To Members of the University and Charlottesville Communities:

On May 13th, 2017, a rally was led by Richard Spencer at Lee Park in downtown Charlottesville. The protesters used white supremacist rhetoric in an attempt to marginalize and intimidate minority voices. These actions are in direct opposition to the fundamental principles of our Community of Trust, and the Honor Executive Committee stands firmly against this. Honor exists to uphold the principles of inclusivity, diversity, and integrity- we will always work to validate the identities of everyone within our community.
