Proceedings
Meeting called to order at 2:10 pm.  Introductions were made by Becca White and Mark Webb.

Business

•  Becca White provided Parking and Transportation updates.
  o  Work is being done on several garages to make improvements.  Repairs were just completed on the McLeod Garage.  Minor repairs will begin on the Lee Street garage and will lead into larger repairs beginning in the spring of 2012.  Gates in the Culbreth Garage are now down from 6 am to 4:30 pm.
  o  UTS created the Hereford/IRC route to provide morning service for students needing to get to Central Grounds.
  o  Zimride has been launched at UVA.  Zimride is a private ridesharing network for UVA.
  o  P&T will be having its audit for E3 status on November 2\textsuperscript{nd}.
  o  There is a possibility that there could be a bikeshare grant that would allow UVA to have 11 bikeshare stations, housing 100 bicycles.
  o  License Plate Recognition has arrived.  Currently, P&T is learning to use so it can be best utilized.

•  The agenda for this upcoming year was discussed.  Issues to be covered will be handicap parking and service pass regulations.  Student issues and the P&T budget will be covered as well.  If anyone has additional suggestions, please let Mark, Becca or Nicole know.

Meeting was adjourned at 2:55 pm.
