Non-Academic Work Experience

Research Associate, Policy Studies Associates, Washington, DC, 2001–2003
Contribute to design, analysis, and administration of studies in education and youth development for government, public sector, and corporate clients. Wrote successful proposal for, and currently co-managing administration of, a large-scale study of civic engagement among alumni of City Year, a national service organization. Develop research designs and data collection instruments, conduct quantitative analysis of survey and administrative data, conduct in-depth interviews and site visits, and facilitate focus groups. Consult internally on research design, sampling, data analysis and interpretation, and reporting. Programmed routines for analysis of complex survey data and graphic presentation of results in Stata.

Senior Associate, The Campaign Design Group, Washington, DC, 1990–1994
Served as a general consultant to Democratic campaigns. Analyzed public opinion polls, election return data and qualitative data on the candidates, voters and district to develop a strategy and tactics for victory. Wrote campaign plan for Barbara Boxer's 1992 U.S. Senate campaign. Managed the development of a computerized campaign simulation based on national voter survey data. Participated in presentations of this and other campaign training programs. Managed and served as lead writer for *Campaign Groundwork: Strategy, Planning, and Management*, a campaign planning textbook.
