Updates:

• Rebecca White introduced Shaun McCready. Shaun is currently working as the Assistant Director of Operations, however once Ms. Virginia Rorrer retires, he will be the Assistant Director for Facilities and Operations.
• The budget was approved be Leonard Sandridge. Next the UVA Board of Visitors will discuss tuition and fees in a meeting in April and then the final budget will be approved.
• The next meeting will be held in conjunction with the Safety and Security Committee. It will be held on April 16th at 12:00pm at AFC. Please email Mark Fletcher with any topics you would like discussed at the meeting.
• U2 is coming to Charlottesville. The exact date is not yet known. Meetings are already underway in order to prepare.
• IVR discussions are still taking place. The provider has proposed a plan that would save money during the peak months (5-6%) but would actually increase the costs during off-peak months. However, CTS is seeking funding to bring the IVR in-house. UTS would be able to integrate into that.
• Major disruptions on Whitehead and Stadium Roads are near complete. P&T’s website has up-to-date construction updates to keep students, faculty and staff informed of any changes.
• The Comprehensive Collection Strategy is still being worked on.
• The attached spreadsheet includes CavPool numbers as well as UVA ridership on CTS.

Meeting was adjourned at 3:05 pm
