

THE ANN O'BRIEN LEONE SCHOLARSHIP

PART I

In 1998 Joseph Leone established a memorial scholarship honoring the life of Ann O'Brien Leone. The scholarship will be awarded to a student enrolled in the University of Virginia who demonstrates the broad intellectual interests and qualities of leadership and citizenship envisioned by the University's founder. The recipient of the scholarship should share Ann's love of the University and her passion for scientific research. Preference will be given to a student engaged in a course of study that leads to a career in pharmacological research, but this is by no means a requirement.
