**Requirements for the Degree of Master of Arts in French**

**Coursework**

- **minimum: 30 credits (10 courses)**
- **must include Proseminar (as Field A or Field B with instructor permission, or as elective). Students may petition for exemption from Proseminar, but such exemption will stand as a decision not to pursue doctoral work in our department. With the permission of the DGS, a literary theory course offered outside the Department may replace FREN 700 (Proseminar) and may count as a Departmental course for Field A or Field B or elective credit; in this case, the student will still be allowed to take two courses outside the Department.**
- **students may elect to write a Master's Thesis, for which they will enroll in FREN 598 and 599; all 6 credits count toward the required 30 and 3 credits may be applied to the course distribution requirements.**
- **all courses must be taken at the 500-level or above.**
