## II. Third Annual Crimson War Blood Drive

The Crimson War is an annual blood drive sponsored by the Inter-Fraternity Council against the University of Maryland. Last fall, the University and Charlottesville communities, in conjunction with Virginia Blood Services, collected a record breaking 824 units of blood in our victory. The event stemmed local blood shortages in the Commonwealth, and helped over 2400 people. In the wake of the new critical circumstances, the blood supply in Virginia is once again diminished, and your help is needed.

This year's Crimson War begins on Monday, October 9<sup>th</sup> and has the potential to save thousands of lives. Each day, there will be "Bloodmobiles" in front of the Chemistry Building and Clark Hall as well as a venue at Westminster Presbyterian Church (190 Rugby Road) accepting donations. Hundreds of hours have already been put into coordinating this event - all we need now are donors. In addition to saving lives, all participants will receive a free 2006 Crimson War T-shirt. This is our chance to come together and send the powerful message of compassion, caring, and service not only to the University and Charlottesville communities but also to the Commonwealth.

Monday, October 9<sup>th</sup> – Friday, October 13<sup>th</sup>  
Virginia Blood Services Donor Center (2401 Hydraulic Road)  
Westminster Church (190 Rugby Road)
