Transportation and Parking Committee
Meeting Minutes
September 12, 2007
Darden Room 126

Committee Members

Present: Ron Price (Chair), Becca White, George Cahen, Carole Lohman, Mark Fletcher, Bill Ashby, Tom Leback, Alan Cohn, Jo Lawson, Tomer Vandsburger

Absent: Michael Coleman, Len Schoppa, Reba Camp, Marci Stewart

Guests:
Yoke San Reynolds, Vice President and Chief Financial Officer
Andrew Mansfield, Associate Director, Parking and Transportation
Nicole Smith (assisting P & T with minutes)

Proceedings:
- Meeting was called to order at 2 pm by Chair, Ron Price
- Ron Price thanked everyone for returning to serve on the committee and introduced guest speaker, Yoke San Reynolds

Old Business:
- There was no old business

New Business:
- Guest Speaker, Yoke San Reynolds-thanked everyone for serving on the committee and reviewed the mission for the Transportation and Parking Committee. The committee serves to give advice on policies both financial and operational. It should also serve to improve the lines of communication to the University community.

- Construction updates:
  - South Lawn- B1 closed on 6/22/07. 300 Permit holders were moved to various lots including K2, C1(permit holders with disabilities), E3, T4, Emmet/Ivy, etc.
  - Arts Ground Garages-Due to be completed in February 2008 with 575 spaces. Permit holders assigned will include displaced A9 permit holders, displaced permit holders, those on waiting lists, etc. After all of those spaces are filled, there will be a surplus of about 150 spaces.
  - Bavaro Hall- R3 lot will be permanently closed and this may impact the R6 lot. Currently the plan is to begin December 2007/January 2008. P&T is currently working with Curry leadership and Provost on the impacts of construction.
First Year Housing- new dorm will be completed Summer 2008 and the first years will shift to Hereford by fall of 2008. This will necessitate a change in UTS bus routes.

- Technology Updates:
  - GPS on board buses-implementation will start through the Fall semester. Go-live is scheduled for January 2008. There has been a tremendous amount of press interest in this.
  - Emmet/Ivy Garage- Implementation of “nesting”, an electronic way of tracking compliance with upper level parking for storage parkers, is scheduled for Fall 2007.

- Transportation Demand Management Updates (TDM):
  - Becca White presented a chart showing the upwards trend of the Open Ridership Program on CTS.
  - TDM study is going to be conducted starting in the Fall to survey mode split and gather opinions.
  - Regional Transit discussions are ongoing with UVA’s participation.
  - Car Sharing Initiative- P&T has contacted both Flex and Zip Car to pursue implementation at UVA. ACCT (Alliance for Community Choice in Transportation) is also interested in implementation as well.

- Other Operational Updates:
  - Becca White presented a chart showing P&T Year End Financials
  - P&T is now participating in New Employee Orientation; at orientation new employees are given an overview of P&T’s role within UVA.
  - Becca White also presented the current Organizational Chart for the department showing that all positions are filled with the exception of the Assistant Director for Transportation Services.

The meeting was adjourned at 3 pm.
