Vice President's Remarks

The Chair asked Mr. R. Edward Howell, the Vice President and Chief Executive Officer, to make his report. Mr. Howell said the Transitional Care Hospital had been operational since August 3, 2010. During the first six months of operation, the University must meet federal requirements for qualification as a "Free Standing Long-Term Acute Care Hospital" (LTACH) in order to be paid accordingly. Providing evidence of dedicated governance is one of the requirements, thus the necessity of holding a separate board meeting for the governing board of the Transitional Care Hospital.

Mr. Howell introduced Michelle D. Hereford, Director of the Transitional Care Hospital. She said the patient census right now is two patients. The Centers for Medicare and Medicaid Services surveyor had reviewed the Transitional Care Hospital and approved it as an LTACH subject to a probationary period.

Executive Session

After adopting the following motions enabling it to meet in Closed Session, the Transitional Care Hospital Board went into Executive Session at 11:25 a.m.:

That the Medical Center Operating Board into closed meeting to discuss proprietary, business-related information pertaining to Transitional Care Hospital, specifically confidential information and data related to the adequacy and quality of professional services, patient safety in clinical care, and patient grievances all for the purpose of improving patient care; and, in consultation with legal counsel, the Transitional Care Hospital's compliance with relevant federal reimbursement regulations and licensure and accreditation standards, which will also involve proprietary business information of the Transitional Care Hospital, and evaluation of the performance of specific Transitional Care Hospital personnel and where disclosure at this time would adversely affect the competitive position of the Transitional Care Hospital. The foregoing motion is authorized by Sections 2.2-3711 (A) (1), (7), and (22) of the Code of Virginia. The closed meeting of the Medical Center Operating Board is further privileged under Section 8.01-581.17 of the Code of Virginia.
