- February minutes were reviewed and approved

Old Business:
- **CTS Open Ridership Program** - will start on Monday, April 2\textsuperscript{nd}. Faculty, staff and students can present their ID for free ridership.
- **Permit rates** - rates for 2007-2008 will be announced via the P & T website and Employee Council on 3/26, The Link on 3/26, Inside UVA 3/30 and permit renewal letters will be sent out mid-April.
- **Salary Based Permit Fees** - questioned again, further follow up will be discussed at the April meeting.

New Business:
- **Online renewal** - test site is up and running for the 2007-2008 renewals. The site will work to go live the week of April 16\textsuperscript{th}. Current testing is ongoing with P & T staff. The website will inform each faculty, staff or student of the process they will need to complete in order to renew online.
- **GPS** - Mike Goddard, Transportation Demand Management (TDM) Professional at UVA Parking and Transportation made a presentation on TDM with a focus on GPS. The benefits of Global Positioning Systems on the UTS buses were discussed with an eye towards creating better estimates on arrival times, the ability to keep track of volume, and increasing safety for riders. Areas of concern include cost, theft and vandalism of equipment and maintenance. Currently P & T is looking at two companies, Connexionz and NextBus. Connexionz offers a better price and is currently used by the University of Maryland and the City of Charlottesville. NextBus is more expensive and currently used in Arlington and...
by Metrobus. P & T is due to meet with Connexionz this coming week to discuss their product.

Meeting was adjourned at 3:00 pm. The next meeting will be April 18, 2007 at 2 PM. The agenda will include student issues with Parking and Transportation as well as web development and a summary of the meeting with Connexionz.
