

December 5, 2002

The Medical Center Operating Board (MCOB) was polled by e-mail on December 5, on an item that had been scheduled for action at the MCOB meeting set for that day but canceled because of bad weather. Because of a hospital accreditation requirement that action on this item be taken by the weekend of December 7-8, the item was considered in this way rather than in an actual meeting, a meeting which could not be rescheduled until after the weekend.

The item in question involved the credentialing of certain staff at the Medical Center.

Members of the MCOB agreed to the following resolution approving the appointments. A list of those persons approved is attached to this note.

APPROVAL OF CREDENTIALING AND RECREDENTIALING ACTIONS

RESOLVED that the Credentialing and Recredentialing Actions, as recommended to the Medical Center Operating Board, are approved (see Attachment).

Respectfully submitted,

Alexander G. Gilliam, Jr.
