

The Edgar and Eleanor
SHANNON FOUNDATION
for Excellence in Public Education
Charlottesville/Albemarle

Each spring, the *Edgar and Eleanor Shannon Foundation for Excellence in Public Education: Charlottesville/Albemarle* asks each of its current grant recipients to summarize his/her project and its results in a short report to the Foundation. We are particularly interested in discovering whether the funds we provided to each teacher made an appreciable difference in the quality of students' learning.

Please answer briefly the following questions as they relate to your funded project. Please feel free to make additional comments to clarify or expand upon your or your students' experiences as participants in the project.

Name: _____

Project Title: _____

Teaching Assignment: _____

School: _____

Current Address: _____

Current Phone: _____

1. Were there any significant changes in the project budget? If so, was the grant provided by the Shannon Foundation sufficient to cover those changes? _____

2. How did the target group benefit from the project? _____

3. How well did the project serve its intended purpose? _____

4. Briefly describe a memorable student learning activity associated with the project. _____

5. Briefly describe the products resulting from the project. _____

6. Briefly describe any significant alterations in the proposed timeline for the project: _____

7. How have student results measured up to your predictions? _____

8. Using the evaluation techniques outlined in your grant proposal, briefly report on the project's overall outcome. Were any results particularly surprising? Favorable? Disappointing? _____

9. Please complete the following sentence: "This project has helped me become a more effective teacher by..." _____

10. Please complete the following sentence: "This project has helped my students become more effective learners by..." _____

11. Was the reimbursement process for grant expenditures convenient? If not, please comment. _____

12. Will you repeat this project in future years? Why or why not? _____

13. Would you apply for another Shannon Foundation grant? Why or why not? _____

14. Describe any opportunity you had to publicize your project and/or the Foundation's support.(Provide copies if available) _____

Thank you for your time in reporting to the Foundation on your project. We congratulate you on having been a 1999-2000 grant award recipient, and invite you to apply for future Shannon Foundation grants.

Please return your completed report by **July 1, 2000** to:
