to the general representation of the Holders of the Series 2008 Bonds in the enforcement and protection of their rights.

(c) To the extent permitted by law, upon the happening and continuance of any Event of Default, then and in every such case any Bondholder may proceed, subject to the provisions of Section 7.5, to protect and enforce the rights of the Bondholders by a suit, action or special proceeding in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy as such Bondholder shall deem most effectual to protect and enforce such rights.

Section 7.3 Pro Rata Application of Funds. Anything in this Resolution to the contrary notwithstanding, if at any time the moneys available in the Debt Service Fund shall not be sufficient to pay the interest on or the principal of the Series 2008 Bonds as the same shall

become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) If the principal of all the Series 2008 Bonds shall not have become due and payable, all such moneys shall be applied:

first: to the payment to the persons thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2008 Bonds; and

second: to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2008 Bonds which shall have become due and payable (other than Series 2008 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Resolution), in the order of their due dates, with interest on the principal amount of such Series 2008 Bonds at the respective rates specified therein from the respective dates upon which such Series 2008 Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2008 Bonds due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference.

(b) If the principal of all the Series 2008 Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid on the Series 2008 Bonds, without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due, respectively, for principal and interest, to the persons entitled thereto, without any discrimination or preference.

Whenever moneys are to be applied by the trustee pursuant to the provisions of this Section, such moneys shall be applied by the trustee at such times, and from time to time, as the trustee in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with any Paying Agent, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by

the trustee; and the trustee shall incur no liability whatsoever to the Board, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the trustee. Whenever the trustee shall exercise such discretion in applying such moneys, he or she shall fix the date (which shall be an Interest Payment Date unless the trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The trustee shall give such notice (or shall cause the Paying Agent to give such notice) as he or she may deem appropriate of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered to the trustee or any Paying Agent for appropriate endorsement, or for cancellation if fully paid.

Notwithstanding anything in this Resolution to the contrary, this Section 7.3 shall be interpreted so that term "Series 2008 Bonds" or "Bonds" shall include the Series 2008 Bonds and any Parity Credit Obligations. In each resolution authorizing the issuance of any Parity Credit Obligation, the University agrees to provide for the trustee thereunder to be the same as the trustee under this Resolution, and further agrees to include provisions substantially identical to those contained in this Section 7.3.

Section 7.4 Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the University and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Bondholders shall continue as though no such proceeding had been taken.

Section 7.5 Proceedings for Equal Benefit of All Bondholders. Section 7.7 No Delay or Omission Construed to Be a Waiver. No delay or omission of any Bondholder to exercise any right or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by this Article to the Bondholders may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VIII**EXECUTION OF INSTRUMENTS BY BONDHOLDERS AND
PROOF OF OWNERSHIP OF THE SERIES 2008 BONDS**

Section 8.1 Execution of Instruments; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted by this Resolution to be signed or executed by Bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondholders or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of the Series 2008 Bonds shall be sufficient for any purpose of this Resolution and shall be conclusive in favor of the University and the Paying Agent with regard to any action taken by them under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him or her, or by an affidavit of a witness to such execution. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership such verification or affidavit shall also constitute sufficient proof of his or her authority.

(b) The fact of the holding of the Series 2008 Bonds hereunder by any Bondholder and the amount and the numbers of such Series 2008 Bonds and the date of its holding the same shall be proved by the registration books kept under the provisions of Section 2.7.

ARTICLE IX**SUPPLEMENTAL RESOLUTIONS**

Section 9.1 Supplemental Resolutions. The University may, from time to time and at any time, without the consent of any holders of the Series 2008 Bonds, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof), as follows:

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or in any supplemental resolutions;

(b) to provide for the issuance of certificated Series 2008 Bonds pursuant to Section 2.11 of this Resolution, or to obtain or maintain a rating for the Series 2008 Bonds;

(c) to grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders;

(d) to add new conditions, limitations and restrictions on the issuance of other Credit Obligations by the University;

(e) to add to the covenants and agreements of the Board in this Resolution other covenants and agreements thereafter to be observed by the Board or to surrender any right or power herein reserved to or conferred upon the Board;

(f) to comply with any proposed, temporary or permanent regulations regarding the arbitrage rebate requirements of the Code; or

(g) to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Resolution, if in the opinion of the Paying Agent, who may rely upon an opinion of counsel nationally recognized in matters concerning municipal bonds, such supplemental resolution shall not adversely affect or prejudice the interests of the Bondholders.

At least thirty (30) days prior to the adoption of any supplemental resolution for any of the purposes of this Section, the Secretary of the Board shall cause a notice of the proposed adoption of such supplemental resolution to be mailed, postage prepaid, to all registered owners of Series 2008 Bonds at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. A failure on the part of the Secretary of the Board to mail the notice required by this Section shall not affect the validity of such supplemental resolution.

Section 9.2 Modification of Resolution with Consent of Holders. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate outstanding principal amount of the Series 2008 Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution or in any supplemental resolution; provided, however, that nothing herein contained shall permit, or be construed as permitting, (a) without the approval of all of the Series 2008 Bondholders, (i) an extension of the maturity of the principal of or the interest on any Series 2008 Bond, (ii) a reduction in the principal amount of any Series 2008 Bond or the redemption premium or the rate of interest thereon, (iii) except as otherwise provided herein, a preference or priority of any Series 2008 Bond or Bonds over any other Series 2008 Bond or Bonds, or (iv) except as otherwise provided herein, the release of the lien created by this Resolution with respect to any Pledged Revenues, or (b) without the approval of all of the Series 2008 Bondholders, a reduction in the aggregate principal amount of the Series 2008 Bonds required for consent to such supplemental resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders of the adoption of any supplemental resolution as authorized in Section 9.1 of this Article.

If at any time the Board shall determine that it is necessary or desirable to adopt any supplemental resolution for any of the purposes of this Section, the Secretary of the Board shall cause notice of the proposed adoption of such supplemental resolution to be mailed, not less than thirty (30) nor more than sixty (60) days prior to the date of such adoption, postage prepaid, to all registered owners of the Series 2008 Bonds at their addresses as they appear on the registration books held by the Registrar. Such notice shall briefly set forth the nature of the proposed

supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. The Board shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section to be mailed and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of such notice, the Board shall deliver to the Paying Agent an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2008 Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Board may adopt such supplemental resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2008 Bonds outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved the adoption thereof as herein provided, no Bondholder shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Board from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the University, the Board, and all Holders of Series 2008 Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

Section 9.3 Supplemental Resolutions Part of this Resolution. Any supplemental resolution adopted in accordance with the provisions of this Article shall thereafter form a part of this Resolution, and all of the terms and conditions contained in any such supplemental resolution as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Resolution for any and all purposes. In case of the adoption and approval of any supplemental resolution, express reference may be made thereto in the text of any Bonds issued thereafter, if deemed necessary or desirable by the Board.

The University may at any time surrender to the Paying Agent for cancellation by it any Series 2008 Bonds previously authenticated and delivered, which the University may have acquired in any manner whatsoever, and such Series 2008 Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

Section 10.3 Provision for Payment of Particular Bonds. If the University shall pay or provide for the payment of the entire indebtedness on particular Series 2008 Bonds in any one or more of the following ways:
