

Search for Classes

To find classes for the upcoming term, use SEARCH in your Faculty or Student Center.

 You must identify at least two search criteria to execute a search.

1 Search Criteria: The most popular search criteria are grouped at top, including department, college area requirement, and location (for SCPS courses).

 To view all classes in a department, use DEPARTMENT and one other search field.

2 Select Subject: Click on the “select subject” tab to browse through available course subjects, or enter the course subject directly.

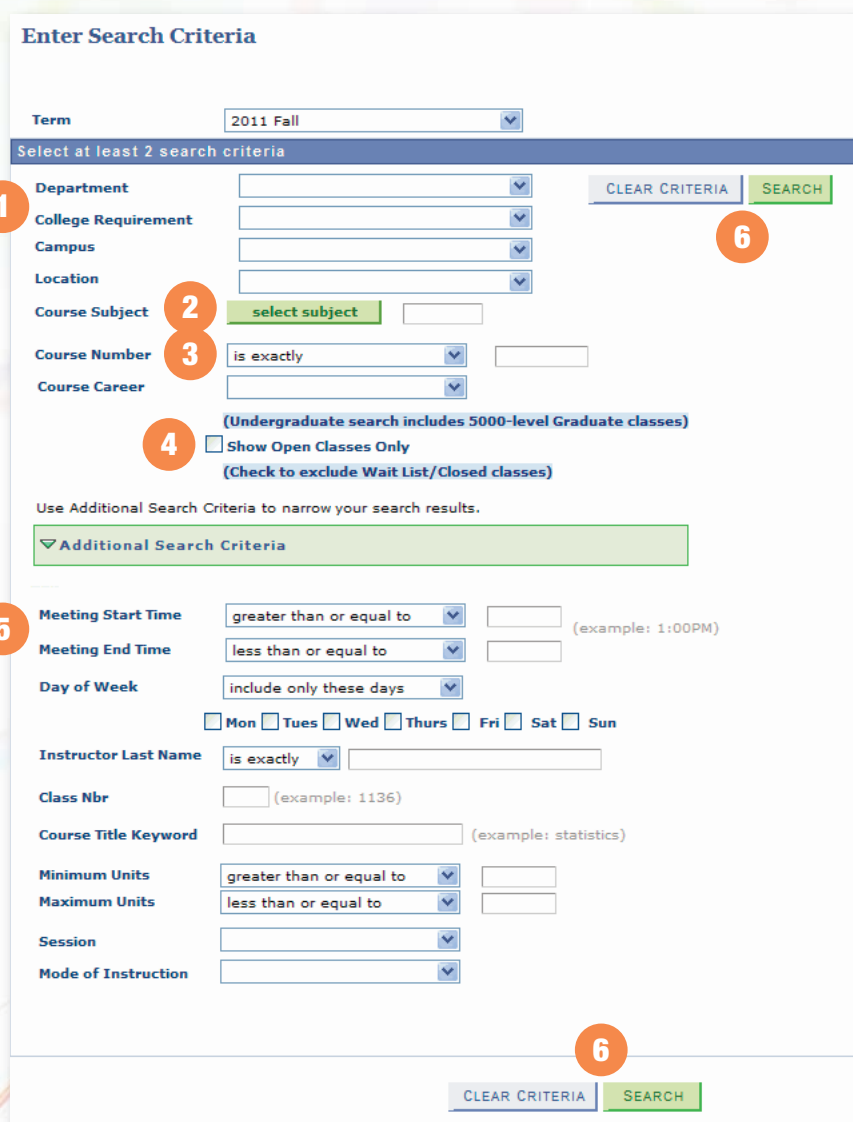

3 Course Number/Career: Here you can limit your search by course number or course career.

4 Open Classes: You can limit your search to show only classes that are still open.

 Check this option to exclude closed and wait listed classes.

5 Additional Search Criteria: Other search options include time, day, instructor name, and keyword.

6 Search: Click here to perform search.

The screenshot shows the 'Enter Search Criteria' form with the following fields and callouts:

- 1** Department (dropdown menu)
- 2** select subject (button next to Course Subject field)
