SUBJECT: Minutes of the Finance Committee Meeting on April 11, 2008

The Finance Committee of the Board of Visitors of the University of Virginia met, in Open Session, at 9:30 a.m., Friday, April 11, 2008, in the Board Room of the Rotunda; John O. Wynne, Vice Rector and Chair, presided.

Present were A. Macdonald Caputo, The Honorable Alan A. Diamonstein, Thomas F. Farrell, II, G. Slaughter Fitz-Hugh, Jr., Ms. Glynn D. Key, Austin Ligon, Vincent J. Mastracco, Jr., and W. Heywood Fralin, Rector.

Also present were Daniel R. Abramson, The Honorable Lewis F. Payne, Don R. Pippin, and Carey J. Mignerey.
Daniel M. Meyers, Consulting Member from the Council of Foundations, and Ms. Adom Getachew, Student Member-elect, were present too.

Reports by the Executive Vice President and Chief Operating Officer

The Chair opened the meeting and asked Mr. Sandridge, Executive Vice President and Chief Operating Officer, to present the Agenda.

Mr. Sandridge introduced Ms. Yoke San Reynolds, Vice President and Chief Financial Officer, and Mr. James Matteo, Director of Treasury Operations, who gave a report on the University’s debt capacity and future debt plans.

The discussion, they explained, was a continuation of a discussion that began in the February meeting of the Committee, a discussion that centered on debt planning, future debt requirements, allocation of debt capacity, and the oversight and monitoring process that is in place. Ms. Reynolds and Mr. Matteo then reported on the projected long-term debt requirements and capacity; a proposal to increase the cap on variable rate debt from 40 percent to 50 percent; a decision on the size of the Commercial Paper program; and the authority to issue 2008 bonds. There was a lengthy and useful discussion of all of this.

The Committee then voted on resolutions to cover these three actions.

The Committee adopted the following resolution and recommended it to the full Board for approval:

WHEREAS, Chapter 9, Title 23 of the Code of Virginia of 1950, as amended (the "Virginia Code"), establishes a public
corporation under the name and style of The Rector and Visitors of the University of Virginia (the "University") which is governed by a Board of Visitors (the "Board"); and

WHEREAS, Title 23 of the Virginia Code classifies the University as an educational institution of the Commonwealth of Virginia; and

WHEREAS, by Chapter 4.10, Title 23 of the Virginia Code (the "Act"), the University entered into a management agreement with the Commonwealth of Virginia which was enacted as Chapter 3 of Chapter 933 of the 2006 Virginia Acts of Assembly, pursuant to which the University is classified as a public institution of higher education and the University is empowered with the authority to undertake and implement the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations and to borrow money and make, issue and sell bonds of the University for such purposes, including the refinancing of any such facilities; and

WHEREAS, the Act further authorizes the University to provide for the payment of the principal of and the interest on any bonds from any one or more of the following sources: (i) its revenues generally; (ii) income and revenues derived from the operation, sale, or lease of a particular project or projects, whether or not they are financed or refinanced from the proceeds of such bonds, notes, or other obligations; (iii) funds realized from the enforcement of security interests or other liens or obligations securing such bonds, notes, or other obligations; (iv) proceeds from the sale of bonds, notes, or other obligations; (v) payments under letters of credit, policies of municipal bond insurance, guarantees, or other credit enhancements; (vi) any reserve or sinking funds created to secure such payment; (vii) accounts receivable of the University; or (viii) other available funds of the University; and

WHEREAS, the Board has previously determined to facilitate the financing or refinancing from time to time of costs associated with capital projects of the University approved by the Board or other utilization of funds by the University which is permitted by law (including, without limitation, capitalized interest, financing costs and working capital consistent with the University's debt policy) on a short-term basis through the issuance of commercial paper in an aggregate outstanding principal amount not to exceed $175,000,000 (the "Commercial Paper Program"), and hereby determines that the maximum aggregate outstanding principal amount of the Commercial Paper Program at any time should be increased to $300,000,000; and
WHEREAS, the Board has previously approved resolutions declaring an intent to issue bonds and has authorized the issuance of debt funding for the costs associated with the projects described in Appendix A (the "Projects"); and

WHEREAS, a portion of the Projects has been financed on a short-term basis through the University's Commercial Paper Program; and

WHEREAS, the Board desires to provide for the refunding of all or a portion of its outstanding tax-exempt bonds, including without limitation the bonds described in Appendix A (the "Outstanding Bonds"); and

WHEREAS, the Board desires to authorize the issuance of bonds in one or more series for financing or refinancing of all or a portion of the costs associated with the Projects, for the refunding of all or a portion of the outstanding principal amount of the Commercial Paper Program and for the refunding of all or a portion of the University's Outstanding Bonds, and desires to authorize certain officers of the University to approve the final forms and details of the bonds, as set forth below; and

WHEREAS, the Board anticipates that the bonds will be secured by a general revenue pledge of the University and not be in any way a debt of the Commonwealth of Virginia (the "Commonwealth") and shall not create or constitute any indebtedness or obligation of the Commonwealth, either legal, moral, or otherwise; and

WHEREAS, in April 2004, the Board approved a policy to limit the University's variable-rate debt to not more than 40 percent of the University's total debt financing; in April 2006, the Board approved a Debt Policy which limits the University's variable-rate debt to the same percentage; and the Board desires to revise such variable-rate debt limit to 50 percent under the University's Debt Policy; and

RESOLVED that the University's Commercial Paper Program is expanded from a maximum outstanding principal amount of $175,000,000 to a maximum outstanding principal amount of $300,000,000; and

RESOLVED FURTHER that the Board hereby implements the plan of finance described in the Recitals by authorizing the issuance of one or more series of bonds for the purpose of financing or refinancing any or all of the costs associated with the Projects, including without limitation, capitalized interest, financing costs and working capital related thereto consistent with the University's debt policy, and for the purpose of refunding all or
a portion of the outstanding principal amount of the Commercial Paper Program and the Outstanding Bonds, and providing for the terms thereof by adopting a Bond Resolution in substantially the form attached as Appendix B; and

RESOLVED FURTHER that as described in Section 11.7 of the Bond Resolution, the Vice President and Chief Financial Officer of the University, with the Chair of the Board's Finance Committee, is authorized to approve the final terms of each series of bonds, including, without limitation, their original principal amounts, the specific Projects to be financed or refinanced, the specific refundings to be undertaken, their maturity dates and amounts, redemption provisions and prices and interest rates, provided that (i) the maximum aggregate principal amount of all bonds to be issued hereunder shall not exceed $300,000,000; (ii) the maximum true interest cost of any series bearing interest at a fixed rate shall not exceed six percent (6 percent) per annum; (iii) the final maturity of all bonds shall not exceed 40 years beyond issuance date; (iv) call protection on the bonds shall not exceed ten and one-half (10½) years; and (v) no optional redemption premium shall exceed two percent (2 percent); and

RESOLVED FURTHER that as described in Section 11.7 of the Bond Resolution, the Executive Vice President and Chief Operating Officer of the University shall be authorized to negotiate, execute and deliver certain documents related to the Bonds; and

RESOLVED FURTHER that all officers of the University are authorized and directed to take all such further actions, including without limitation the designation of underwriters, paying agents, remarketing agents, trustees, and liquidity providers for the bonds, and to execute all such instruments, agreements, documents, and certificates as they shall deem necessary or desirable to carry out the terms of the financing plans presented to this meeting, including without limitation any liquidity facilities, swap or other interest rate management agreements associated with the bonds; and

RESOLVED FURTHER, pursuant to the Section 147(f) of the Internal Revenue Code of 1986, as amended, and applicable regulations thereunder, the University designates the Vice President and Chief Financial Officer of the University as the public hearing officer to hold any public hearings required in order to ensure the tax-exempt status of interest on the bonds; and

RESOLVED FURTHER, in recognition of the importance of balancing the University's risk and return on its debt financings, the University's variable-rate debt will not comprise
more than 50 percent of the total external debt portfolio of the University; and

RESOLVED FURTHER that all acts of all officers of the University which are in conformity with the purposes and intent of this Resolution and in carrying out the financing plans presented to this meeting are ratified, approved and affirmed; and

RESOLVED FURTHER that, upon approval, this action shall take effect immediately.

Action Items: Intent to Issue Tax-Exempt Debt

The Committee then considered, approved, and recommended to the full Board for approval, the following resolution of intent to issue tax-exempt debt for certain capital projects. By approving this resolution, the Committee was not necessarily approving the individual projects, all of which will have to be approved by the Board.

WHEREAS, the University intends to undertake the following capital projects utilizing tax-exempt debt as a funding source:

Carter-Harrison Research Building
South Lawn, Phase I – New Arts & Sciences Building; and

WHEREAS, the United States Department of the Treasury has promulgated final regulations in Section 1.150-2 of the Treasury Regulations governing when the allocation of bond proceeds to reimburse expenditures previously made by a borrower shall be treated as an expenditure of the bond proceeds; and

WHEREAS, the Regulations require a declaration of official intent by a borrower to provide evidence that the borrower intended to reimburse such expenditures with proceeds of its debt; and

WHEREAS, the Board of Visitors of the University of Virginia desires to make such a declaration of official intent as required by the Regulations; and

WHEREAS, the University may be required to provide short-term financing to each project prior to issuing long-term debt in order to implement an efficient and timely construction schedule; and
WHEREAS, the University has funding mechanisms to accommodate short-term financing needs, defined as a period of less than sixty months; and

WHEREAS, the authority for the University to enter into financing arrangements exceeding sixty months in maturity for each project listed is not included in this resolution; and

WHEREAS, if the University arranges short-term financing for a particular project, and if the project is not ultimately completed, or if the project utilizes funding sources other than debt, then the appropriate school or unit remains responsible for refunding the short-term obligation;

RESOLVED, pursuant to the terms of the Treasury Regulations, the Board of Visitors of the University of Virginia declares its intent to reimburse expenditures in accordance with the following:

1. The University reasonably expects to reimburse expenditures from the issuance of tax-exempt debt to be issued by the University incurred for each project;

2. This resolution is a declaration of official intent under Section 1.150-2 of the Regulations;

3. The maximum principal amount of debt expected to be issued for the purpose of reimbursing expenditures relating to each project is as follows:

   Carter-Harrison Research Building = $7,400,000
   (total of this and all prior requests = $48,900,000)

   South Lawn, Phase I – New Arts & Sciences Building = $14,931,373
   (total of this and all prior requests = $23,931,373); and

RESOLVED FURTHER, each project is a separate enterprise independent of other projects, and that the authorization for funding relates to each individual project; and

RESOLVED FURTHER, funds may be borrowed for each project on a short-term basis, but only if the following conditions are met:

1. The Board of Visitors approves the current resolution;

2. A comprehensive and detailed financial plan for the school/unit project is submitted;
3. Short-term financing shall not exceed sixty months in maturity; and

4. The school or unit remains responsible for any debt obligation incurred regardless of the status of the capital project or whether or not a debt issuance actually occurs.

Spending Policy Report

Ms. Reynolds next began a discussion of the University’s endowment spending policy. She noted the spending policies of several peer institutions: Harvard University, Yale University, Princeton University, Stanford University, the Massachusetts Institute of Technology, and Duke University – and compared them to the University’s policy. From there, she, Mr. Sandridge, and the Chair led a discussion of the Endowment, its growth and its composition and characteristics.

The objectives of the University’s spending policy, they emphasized, were to fund Commission priorities and strengthen the University’s unrestricted endowment. Increasing the payout by changing the spending formula was one option suggested; another was to assess an administrative fee on the Endowment. Still another suggested option was to change gift agreements to allow additional distribution for University priorities.

This discussion is to be continued at the June meeting of the Committee.

Action Item: Approval of Tuition and Required Fees, 2008-2009 Academic Year and 2009 Summer Session – Exclusive of Undergraduate Tuition

Mr. Sandridge reminded the Committee that at its April meeting, the Board customarily approves tuition and required fees for the forthcoming academic year. Because the State budget has not yet been approved by the Governor, and the budget may have an impact on undergraduate tuition, Mr. Sandridge proposed that the Committee consider the proposed fees and tuitions for graduate and professional students, and delegate to the Executive Committee the consideration – when the state budget has been approved – of undergraduate fees and tuition, both at the University and at The University of Virginia’s College at Wise.

The Committee agreed to this and after a brief discussion, adopted the following resolution approving tuition and required fees for graduate and professional students. The resolution was recommended to the full Board for approval.
RESOLVED that the tuition and required fees and other charges applicable to the Academic Division be approved as shown below, effective July 1, 2008.

WHEREAS, these properties are listed immediately following this resolution; and

WHEREAS, the Board finds it to be in the best interest of the University of Virginia to sell to the University of Virginia Foundation 0.84 acres of land that adjoins the Montesano property for $444,706 to facilitate the future development of the remaining Montesano property by the University of Virginia Foundation;

RESOLVED, the Board of Visitors approves the acquisition of each of the listed properties and the sale of 0.84 acres; and

Snyder Translational Research Building and Life Sciences Annex

Located at 480 Ray C. Hunt Drive in the Fontaine Research Park, this facility contains 85,400 gross square feet of wet lab research space and an additional 34,492 square feet of research space in the Annex building. The buildings are located on approximately three acres. The purchase price is not to exceed $80.5 million.

Located at 465 Crestwood Drive, off the Old Ivy Road, Montesano is a building of 4,320 finished square feet on 3.2 acres of land and will house the Center for Politics. The purchase price is not to exceed $2.15 million.

1224 Jefferson Park Avenue

This property consists of a 48,772 rentable square foot office building located on approximately 0.43 acres of land. The purchase price is not to exceed $4.1 million.

11th Street Parking Garage

Located on 11th Street and containing 1,025 parking spaces on approximately 1.4 acres of land; to be used for Health System parking. The purchase price is not to exceed $43.5 million.

Located at West Main and 11th Streets, the office building consists of 5,645 finished square feet on 0.34 acres of land. The University of Virginia Community Credit Union, relocated from the East Garage, will use the basement and first floor; the second floor will be used for Health System offices. The purchase price is not to exceed $3.9 million.
Consent Agenda: Approval of Signatory Authority for Medical Center Procurement of Intraoperative Magnetic Resonance Imaging Equipment

Based on the recommendation of the Medical Center Operating Board and the Chief Executive Officer of the Medical Center, Mr. Sandridge proposed that he be authorized to execute a contract for the purchase of MRI equipment. The price is in excess of the $5 million per year he is authorized, by the Board of Visitors, to pay out.

The Committee approved the following resolution, which had been approved earlier by the Medical Center Operating Board, and recommended it to the full Board for approval:

RESOLVED, the Board of Visitors authorizes the Executive Vice President and Chief Operating Officer of the University to execute a contract for the procurement of intraoperative MRI equipment, based on the recommendation of the Vice President and Chief Executive Officer of the Medical Center in accordance with Medical Center procurement policy.

Endowment Report – Market Value and Performance as of December 31, 2007

Mr. Sandridge then asked Mr. Brightman, Chief Executive Officer of the University of Virginia Investment Management Company, to make his customary semi-annual report on the Endowment. Referring Members to the written material distributed previously to them, as well as to slides, Mr. Brightman reported on the performance of the various portfolios of the Endowment: public equity, private equity, real assets, and so forth.

Defined Contribution Retirement Program Annual Report

The Chair asked Mr. Fitz-Hugh to give the annual report on the Defined Contribution Retirement Program.

Mr. Fitz-Hugh said representatives of the Retirement Administrative Committee met on April 8th with Mr. Wynne and Mr. Sandridge to discuss performance of the retirement funds. As of December 2007, the overall performance of the fund had met or exceeded Investment Procedure Guidelines.
Report on Restructuring-Related Performance Measures

Mr. Sandridge reminded the Committee that under the Restructured Higher Education Financial and Administrative Operations Act of 2005 and the subsequent Management Agreement of 2006, the University’s performance on a set of pre-defined performance measures is reviewed annually by the State Council of Higher Education. This annual certification determines the University’s eligibility for certain financial incentives.

In addition to SCHEV Institutional Performance Standards, the University’s performance on several Financial Standards is considered.

Mr. Sandridge asked Ms. Sheehy to report on the University’s compliance with these Standards.

Ms. Sheehy reviewed the goals set by the Standards and the University’s progress in meeting them.

On motion, the meeting was adjourned at 11:40 a.m.

</table>

All the Series 2008 Bonds shall bear interest (a) from their dated date, if authenticated prior to June 1, 2008, or (b) otherwise from the June 1 or December 1 that is, or that immediately precedes, the date on which such Bond is authenticated (unless payment of interest is in default, in which case such Bond shall bear interest from the date of which interest has been paid).

Both principal of and interest on the Series 2008 Bonds shall be payable in lawful money of the United States of America, but only from the revenues lawfully available therefor pursuant to the Act and pledged to the payment thereof as hereinafter provided. Principal of the Series 2008 Bonds shall be payable upon presentation and surrender of the Series 2008 Bonds as they become due at the office of the Paying Agent. Interest on the Series 2008 Bonds shall be payable to the registered owners of the Series 2008 Bonds by check or draft mailed to such owners at their addresses as they appear on the Record Date on registration books kept by the Registrar, or upon the written request of any Holder of at least $1,000,000 in aggregate principal amount of Series 2008 Bonds by wire transfer in immediately available funds to an account within the United States designated by such Holder.
Nothing herein shall be construed as prohibiting the University from issuing any maturity of the Series 2008 Bonds as one fully registered bond for the purpose of qualifying such Bonds for book entry registration by a Securities Depository or any similar arrangement whereby investors may hold a participation interest in such maturity of the Series 2008 Bonds.

**Section 2.3 Form of the Series 2008 Bonds.** The Series 2008 Bonds shall be substantially in the form set forth in Exhibit A, with such appropriate variations, omissions and insertions as permitted or required by this Resolution.

**Section 2.4 Execution of the Series 2008 Bonds.** The Series 2008 Bonds shall be executed in the name and on behalf of the University by its Chief Operating Officer and the official seal of the University shall be impressed, imprinted, reproduced or lithographed on the Series 2008 Bonds. The signatures on the Series 2008 Bonds may be by facsimile. In case any of the officers who shall have signed or attested any of the Series 2008 Bonds shall cease to be such officer or officers of the University before the Series 2008 Bonds so signed or attested shall have been issued by the University, such Series 2008 Bonds may nevertheless be delivered and issued and, upon such delivery and issue, shall be as binding upon the University as though those who signed and attested the same had continued to be such officers of the University. Only such of the Series 2008 Bonds as shall bear thereon a certificate of authentication, manually executed by the Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Registrar shall be conclusive evidence that the Series 2008 Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

**Section 2.5 Transfer of the Series 2008 Bonds.** Any Series 2008 Bonds may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.7, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series 2008 Bonds for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Registrar. The Registrar shall not be required to transfer or exchange any Series 2008 Bond selected or called for redemption pursuant to the provisions therein or from a Record Date through the next succeeding Interest Payment Date.

Whenever any Series 2008 Bonds shall be surrendered for registration of transfer, the University shall execute and the Registrar shall authenticate and deliver a new Series 2008 Bonds, of authorized denominations of the same maturity and interest rate and for a like aggregate principal amount. Such transfer shall be without charge to the Bondholder, except that the Registrar shall require the Bondholder requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

**Section 2.6 Exchange of the Series 2008 Bonds.** The Series 2008 Bonds may be exchanged at the office of the Registrar for a like aggregate principal amount of the Series 2008 Bonds.
Appendix B

Bonds of other authorized denominations of the same maturity and interest rate. Such exchange shall be without charge to the Bondholder, except that the Registrar shall require the Bondholder requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange.

Section 2.7 Bond Register; Notices; Persons Treated as Owners. The Registrar will keep or cause to be kept, at its office in ____________, ___________, sufficient books for the registration and transfer of the Series 2008 Bonds, which shall at all times during regular business hours upon reasonable notice be open to inspection by the University; and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register or cause to be registered, on such books, the transfer or exchange of the Series 2008 Bonds as hereinbefore provided. Notices sent to Bondholders pursuant to this Resolution shall be sent to the addresses shown on the registration books maintained by the Registrar or such other address as may be filed with the Registrar for such purpose. All notices required to be given by mail shall be given by first class mail, postage prepaid.

In addition to the other obligations imposed on the Registrar hereunder, the Registrar shall agree to deliver upon request a list of the names and addresses of the registered owners of the Series 2008 Bonds, as follows:

(i) to any Bondholder, if an Event of Default (as hereinafter defined) shall have occurred and be continuing; and

(ii) to the Holders of 25% or more in aggregate principal amount of the Series 2008 Bonds then outstanding, at any time.

Prior to due presentment for registration of transfer of any Bond, the Registrar shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person registered as owner on the registration books of the Registrar as of the 15th day of the month preceding the Interest Payment Date.

Section 2.8 Temporary Series 2008 Bonds. The Series 2008 Bonds may be issued in temporary form exchangeable for definitive Series 2008 Bonds when ready for delivery. Any temporary Bond may be printed, lithographed or typewritten, shall be of such denomination as may be determined by the University and may contain such reference to any of the provisions of this Resolution as may be appropriate. A temporary Bond may be in the form of a single Bond payable in installments, each on the date, in the amount and at the rate of interest established for the Series 2008 Bonds maturing on such date. Every temporary Bond shall be executed by the University and be authenticated by the Registrar upon the same conditions and in substantially the same manner as the definitive Series 2008 Bonds. If the University issues temporary Series 2008 Bonds it will execute and deliver definitive Series 2008 Bonds as promptly thereafter as practicable, and thereupon the temporary Series 2008 Bonds may be surrendered, for cancellation, in exchange therefor at the office of the Registrar and the Registrar shall authenticate and deliver in exchange for such temporary Series 2008 Bonds an equal aggregate principal amount of definitive Series 2008 Bonds of authorized denominations of the same maturity or maturities and interest rate. Until so exchanged, the temporary Series 2008 Bonds
shall be entitled to the same benefits under this Resolution as definitive Series 2008 Bonds authenticated and delivered hereunder.

Section 2.9 Series 2008 Bonds Mutilated, Lost, Destroyed or Stolen. If any Series 2008 Bond shall become mutilated, the University, at the expense of the Bondholder of such Series 2008 Bond, shall execute, and the Registrar shall thereupon authenticate and deliver, a new Series 2008 Bond of like tenor bearing a different number in exchange and substitution for the Series 2008 Bond so mutilated, but only upon surrender to the Registrar of the Series 2008 Bond so mutilated. Every mutilated Series 2008 Bond so surrendered to the Registrar shall be canceled by it and shall be delivered to, or upon the order of, the University. If any Series 2008 Bond shall be lost, destroyed or stolen, evidence of the ownership thereof and of such loss, destruction or theft may be submitted to the University, and the Registrar and, if such evidence be satisfactory to both of them and indemnity satisfactory to them shall be given, the University, at the expense of the Bondholder, shall execute, and the Registrar shall thereupon authenticate and deliver, a new Series 2008 Bond of like tenor bearing a different number in exchange and substitution for the Series 2008 Bond so lost, destroyed or stolen (or if any such Series 2008 Bond shall have matured or shall be about to mature, instead of issuing a substitute Series 2008 Bond, the Paying Agent may pay the same without surrender thereof). The University may require payment of a sum not exceeding the actual cost of preparing each new Series 2008 Bond issued under this Section and of the related expenses which may be incurred by the University, the Registrar, and the Paying Agent. Any Series 2008 Bond issued under the provisions of this Section in lieu of any Series 2008 Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the University whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Resolution with all other Series 2008 Bonds secured by this Resolution.

Section 2.10 Terms and Conditions for Issuance and Delivery of the Series 2008 Bonds. The Series 2008 Bonds authorized by this Resolution shall be executed in the form and manner hereinabove set forth and shall be deposited with the Registrar for delivery to the Underwriters pursuant to the Bond Purchase Agreement, but before the Series 2008 Bonds shall be delivered by the Registrar, there shall be filed with the Registrar the following:

(a) a copy, certified by the Secretary of the Board, of this Resolution;

(b) an opinion of Bond Counsel stating that the issuance of the Series 2008 Bonds has been duly authorized and that all conditions precedent to the delivery of such Bonds have been fulfilled.

When the documents mentioned above in this Section shall have been filed with the Registrar and when the Series 2008 Bonds shall have been executed as required by this Resolution, the Registrar shall deliver such Bonds to or upon the order of the Underwriters pursuant to the Bond Purchase Agreement, but only upon payment to the Custodian of the purchase price of such Bonds. The Registrar shall be entitled to rely upon such Bond Purchase Agreement as to the names of the purchasers and the amount of such purchase price.
The proceeds of such Bonds shall be deposited as described by the Custodian in Section 4.1.

**Section 2.11 Book Entry Provisions.** The provisions of this Section 2.11 shall apply to the Series 2008 Bonds so long as all of the Series 2008 Bonds shall be maintained in book-entry form with a Securities Depository, any other provisions of this Resolution to the contrary notwithstanding.

(a) The principal or redemption price of and interest on the Series 2008 Bonds shall be payable to the Securities Depository, or registered assigns, as the registered owner of the Series 2008 Bonds, in next day funds on each date on which the principal of, and premium, if any, or interest on the Series 2008 Bonds is due as set forth in this Resolution and in the Series 2008 Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the University and Paying Agent in writing. Without notice to or the consent of the beneficial owners of the Series 2008 Bonds, the University and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set out herein. If such different manner of payment is agreed upon, the University shall give the Paying Agent notice thereof, and the Paying Agent shall make payments as if set forth herein. Neither the University nor the Paying Agent shall have any obligation with respect to the transfer or crediting of the appropriate principal, premium, if any, and interest payments to participants of the Securities Depository or the beneficial owners of the Series 2008 Bonds or their nominees.

(b) The Paying Agent at the direction of the University may replace any Securities Depository as the depository for the Series 2008 Bonds with another qualified securities depository or discontinue the maintenance of the Series 2008 Bonds in book-entry form at any time if the University determines to do so. Notice of any determination above shall be given to such Securities Depository at least 30 days prior to any such discontinuation (or such fewer number of days as shall be acceptable to such Securities Depository). The University may undertake to locate a qualified replacement Securities Depository and/or may discontinue the book-entry system of evidencing ownership of the Series 2008 Bonds.

(c) If the Paying Agent discontinues the maintenance of the Series 2008 Bonds in book-entry form, the University will issue replacement Series 2008 Bonds directly to the participants in the former Securities Depository or, to the extent requested by any such participant, to the beneficial owners of the Series 2008 Bonds as further described in this Section. The Paying Agent shall notify participants and the beneficial owners of the Series 2008 Bonds, by mailing an appropriate notice to the Securities Depository, or by other means deemed appropriate by either the Securities Depository or the Paying Agent, that the University will issue replacement Series 2008 Bonds directly to the participants shown on the records of the Securities Depository or, to the extent requested by any participant, to beneficial owners of the Series 2008 Bonds shown on the records of such participant, as of a date set forth in such notice, which shall be a date at least 10 days after receipt of such notice by the Securities Depository (or such fewer number of days as shall be acceptable to the Securities Depository).

In the event that replacement Series 2008 Bonds are to be issued to participants in the Securities Depository or to beneficial owners of the Series 2008 Bonds, the University shall.
promptly have prepared replacement Series 2008 Bonds registered in the names of the participants as shown on the records of the former Securities Depository or, to the extent requested by any participant, in the names of the beneficial owners of Series 2008 Bonds shown on the records of such participant, as of the date set forth in the notice delivered in accordance with the immediately preceding paragraph. Replacement Series 2008 Bonds issued to participants in the Securities Depository or to beneficial owners shall be in fully registered form substantially in the form of Exhibit A. The form set forth in Exhibit A may be modified to include any variations, omissions or insertions that are necessary or desirable in the delivery of replacement certificates in printed form. In delivering replacement certificates, the Paying Agent shall be entitled to rely, without independent investigation, on the records of the former Securities Depository as to its participants and the records of the participants acting on behalf of the beneficial owners. The Series 2008 Bonds will thereafter be registrable and exchangeable as set forth in Sections 2.6 and 2.7.

(d) So long as there is a Securities Depository for the Series 2008 Bonds, (1) such Securities Depository shall be the registered owner of the Series 2008 Bonds, (2) transfers of ownership and exchanges shall be effectuated on the records of the Securities Depository and its participants pursuant to rules and procedures established by such Securities Depository and its participants, and (3) references in this Resolution to Bondholders, Holders or registered owners of the Series 2008 Bonds shall mean the Securities Depository and shall not mean the beneficial owners of the Series 2008 Bonds.

* Final Maturity

On or before the 70th day next preceding any mandatory sinking fund redemption date, the University may apply as a credit against its mandatory sinking fund redemption obligation for any Series 2008 Bonds maturing on such date, any Series 2008 Bonds that previously have been optionally redeemed or purchased and canceled or surrendered for cancellation by the University and not previously applied as a credit against any mandatory sinking fund redemption obligation for such Series 2008 Bonds. Each such Series 2008 Bond so purchased, delivered or previously redeemed shall be credited at 100% of the principal amount thereof against the principal amount of the Series 2008 Bonds required to be redeemed on such mandatory sinking fund redemption date. Any principal amount of Series 2008 Bonds so purchased, delivered or previously redeemed in excess of the principal amount required to be redeemed on such mandatory sinking fund redemption date shall similarly reduce the principal amount of the Series 2008 Bonds to be redeemed on future mandatory sinking fund redemption dates, as selected by the Chief Operating Officer of the University.

(d) The Series 2008 Bonds shall also be subject to redemption in whole or in part on any date, at the option of the University, from the proceeds of casualty insurance or condemnation awards, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, plus accrued interest to the redemption date, if all or any part of the Project financed with the Series 2008 Bonds is damaged or destroyed or taken through the exercise of the power of eminent domain and the Chief Operating Officer has delivered a certificate to the Custodian to the effect that the University has determined not to use such proceeds to replace or rebuild the damaged, destroyed or taken property. In the event of a redemption in part pursuant to this paragraph, the University shall redeem the Series 2008 Bonds
from each maturity then outstanding, to the extent practicable, in the proportion that the principal amount of the Series 2008 Bonds of such maturity bears to the total principal amount of the Series 2008 Bonds then outstanding.

(e) Subject to applicable procedures of the Securities Depository while the Series 2008 Bonds are held in book-entry only form by the Securities Depository, if less than all of the Series 2008 Bonds are to be called for redemption, the Series 2008 Bonds to be redeemed shall be selected by the University in such manner as the University in its discretion may determine.

Section 3.2 Notice of Redemption. (a) Whenever the Series 2008 Bonds are to be redeemed under the provisions of this Resolution, the Paying Agent shall, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, mail notice of redemption to all registered owners of all Series 2008 Bonds to be redeemed at their registered addresses. The Paying Agent shall also mail a copy of any such notice of redemption to any Rating Agency. Any such notice of redemption shall identify the Series 2008 Bonds to be redeemed, shall specify the redemption date and the redemption price, and shall state that on the redemption date the Series 2008 Bonds called for redemption will be payable at the office of the Paying Agent and that from that date interest will cease to accrue. The Paying Agent may use "CUSIP" numbers in notices of redemption as a convenience to Bondholders, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Series 2008 Bonds or as contained in any such notice.

(b) If at the time of mailing of notice of any optional redemption the University shall not have caused to be deposited with the Paying Agent money sufficient to redeem all the Series 2008 Bonds called for redemption, such notice may state that it is conditional in that it is subject to the deposit of such moneys with the Paying Agent not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited. Failure by the Paying Agent to give any notice of redemption or any defect in such notice as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure or defect has occurred. Any notice mailed as provided in this Bond Resolution shall be conclusively presumed to have been given whether or not actually received by any Holder.

Section 3.3 Effect of Calling for Redemption. On the date designated for redemption, notice having been mailed in the manner and under the conditions hereinafter provided and moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the Holders of the Series 2008 Bonds to be redeemed, all as provided in this Resolution, the Series 2008 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, interest on the Series 2008 Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security under this Resolution and the Holders or registered owners of such Bonds shall have no rights with respect thereto except to receive payment of the redemption price.

Section 3.4 The Series 2008 Bonds Redeemed Not Deemed Outstanding. The Series 2008 Bonds which have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given by the Board to the Paying Agent in form satisfactory to him or her, and for the payment of the
redemption price of which moneys shall be held in separate accounts by the Paying Agent in trust for the Holders of the Series 2008 Bonds to be redeemed, all as provided in this Resolution, shall not thereafter be deemed to be outstanding under the provisions of this Resolution.

All accrued interest, if any, received from the purchasers of the Series 2008 Bonds, as provided in Section 4.1, shall be transferred to the Paying Agent to the credit of the Debt Service Fund. On or before the day preceding each date on which payments of interest, premium or principal shall be due and payable on the Series 2008 Bonds (a "Payment Date"), the University shall transfer or cause to be transferred to the Paying Agent for deposit an amount of money sufficient to cause the amount held in the Debt Service Fund to be equal to the interest, premium and principal due on the Series 2008 Bonds on such Payment Date. The Paying Agent shall cause payment of the amounts due on the Series 2008 Bonds on each such Payment Date.

Section 5.2 Payments to Bondholders. The Paying Agent shall, at appropriate times on or before each Payment Date, withdraw from the Debt Service Fund the amounts needed on such date to pay the principal of and premium, if any, and interest on the Series 2008 Bonds and shall pay or cause the same to be paid to the Bondholders as such principal, premium and interest become due and payable.

Section 5.3 Pledge of Funds and Accounts. The moneys in the Debt Service Fund shall be held in trust and applied as herein provided and, pending such application, shall be pledged to, and subject to a lien and charge in favor, of the Holders of the Series 2008 Bonds issued and outstanding under this Resolution and for the further security of such Holders until paid out or transferred as herein provided.

The University covenants that it will promptly pay or cause to be paid from the sources described herein the principal of and the interest on every Bond issued under the provisions of this Resolution at the place or places, on the dates and in the manner provided herein and in such Bonds, and any premium required for the retirement of such Bonds by purchase or redemption, according to the true intent and meaning thereof. Except as otherwise provided in this Resolution, such principal, interest and premium are payable solely from Pledged Revenues, which Pledged Revenues are hereby pledged to the payment thereof and to the payment of any Parity Credit Obligations issued by the University which may include any interest rate swaps or other hedge mechanisms and any dedicated line of credit, standby bond purchase agreement or other liquidity facility related to the Series 2008 Bonds.

Section 6.2 Reserved.

Section 6.3 Additional Indebtedness and Encumbrances. Except as otherwise provided in this Section, nothing in this Resolution shall be construed as prohibiting or limiting in any way the right of the University to incur other Credit Obligations. Notwithstanding the foregoing, however, the University may only incur the following types of Credit Obligations in the event the conditions set forth below are met in each instance:

(a) Limitation on Parity Credit Obligations. The University may incur, assume, guarantee or otherwise become liable on any Parity Credit Obligation, but only if, prior to the incurrence of each such Parity Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Parity Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such
Parity Credit Obligation and (B) the completion of any facility financed with the proceeds of such Parity Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Parity Credit Obligation, and (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution. Any such Parity Credit Obligation shall be secured by a pledge of Pledged Revenues on a parity with the pledge of Pledged Revenues herein, unless expressly subordinated to the pledge hereof.

(b) **Limitation on Section 9(c) Credit Obligations.** The University may incur, assume, guarantee or otherwise become liable on any Credit Obligation pursuant to the provisions of Article X, Section 9(c) of the Constitution of Virginia, as such section may be amended from time to time, and may pledge and apply such portion of the Pledged Revenues as may be necessary to provide for the payment of any such Credit Obligation, the funding of reasonable reserves therefor, or the payment of operating and other reasonable expenses of the facilities financed in whole or in part with the proceeds of such Credit Obligation or facilities reasonably related to such facilities, and such pledge shall be senior and superior in all respects to the pledge of Pledged Revenues securing the Series 2008 Bonds and any other Parity Credit Obligations, but only if, prior to the incurrence of each such Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such proposed Credit Obligation and (B) the completion of any facility financed with the proceeds of such proposed Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Credit Obligation, (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution, and (3) in connection with the issuance of such proposed Credit Obligation, the University has received an opinion of Bond Counsel to the effect that such proposed Credit Obligation has been validly issued under Article X, Section 9(c) of the Constitution of Virginia.

(c) **Limitation on Other Credit Obligations, Including Section 9(d) Credit Obligations.** The University may incur, assume, guarantee or otherwise become liable on any Credit Obligation not described elsewhere in this Section 6.3, including any Credit Obligation incurred pursuant to the provisions of Article X, Section 9(d) of the Constitution of Virginia, as such section may be amended from time to time, and may pledge and apply such portion of the Pledged Revenues as may be necessary for the payment of any such Credit Obligation, the funding of reasonable reserves therefor, or the payment of operating and other reasonable expenses of the facilities financed in whole or in part with the proceeds of such Credit Obligation or facilities reasonably related to such facilities and such pledge shall be senior and superior in all respects to the pledge of Pledged Revenues securing the Series 2008 Bonds and any other Parity Credit Obligations, but only if, prior to the incurrence of each such Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Credit Obligation (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on
all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (A) the issuance of such proposed Credit Obligation and (B) the completion of any facility financed with the proceeds of such proposed Credit Obligation, and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Credit Obligation, (2) to the best of his or her knowledge, the University is not in default in the performance and observance of any of the provisions of this Resolution, and (3) the University has received an opinion of Bond Counsel to the effect that such proposed Credit Obligation has been validly issued under the relevant provisions of the Constitution of Virginia.

(d) Limitation on Issuance of Indebtedness on a Parity with Qualifying Senior Obligations. Except for Credit Obligations issued pursuant to subsections (b) or (c) above or to refund any Qualifying Senior Obligation as described in subsection (e) below, no additional bonds or other obligations may be issued or incurred by the University on a parity with any Qualifying Senior Obligation.

(e) Limitation on Additional Encumbrances. The University shall not encumber the Pledged Revenues in any manner (except as permitted in connection with Credit Obligations issued pursuant to subsections (a), (b) or (c) above or to refund any Qualifying Senior Obligation as described below), unless any such encumbrance is made junior and subordinate in all respects to the liens, pledges, covenants and agreements of this Resolution. Notwithstanding anything to the contrary herein, however, the University may issue bonds to refund any Qualifying Senior Obligation and to secure such refunding bonds with the same source of revenues securing the Qualifying Senior Obligation being refunded. Upon the defeasance of the refunded Qualifying Senior Obligation pursuant to any such refunding, the refunding bonds will be considered Qualifying Senior Obligations for all purposes.

Section 6.4 Disposition of Assets. The University may convey, sell or otherwise dispose of any property of the University as long as (1) such conveyance, sale or encumbrance is in the ordinary course of business, or (2) an Authorized Officer certifies in writing that, taking into account the conveyance, sale or other disposition of such property (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations for all Fiscal Years to and including the second full Fiscal Year after such conveyance, sale or other disposition and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University then outstanding.

Section 6.5 Insurance. The University covenants that it will at all times carry or cause to be carried insurance policies with a responsible insurance company or companies, qualified to assume the risks thereof, or that it will maintain an adequate program of self-insurance, in either case sufficient to provide the University with insurance in such amount and covering such risks as the University shall deem to be reasonable and desirable.

Section 6.6 Rights of Bondholders Not to Be Impaired. Except as otherwise set forth herein, the University covenants that no contract or contracts will be entered into or any action taken which might impair or diminish the rights of the Bondholders.
Section 6.7  Further Instruments and Actions. The University covenants that it will, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Resolution.

Section 6.8  Accurate Records and Accounts. The University covenants that it will keep accurate records and accounts of all items of cost and of all expenditures relating to Pledged Revenues collected and the application of such Pledged Revenues.

The University further covenants that not later than the end of the ninth month following the close of each Fiscal Year it will cause to be mailed to all Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose a report, signed by the Vice President and Chief Financial Officer of the University and by the Virginia Auditor of Public Accounts or by an independent certified public accountant or firm of certified public accountants to be approved by the Virginia Auditor of Public Accounts, setting forth for the preceding Fiscal Year, in reasonable detail, the financial condition of the University, including its statement of net assets as of the end of the preceding Fiscal Year and the related statements of revenues, expenses and changes in net assets and statement of cash flows for the preceding Fiscal Year.

Section 6.9  Recognized Accounting Principles. The University covenants that all of the accounts and records of the University will be kept according to generally accepted accounting principles consistently applied.

Section 6.10  Tax Covenants. (a) The University shall not use or permit the use of any proceeds of Series 2008 Bonds or any other funds of the University, directly or indirectly, to acquire any securities or obligation, and shall not use or permit the use of any amounts received by the University or the Custodian with respect to the Series 2008 Bonds in any manner, and shall not take or permit to be taken any other action or actions, which would cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. If at any time the University is of the opinion that for purposes of this subsection it is necessary to restrict or limit the yield on the investment of any moneys held under this Resolution the University shall so instruct the Custodian, any trustee or the Paying Agent in writing, and such Custodian, trustee or Paying Agent shall take such action as may be necessary in accordance with such issuance.

(b) The University shall not use or permit the use of any proceeds of Series 2008 Bonds or any other funds of the University, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Series 2008 Bonds being treated as an obligation not described in Section 103(a) of the Code by reason of classification of such Bond as a "private activity bond" (except for those Series 2008 Bonds which the University has designated or allocated as "private activity bonds" benefiting a 501(c)(3) organization) or an "arbitrage bond" or "bond not in registered form" within the meaning of Section 103(b) of the Code.

(c) The University shall at all times do and perform all acts and things permitted by law and this Resolution which are necessary or desirable in order to assure that interest paid on the Series 2008 Bonds or any of them will be excludable from gross income for federal income
tax purposes and shall take no action that would result in such interest not being excludable from
gross income for federal income tax purposes.

(d) The University covenants that it shall file the information report with respect to
the Series 2008 Bonds required by Section 149(e) of the Code (currently Form 8038-G) within

covenants, conditions, agreements and provisions contained in the Series 2008 Bonds or in this
Resolution on the part of the University to be performed, and such default continues for thirty
(30) days after written notice specifying such default and requiring same to be remedied is given
to the Board by any Bondholder, provided that if such default is such that it can be corrected but
cannot be corrected within such thirty (30) day period, it shall not constitute an Event of Default
if corrective action is instituted by the University within such period and is diligently pursued
until the default is corrected.

Section 7.2 Remedies. (a) Upon the happening and continuance of an Event of
Default, hereunder, the Holders of not less than 25% in aggregate principal amount of the Series
2008 Bonds, by instrument or instruments filed with the University and proved or acknowledged
in the same manner as a deed to be recorded, may appoint a trustee to represent the Holders of
the Series 2008 Bonds for the purposes herein, which trustee may be the State Treasurer and shall be the same trustee so appointed with respect to all other outstanding Parity Credit Obligations. Such trustee may, and upon written request of the Holders of not less than 25% in principal amount of the Series 2008 Bonds then outstanding shall, in its own name:

(4) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2008 Bonds.

(b) Any such trustee, whether or not all such Series 2008 Bonds have been declared due and payable, shall be entitled as of right to the appointment of a receiver who may enter and take possession of any property of the University any of the revenues from which are pledged for the security of the Series 2008 Bonds and operate and maintain the same and collect and receive all fees, rents, charges and other revenues thereafter arising therefrom in the same manner as the University itself might do and shall deposit all such moneys in a separate account and apply the same in such manner as the court appointing such receiver shall direct. In any suit, action or proceeding by the trustee the fees, counsel fees and expenses of the trustee and of the receiver, if any, shall constitute taxable costs and disbursements and all costs and disbursements allowed by the court shall be a first charge on any fees, rents, charges and other revenues of the University pledged for the security of the Series 2008 Bonds.

Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incident to the general representation of the Holders of the Series 2008 Bonds in the enforcement and protection of their rights.

(c) To the extent permitted by law, upon the happening and continuance of any Event of Default, then and in every such case any Bondholder may proceed, subject to the provisions of Section 7.5, to protect and enforce the rights of the Bondholders by a suit, action or special proceeding in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy as such Bondholder shall deem most effectual to protect and enforce such rights.

Section 7.3 Pro Rata Application of Funds. Anything in this Resolution to the contrary notwithstanding, if at any time the moneys available in the Debt Service Fund shall not
be sufficient to pay the interest on or the principal of the Series 2008 Bonds as the same shall become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) If the principal of all the Series 2008 Bonds shall not have become due and payable, all such moneys shall be applied:

first:  to the payment to the persons thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2008 Bonds; and

second: to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2008 Bonds which shall have become due and payable (other than Series 2008 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Resolution), in the order of their due dates, with interest on the principal amount of such Series 2008 Bonds at the respective rates specified therein from the respective dates upon which such Series 2008 Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2008 Bonds due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference.

(b) If the principal of all the Series 2008 Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid on the Series 2008 Bonds, without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due, respectively, for principal and interest, to the persons entitled thereto, without any discrimination or preference.

Whenever moneys are to be applied by the trustee pursuant to the provisions of this Section, such moneys shall be applied by the trustee at such times, and from time to time, as the trustee in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with any Paying Agent, or otherwise
setting aside such moneys, in trust for the proper purpose shall constitute proper application by the trustee; and the trustee shall incur no liability whatsoever to the Board, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application by the trustee. Whenever the trustee shall exercise such discretion in applying such moneys, he or she shall fix the date (which shall be an Interest Payment Date unless the trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The trustee shall give such notice (or shall cause the Paying Agent to give such notice) as he or she may deem appropriate of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered to the trustee or any Paying Agent for appropriate endorsement, or for cancellation if fully paid.

Notwithstanding anything in this Resolution to the contrary, this Section 7.3 shall be interpreted so that term "Series 2008 Bonds" or "Bonds" shall include the Series 2008 Bonds and any Parity Credit Obligations. In each resolution authorizing the issuance of any Parity Credit Obligation, the University agrees to provide for the trustee thereunder to be the same as the trustee under this Resolution, and further agrees to include provisions substantially identical to those contained in this Section 7.3.

Section 7.4 Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the University and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Bondholders shall continue as though no such proceeding had been taken.

Section 7.5 Proceedings for Equal Benefit of All Bondholders. No Bondholder shall have any right in any manner whatever to affect, disturb or prejudice the security of this Resolution or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Bondholders.

Section 7.6 No Remedy Exclusive. No remedy herein conferred on the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every remedy conferred shall be cumulative and shall be in addition to every other remedy given hereunder and under the Act or now or hereafter existing at law or in equity or by statute.

Section 7.7 No Delay or Omission Construed to Be a Waiver. No delay or omission of any Bondholder to exercise any right or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by this Article to the Bondholders may be exercised from time to time and as often as may be deemed expedient.
ARTICLE VIII

EXECUTION OF INSTRUMENTS BY BONDHOLDERS AND PROOF OF OWNERSHIP OF THE SERIES 2008 BONDS

Section 8.1 Execution of Instruments; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted by this Resolution to be signed or executed by Bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondholders or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of the Series 2008 Bonds shall be sufficient for any purpose of this Resolution and shall be conclusive in favor of the University and the Paying Agent with regard to any action taken by them under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him or her, or by an affidavit of a witness to such execution. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership such verification or affidavit shall also constitute sufficient proof of his or her authority.

(b) The fact of the holding of the Series 2008 Bonds hereunder by any Bondholder and the amount and the numbers of such Series 2008 Bonds and the date of its holding the same shall be proved by the registration books kept under the provisions of Section 2.7.

ARTICLE IX

SUPPLEMENTAL RESOLUTIONS

Section 9.1 Supplemental Resolutions. The University may, from time to time and at any time, without the consent of any holders of the Series 2008 Bonds, adopt such resolutions supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental resolutions shall thereafter form a part hereof), as follows:

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or in any supplemental resolutions;

(b) to provide for the issuance of certificated Series 2008 Bonds pursuant to Section 2.11 of this Resolution, or to obtain or maintain a rating for the Series 2008 Bonds;

(c) to grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders;

(d) to add new conditions, limitations and restrictions on the issuance of other Credit Obligations by the University;
Appendix B

(e) to add to the covenants and agreements of the Board in this Resolution other covenants and agreements thereafter to be observed by the Board or to surrender any right or power herein reserved to or conferred upon the Board;

(f) to comply with any proposed, temporary or permanent regulations regarding the arbitrage rebate requirements of the Code; or

(g) to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Resolution, if in the opinion of the Paying Agent, who may rely upon an opinion of counsel nationally recognized in matters concerning municipal bonds, such supplemental resolution shall not adversely affect or prejudice the interests of the Bondholders.

At least thirty (30) days prior to the adoption of any supplemental resolution for any of the purposes of this Section, the Secretary of the Board shall cause a notice of the proposed adoption of such supplemental resolution to be mailed, postage prepaid, to all registered owners of Series 2008 Bonds at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. A failure on the part of the Secretary of the Board to mail the notice required by this Section shall not affect the validity of such supplemental resolution.

Section 9.2 Modification of Resolution with Consent of Holders. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate outstanding principal amount of the Series 2008 Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution or in any supplemental resolution; provided, however, that nothing herein contained shall permit, or be construed as permitting, (a) without the approval of all of the Series 2008 Bondholders, (i) an extension of the maturity of the principal of or the interest on any Series 2008 Bond, (ii) a reduction in the principal amount of any Series 2008 Bond or the redemption premium or the rate of interest thereon, (iii) except as otherwise provided herein, a preference or priority of any Series 2008 Bond or Bonds over any other Series 2008 Bond or Bonds, or (iv) except as otherwise provided herein, the release of the lien created by this Resolution with respect to any Pledged Revenues, or (b) without the approval of all of the Series 2008 Bondholders, a reduction in the aggregate principal amount of the Series 2008 Bonds required for consent to such supplemental resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders of the adoption of any supplemental resolution as authorized in Section 9.1 of this Article.

If at any time the Board shall determine that it is necessary or desirable to adopt any supplemental resolution for any of the purposes of this Section, the Secretary of the Board shall cause notice of the proposed adoption of such supplemental resolution to be mailed, not less than thirty (30) nor more than sixty (60) days prior to the date of such adoption, postage prepaid, to all registered owners of the Series 2008 Bonds at their addresses as they appear on the registration books held by the Registrar. Such notice shall briefly set forth the nature of the proposed
supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. The Board shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section to be mailed and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of such notice, the Board shall deliver to the Paying Agent an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2008 Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Board may adopt such supplemental resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2008 Bonds outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved the adoption thereof as herein provided, no Bondholder shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Board from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the University, the Board, and all Holders of Series 2008 Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

Section 9.3 Supplemental Resolutions Part of this Resolution. Any supplemental resolution adopted in accordance with the provisions of this Article shall thereafter form a part of this Resolution, and all of the terms and conditions contained in any such supplemental resolution as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Resolution for any and all purposes. In case of the adoption and approval of any supplemental resolution, express reference may be made thereto in the text of any Bonds issued thereafter, if deemed necessary or desirable by the Board.

The University may at any time surrender to the Paying Agent for cancellation by it any Series 2008 Bonds previously authenticated and delivered, which the University may have acquired in any manner whatsoever, and such Series 2008 Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

Section 10.3 Provision for Payment of Particular Bonds. If the University shall pay or provide for the payment of the entire indebtedness on particular Series 2008 Bonds in any one or more of the following ways:

Institutions will leverage their collective expertise to save money and help strengthen security programs.

There is evidence of collaboration among institutions, such as the Higher Education Virginia Alliance for Security Computing and Networking (VA SCAN).

Engaged in these significant collaborations:
- Virginia HE CIO Council
- Virginia Alliance for Secure Computing & Networking
- Association of Collegiate Computing Services
- Implementation of Vortex (connection to National Lambda Rail)
- Southeastern University Research Association
- ACC Chief Information Officers

² The University is currently piloting new tools, such as "Collab," for support of the learning and collaboration environment. Because of this planned migration to newer tools, usage statistics for the legacy course management systems will decline and those for the new capabilities will rise over time.
