Re: Education Foundation of the Engineers Club of Hampton Roads Scholarships for 2010-2011

Dear Sir/Madam:

Each year the Education Foundation of the Engineers Club of Hampton Roads awards scholarships to deserving engineering students from the Hampton Roads area. We typically offer scholarships of approximately \$1200.00 - \$1600.00 each depending upon the number of qualified applicants.

The Education Foundation will select students on the basis of the following criteria:

- a. Resident in the Virginia Peninsula or South Hampton Roads.
- b. Enrolled in an engineering or engineering technology degree program.
- c. Undergraduate students are enrolled full time and have at least attained **Junior year status**. Graduate students can be either part or full time.
- d. Character and Integrity based on references.
- e. Evidence of satisfactory scholarship ability to do engineering work.
- f. Need for financial assistance.

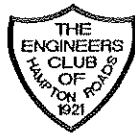

Members of the immediate family of the Club or the Foundation Board of Directors are not eligible for scholarship awards.

Married applicants shall include incomes of both applicant and spouse shown separately under **Gross Income, Non-Taxable Income, Student** on the application.

Interested students should complete and return the enclosed application with transcripts of all college work no later than June 12, 2010. We will notify successful applicants by mid-September 2010. Applications may also be requested at [www.echreducationfoundation.org](http://www.echreducationfoundation.org).

Sincerely,

Louis M. Cherwa, P. E.  
Secretary/Treasurer
