Dear Sir/Madam,

The Susan G. Komen Breast Cancer Foundation is one of the nation's largest private funding sources for breast health and breast cancer research. Our mission is to eradicate breast cancer as a life-threatening disease by advancing research, education, screening and treatment.

The Komen Foundation is currently accepting applications for the College Scholarship Program.

The program offers college scholarships of up to \$10,000 a year, over a four-year period. Application guidelines and instructions are included in this announcement.

In order to be eligible an applicant must be the child of a parent who has died from breast cancer, live in one of the counties listed in Attachment A, exhibit financial need, and plan to attend a state-supported college in Virginia. The Foundation believes that breast cancer affects not only the individual but also the family. This Award is one way we recognize that affect and address the resulting needs.

The competition will be conducted through Komen Headquarters located in Dallas, Texas. The Greater Richmond Affiliate of the Komen Foundation will select a candidate from among applicants for the scholarship in our service area.

If you know of students in your school that might be eligible for this award, please provide them with the enclosed Award application or you can access the application on line at www.komen.org under "Grants and Funding" and "More Awards and Programs." Please note that the Award application deadline is November 1, 2006.

Sincerely,

Judy Adams
Executive Director
Greater Richmond Affiliate
