Proceedings

The meeting was called to order at 2:20 pm

Business

- Alice “Sue” Chisholm has resigned from the committee.
- 2010/2011 Budget Revisions
- 2011/2012 Budget Assumptions
- Permit fees (lower and mid-level) have remained stable since 2007. Medical center has announced a $5 increase for their parking which was last updated in summer 2010. A modest permit fee increase was later discussed, based on the necessity, maintenance, safety, and quality of the services provided.
- Asphalt and Structure repairs are be prioritized around grounds based on a 5 year plan. Most specifically mentioned was the treatment and prevention of water infiltration damage on the proposed parking garages controlled by P&T
- The Bus Fleet will be expanding by 5 buses over 4 years, and the replacement cycle for older buses will go down from 15 to 12 years over the next decade.
- A 10-year outlook was presented, discussing the rate of fee acceleration, fuel prices, and construction impact.
- Northridge and Fontaine began paid permit parking on 2/1/11
- Anup Myneni presented a power point highlighting student concerns voiced in surveys and on “Speak Up UVA”. The following is based on what was presented, and how it was discussed by the committee
  - CIO Temporary Parking Passes for Events, improve communication lines to make this more accessible
  - Crosswalk Lights.
  - Guest parking for students family/friends (specifically overnight)
  - Lower night rates at Central Grounds Garage – Alert students to the fact that parking from 10pm – 8am is $1 for the entire time.
Concerns about the future accessibility of Culbreth Rd. Garage. No date was mentioned for the gates to close, but the gates will only be down during the days until June 2012, according to Becca White.

- Some signs are unclear, request for some painted curbs
- Request for more evening parking around Academic Buildings
- Graph Statistics related to:
  - Parking Pass Ownership
  - Saferide
  - Parking times
  - UTS ridership
- Chief concerns came down to; commuting, night parking and safety

The meeting was adjourned at 3:10 pm.
