Mr. Rector, I move that the Audit and Compliance Committee of the Board of Visitors of the University of Virginia convene in Executive Session to discuss the audit of University operations and to consult with University legal counsel as the audit concerns the performance and discipline of specific University managers and personnel; also business related information pertaining to the operations of the University of Virginia Medical Center where disclosure of such information would adversely affect the competitive position of the Medical Center. These discussions are provided for in Section 2.2-3711 (A) (1), and (22) of the Code of Virginia.
The Committee resumed in Open Session at 4:15 p.m., and adopted the following resolution certifying that its discussions in Executive Session had been conducted in accordance with the exemptions permitted by the Virginia Freedom of Information Act:

That we vote on and record our certification that, to the best of each Board member’s knowledge, only public business matters lawfully exempted from open meeting requirements and which were identified in the motion(s) authorizing the closed session, were heard, discussed or considered in closed session.
