BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING: November 11, 2011

COMMITTEE: Student Affairs and Athletics

AGENDA ITEM: I.B. Report on U.Va.'s Interdisciplinary Approach to Alcohol Misuse Prevention

ACTION REQUIRED: None

DISCUSSION: Dr. Jim Turner, Executive Director of the Elson Student Health Center, and Ms. Jamie Leonard, Director of the Office of Health Promotion at Student Health, will report on ongoing research and new methodologies that have been adopted at the University to mitigate abusive use of alcohol among students. This presentation will address the current status of drinking among U.Va. students in the context of comparable national data. The institution's approach to education and intervention will be reviewed. Longitudinal assessment data (e.g., randomized anonymous survey responses, Student Health clinical data, and U.Va. Emergency Department statistics) addressing alcohol use and behavior among students will be reported.

Ms. Laura Long, a U.Va. Peer Health Educator, will discuss ways in which students are provided with relevant information that encourages self-reflection, safer decision making and appropriate health care seeking behaviors. Ms. Long is a fourth-year in the College of Arts and Sciences, majoring in cognitive science with concentrations in neuroscience, linguistics, and cognitive psychology and a minor in biology. She is from Roanoke, Virginia.
DISCUSSION: Tony Bennett begins his third season as the men's head basketball coach. He joined the University's staff after three successful years as the head coach at Washington State University. In 2007, Coach Bennett was selected the Naismith Coach of the Year, he received the Henry Iba Award Coach of the Year, and he also was the recipient of the AP Men's Basketball Coach of the Year Award.

Director of Athletics, Craig Littlepage, will introduce Coach Bennett who will speak about the progress that is being made in building the men's basketball program.
