

Arabic Placement Test

Placement tests of various levels will be administered to those who have studied Arabic previously, or who come from Arabic-medium schools at the start of the Fall semester of every academic year. The purpose of the test is to place at the proper level students wishing to pursue the study of Arabic, or to exempt them from the foreign language requirement. Tests are only in Modern Standard Arabic and will consist of two parts: written and oral.

Arrangements to take the test must be made individually with the Director of the Arabic Language Program at the Department of Asian and Middle Eastern Languages and Cultures. E-mail enquiries are to be directed to Professor Mohammed Sawaie at ms@virginia.edu
