Federal regulations give Student Financial Services the ability to adjust a student's Cost of Attendance (COA), on a case-by-case basis, for the purchase of a computer for educational use. **The maximum COA increase for the purchase of a computer is $3,000, which may include the cost of a printer and other peripheral devices.**

The computer expense must be paid by you or your parents within the academic year requested. You will need to ***ATTACH*** a copy of the vendor's estimated price sheet or receipt of purchase to verify your computer expense. We will post a revised award amount to the Student Information System. By increasing your COA, you may become eligible for additional loan money in the form of Parent PLUS, Graduate PLUS, Stafford or Private Loans.

NOTE: *This process will NOT make you eligible for (more) grant funds.*

I request my cost of attendance be increased in the amount of $_____ to cover the cost for the purchase of a computer for the 2009-2010 academic year. I have ***ATTACHED*** a vendor's price sheet/receipt as verification of my expense. I understand that this COA increase for the computer expense is permitted only once, on a case-by-case basis, and is limited to $3,000. I also understand that if I submit an application to the Laptops for Students Program, this information will be reviewed by the Committee members, which may affect their decision to either deny or grant me a laptop. Additionally, if I decide to purchase another computer during my enrollment at UVA, it will be at my own expense.

You have indicated on the University Financial Aid Application Intent Page that you would like an increase to your Cost of Attendance Budget for the cost of a computer. Please mail or fax this page along with your vendor's price sheet/receipt. In most cases, students have already received the maximum amount of Stafford Loan, so the most likely loan options are the Parent PLUS, Graduate PLUS or Private loans. The Parent PLUS loan has a separate application. Private loans applications are available with the lender.
