

FOCUS ONLINE

Saving travel or too busy to attend?
Go virtual!

Join the FOCUS sessions in a webinar format. You can attend the presentations and breakouts from the convenience of your office, or gather a group around the conference table.

You can teleconference in and watch real-time presentations online, all for the cost of a long distance phone call.

Pick the individual sessions you want to attend!

Note: Some sessions are for FOCUS institution members only or may be limited to attendees due to presenter request!

To Register: Go to <http://www.focusva.org> and click on **FOCUS On-line**

Note: Attendance online does not currently qualify for CPE credits
