III. OFFICER REPORTS
A. VJ Jenkins—Vice Chair for Community Relations, CLAS
   a. One of our Support Officers is founder of job day here. This will be a dialogue on February 5th in the Commonwealth Room in Newcomb. More information will be forthcoming.
   b. Honorable Mention is something VJ will be emphasizing this semester. This is especially valuable for those in underrepresented schools.
   c. There may be a Sustained Dialogue event coming up in the future.
   d. We will be co-sponsoring Black Ball, which has historically been part of the African American community here. This will be held 02/13/16. We will also be co-sponsoring Restoration Ball this year and funds will go toward the Rotunda Restoration.

B. Caroline Herre—Vice Chair for Education, ARCH
   a. House Bill 803 from Delegate Rick Morris has re-introduced a bill, which would generate the possibility of legal counsel presence and participation in some of our Hearings. This could lead toward a lack of representation for students who could not afford it. Caroline went to Richmond this past week to speak out against the bill, which went well.
   b. At Pool tonight the various proposals were discussed and Caroline received a lot of feedback from them.
   c. Students committed to Honor will be having their first meeting next Sunday—please come!

C. Avery Rasmussen—Vice Chair for Investigations, COMM
   There are 15 active investigations currently. Many are in the IR period currently, so staffing needs will be forthcoming.

D. Russell Bogue —Vice Chair for Hearings, CLAS
   This Saturday, Austin is Hearing Chair and Sarah will be Official Observer for an upcoming Hearing. There are two additional Hearings this month, which already have staffing. One is a mixed panel with Committee members already assigned.

E. Faith Lyons —Chair, COMM
   a. UBE extended their quiz deadline to this Wednesday. This will hopefully lead to a higher turnout.
   b. The survey team will be presenting to Committee next week.
c. In the upcoming weeks we will be presenting to Student Council. In addition we will be reaching out to College Council. These are all efforts to get the vote out.

IV. REPRESENNATIVE REPORTS
