Career Development Group Learning Program

Program Description:

This group learning program consists of 4 half-day sessions in which various resources and strategies for developing your career are explored. In the first session you’ll use assessments to gain a clear understanding of your skills, interests and strengths. In session 2, explore UVA’s Career Compass and Job Structure and also the popular practice of behavioral interviewing. In session 3, you’ll construct a professional-looking resume and cover letter and discuss networking methods. The final session focuses on developing your interviewing skills and goal setting.

This group learning program is designed for individuals with similar development goals that participate together and learn from each other as they build connections throughout the program.

Program content:

Day 1: Assessments
