

March 27, 1998

The Educational Policy Committee of the Board of Visitors of the University of Virginia met, in Open Session, in the East Oval Room of the Rotunda on Friday, March 27, 1998; Ms. Elizabeth A. Twohy, Chair, presided. All Members of the Board were present.

The Committee considered one item presented as a Consent Agenda item, the change in title of a doctoral program in the Department of Biochemistry and Molecular Genetics in the School of Medicine. The Committee adopted a resolution approving the change and recommended it to the full Board for approval (see the Minutes of the Board of Visitors meeting of March 27-28, 1998, for the text of the resolution).

The Committee heard a report from Ms. Stallard, Dean of Continuing Education, on plans for a program which would offer the Bachelor's degree to adult part-time students.

Respectfully submitted,

Alexander G. Gilliam, Jr.
Secretary
