

10. CURRICULUM VITAE: Please attach a one page resumé or curriculum vitae indicating educational background (including any honors awarded), related work experience and current position and title (including a description of duties), and any other information you feel is relevant to your application.

11. HEALTH: The Rhodes Academy cannot assume responsibility for any medical expenses incurred by an individual while attending the Academy. Therefore, applicants who are accepted to the Rhodes Academy may be asked to provide a health certificate or proof of health insurance coverage. *This is not a prerequisite for applying.* Applicants to the Rhodes Academy must accept full responsibility for their health and related expenses while in Greece.

12. LANGUAGE REQUIREMENT: All courses at the Rhodes Academy will be taught in English. Therefore, applicants whose first language is not English should provide evidence of reasonable proficiency in English. Examples of evidence of proficiency in English include a passing TOEFL (Test of English as a Foreign Language) score, participation in similar programs, scholarly publications in English, a certificate of English from the individual's Embassy, or letters from persons familiar with the individual's abilities with English.

13. STATEMENT OF PURPOSE: In the space provided below, or on one separate sheet, please provide a statement of purpose setting out your reasons for attending the Rhodes Academy. The Statement should include the relevance of the Academy to your personal and/or professional goals, and past or anticipated future experience.

14. LETTER OF RECOMMENDATIONS: Your statement should be supplemented by two brief letters of recommendation from individuals familiar with your qualifications.

15. SCHOLARSHIP: If you are applying for a travel grant or scholarship, please provide a statement of financial need on a separate sheet. You should note other sources of relevant financial support and any other evidence you feel would support your application. Note that a limited number of travel grants and scholarships are available based on academic merit and financial need. We expect to offer up to three travel grants and partial scholarships to highly qualified marine scientists from developing countries. Somewhat more, but a still limited number of partial scholarships are available for tuition, half board and accommodations while in Greece.
