

3 • Tuition, Fees, Housing, and Dining

Tuition and Fees

University tuition and fees, listed below, consist of the tuition and required fees, as well as a student activities fee. The student activities fee subsidizes activities approved by the Student Council, such as publications, club sports, and service organizations. In addition, students enrolled in Architecture, College of Arts and Sciences, Commerce, Education, Engineering, and Nursing are required to pay special school fees. These special fees are listed below by school. Tuition is based on the student's residency classification (i.e., Virginian or non-Virginian). **University tuition and fees are subject to change.**

Tuition, Required Fees, and Activities Fee

Academic Year (2 Semesters)

Virginia Students

Tuition and required fees	\$7,133
Activities fee	47
Total	\$7,180

Non-Virginia Students

Tuition and required fees	\$24,053
Activities fee	47
Total	\$24,100

School Fees

Academic Year (2 Semesters)

Students enrolled in the schools listed below are required to pay a fee in addition to the tuition, required fees, and activities fee listed above.

School	Fee
Architecture	\$53
College of Arts and Sciences	6
Commerce	55
Education	10
Engineering and Applied Science	10
Nursing	15

Note: For the fall semester only, all first year and transfer students will be assessed a \$190 orientation fee. International Students will be charged an additional \$50 per semester.

Waiver of Tuition and/or Fees The following qualified individuals may request a waiver of a portion or all of the tuition and fees associated with attendance at the University of Virginia. This waiver must be requested each semester from the Student Accounts section of Student Financial Services. Individuals who waive their fees relinquish entitlement to use the facility or activity that the fees support, and their student identification cards are deactivated accordingly.

Employee Waiver Program University of Virginia full-time salaried faculty (9- or 12-month), ROTC faculty, full-time staff and health care professionals who have been employed for one year or more may request the waiver of tuition and fees for enrollment in one course per semester. This waiver must be requested prior to the end of the registration period for that semester.

This waiver policy (760.800) is not applicable to non-credit or audited courses, non-topical research credits, books, or study material costs. The course for which the waiver is obtained must be completed with a passing grade or better. Otherwise, the University must be reimbursed for the waived charges within 30 days of the issuance of grades. Students must pay all charges incurred if they withdraw from a course.

Faculty Spouse The spouse of a full-time University faculty member may elect to waive the athletics and/or student health components of the required fees.

Registration and Payment

Fall and Spring Semester Registration

Registration is completed by using ISIS each semester. Instructions for registering are available on-line at www.virginia.edu/registrar. Upon completion of the registration process, an individual is classified as a registered student. Not attending classes does not alter the registration status or the assessment of tuition and fee charges. Once registered for a semester, a student may terminate registration only through official withdrawal from the University.

Payment and Late Payment The final date for payment of student account bills for University charges is printed on the bill mailed to the student. The payment due date for the fall semester is August 12, 2005; for the spring semester, it is usually in the first week of January. Failure to receive a bill does not waive the requirement for payment when due. Any student who fails to pay the amount due by the specified payment due date is charged a late fee as follows:

Late fee	\$50 or 1.5% of the past-due amount (whichever is greater)
----------	--

Late fee for TAs, RAs, and Veterans \$10

Students are billed for late fees in the next billing after registration. Requests for waivers of late fees due to extenuating circumstances are to be made in writing and must be received by Student Financial Services by the late fee due date. Failure to receive a bill is *not* a legitimate reason for late payment.

Checks returned for insufficient or uncollected funds are immediately redeposited by our bank. Payment of tuition and fees by a check returned from the bank will incur a late fee if the repayment is not received by the published deadline. A \$20 service charge will also be assessed. Postdated checks should not be submitted; each check is immediately processed for payment regardless of its date.

The University does not accept credit card payments for tuition, fees, housing or dining charges.

Special Arrangements for Students

with Learning Needs or Disabilities Special tuition arrangements are possible for students who must take fewer than nine credits due to a diagnosed learning need or disability. Such students must contact the Learning Needs and Evaluation Center at (434) 243-5180 for a review of their situation and must have their reduced course load approved by the dean of their school.

Installment Payment Plan In conjunction with a private vendor, the University has developed an installment payment plan. For an annual fee of \$60, University tuition, fees, housing, and dining charges may be paid in ten monthly installments. The final date to enroll in the payment plan is July 29, 2005. For complete details, contact Tuition Management Systems at 800-722-4867 or www.afford.com.

Withdrawal from the University

Tuition and Fees Students who withdraw from the University are charged a percentage of the tuition and fees based on the school week within which the withdrawal occurs. A school week is defined as the period beginning on Monday and ending on the succeeding Sunday; the first school week of a semester is defined as that week within which final registration concludes. The effective date of withdrawal is determined by the dean of the school in which the student is enrolled and is recorded on the official withdrawal form that the student must complete as part of the withdrawal process. In the College, the effective date of withdrawal is the date that the student informs the association dean of his or her intent to withdraw from the University. The schedule for allocation of tuition and fees between amounts charged and amounts credited is listed below. This schedule is subject to change.

School Week	Percent Charged	Percent Credited
1	20	80
2	20	80
3	30	70
4	40	60
5	50	50
6	60	40
7	100	0

Any refunds owed to the student as a result of withdrawal are first offset against any other amounts owed to the University.

Students who receive financial aid and withdraw prior to the completion of 61% of the enrollment period must repay Title IV funds (i.e., PLUS, Perkins, Subsidized, and Unsubsidized Loans; Pell, SEOG, HETAP, and CSAP Grants). To determine what percentage of aid the student has earned, and what percentage must be returned, Student Financial Services will divide the number of days the student attended by the number of

days in the enrollment period. For details or examples, contact Student Financial Services.

Residence Hall Rent No refund of residence hall rent shall be made in the event of withdrawal after the fifth class day of each semester. Upon vacating student housing facilities, a student must return the room key to the student accommodation office. The date the room key is returned to the student accommodation office is the effective termination date of the student housing contract.

Other Fees and Special Charges

Damage to University Property The student or students responsible are charged at the cost of repair or replacement.

I.D. Replacement Fee A fee of \$15 is charged to replace a lost, stolen, or mutilated student I.D. card. Payment must be made at the time of replacement.

Returned Check Service Fee The University assesses a \$20 service fee for all checks returned by the bank as non-negotiable. Checks are automatically redeposited by the bank once before they are returned to the University.

Diploma Fees Replacement and duplicate diplomas may be obtained upon payment of a \$50 fee plus a mailing fee.

Transcript Fee A fee of \$4 is charged for each transcript of a student's record. Payment must accompany the request.

Late Registration Fee Students who register within two weeks after the prescribed registration date will be assessed a \$25 late fee. Students who register more than two weeks after the prescribed registration date will be assessed a \$50 fee.

Late Payment Fee Any student who fails to make payment by the payment due date specified on the bill is assessed a \$50 or 1.5% of the past due amount (whichever is greater).

Late Payment Fee for TA/RA/Veterans Teaching assistants, research assistants, and veterans who fail to pay by the due date specified on the bill are assessed a \$10 fee.

International Services Fee All students attending the University under the F-1 or J-1 non-immigrant visa status are required to enroll for full time study in both the fall and spring semesters (12 or more credits for undergraduate students). Any change in visa or citizenship status must be submitted with original documentation to the International Student and Scholar Programs Office in Minor Hall. You are also required to obtain a Social Security Number if you will be receiving University-awarded financial support.

International Students may be charged a \$50 International Services Fee. The revenue will offset substantial increases in technology and staff costs associated with the implementation and operation of the federally mandated Student and Exchange Visitor Program and the associated Student and Exchange Visitor Information System (SEVIS). Further, the fees will ensure that the University is in com-

pliance with federal mandates, as well as supporting the International Studies Office to have an adequate number of highly skilled professionals that can address all student legal status issues.

Non-Resident Fee Students are charged a fee of \$125 for each semester they are on an approved leave of absence or each semester they are not enrolled for courses in a resident school but wish to maintain their matriculated status in the school. Students who are not engaged in any course work during the semester in which they expect to graduate must pay the non-resident fee.

Additional School Expenses Students in the School of Architecture have an additional expense of approximately \$150 for supplies. Students in the School of Nursing should consult Chapter 11 for a detailed explanation of personal expenses.

General Payment Policies

Payment at Registration Students are expected to satisfy all outstanding obligations to the University before they are permitted to complete registration. If outstanding obligations are not satisfied, courses are dropped after the end of the final registration period.

Failure to Pay University Financial Obligations Enrolled students may be suspended from the University for past due financial obligations. Suspension includes dropping of courses and prevention from course enrollment for future terms. Current students will have their debts offset against any credit balances and other proceeds, such as loan checks. Current and former students will have a financial hold placed on their academic transcript. Past due obligations are reported to the state for offset against state income tax refunds, state vendor payments, and lottery winnings, and may be reported to credit bureaus, referred to third party collection agencies or the State Attorney General, or litigated. Debtors may be assessed collection costs up to fifty percent of their debt.

Federal Loans The University participates in the Federal Family Education Loan Program. Further information on Federal Loans is available in chapter 3.

University Awarded Loans Proceeds from University awarded loans (e.g., Perkins, health professions, nursing, or institutional loans) are not distributed by check, but are applied directly to the student's tuition account. Undergraduates must be registered for at least twelve credits, and graduates for the number of credits specified on the loan application, to be eligible to receive credit from these loan proceeds.

Credit Balances Credit balances resulting from a scholarship, fellowship, or University awarded loan are refunded by U.S. mail to arrive on or about October 1 in the fall and February 1 in the spring, unless direct deposit is in effect. Credit balances resulting from the installment payment plan are refunded in mid-November for the fall semester and mid-April for the spring semester.

Credit balances resulting from overpayment may first be used to offset any other past due amounts owed the University. Credit balances of less than \$5 are not refunded unless requested.

The University offers direct deposit of credit balance refunds to students' bank accounts. Sign-up forms can be obtained from the payroll office or from the online UVa Forms Directory at <http://uvaforms.virginia.edu>. Direct deposit of credit balances is optional. If not chosen, checks are issued; however, creation of checks is a slower process than direct deposit.

Permanent and Local Addresses Student Financial Services uses the permanent and local addresses that are recorded in ISIS. It is the student's responsibility to maintain current addresses with the university registrar. Failure to update addresses on a timely basis may result in misdirected refund checks and bills. Undergraduate students' bills are mailed to the permanent address.

Special Billing Addresses Students may establish a billing address through Student Financial Services. Once established, this address overrides the permanent or local address for billing purposes. This address may be deleted each year prior to the mailing of fall bills in August.

Taxability of Scholarships and Fellowships The Internal Revenue Service (IRS) tax code permits the exclusion of scholarships or fellowships from income up to the amount used for the payment of course-related expenses (i.e., tuition, fees, books, supplies, and equipment). The IRS does not consider the cost of room and board to be course-related. Stipends or living allowances paid as part of a scholarship or fellowship are considered taxable income. The University is required to withhold taxes on such payments only to nonresident alien recipients not claiming treaty benefits. However, all recipients are required to report their scholarships and fellowships to the IRS by filing a yearly tax return and to pay the requisite taxes. These provisions apply to all scholarship and fellowship recipients of domestic source grants, regardless of whether the recipient is an undergraduate, graduate student, citizen, or nonresident alien. Students should retain receipts for tax deductible items. The University cannot provide tax counsel.

Auditing Courses Students currently enrolled for regular or non-topical research courses are not charged for audited courses. However, individuals not currently enrolled who wish to audit courses at the University must do so through the School of Continuing and Professional Studies and are subject to their rate schedule.

Senior Citizens In compliance with the Senior Citizens Higher Education Act, the University waives tuition and required fees for courses on a space-available basis. To be eligible, a person must be at least 60 years old, have been legally domiciled in Virginia at least one year before the semester begins, and must gain admission to the University.

To qualify as a full-time or part-time student for credit, the senior citizen's taxable income (for federal income tax purposes) the year prior to enrollment must not have exceeded \$10,000.

There is no income requirement if the senior citizen wants to audit a course offered for credit or to enroll in a non-credit course. No more than three courses per semester may be taken on this basis, but there is no limit to the number of semesters a senior citizen may be enrolled. Instructors have the option of determining whether students may or may not take their courses on an audit basis. Those who have completed 75 percent of their degree requirements may enroll for courses at the same time as tuition-paying students, rather than waiting until final registration is completed.

Veterans' Benefits The Office of the University Registrar is the University liaison with the Veterans Administration in matters concerning educational benefits available to veterans under the provisions of Chapters 30, 31, 32, 34, 35 and 1606. (War Orphans' benefits are handled through the scholarships/fellowships office in Student Financial Services, P.O. Box 400204, Charlottesville VA, 22904-4204; (434) 982-6000.)

Benefit information and application forms can be found on the VA Website: www.gibill.va.gov. Inquiries regarding how to start VA benefits during enrollment at the University and certification procedures should be directed to: Office of the University Registrar, P.O. Box 400203, Charlottesville VA 22904-4203; (434) 924-4138; or e-mail certify@virginia.edu.

Estimated Personal Expenses

Students should prepare and keep within a budget in order to develop the ability to utilize their resources effectively while living within their means. Instruction in the handling of checks and checking accounts is recommended prior to enrollment.

While the amount of money spent in meeting personal expenses at the University depends largely upon the resources and tastes of the student, the estimates given in chapter 3 are a helpful guide in the preparation of a budget. These estimates do not include expenses for clothing, travel, memberships in organizations, or recreation and entertainment. A reasonable allowance should be made for these items.

The University requires that all students carry year-round hospitalization insurance. This cost should also be included in a student's estimate of expenses.

Classification as an In-State Student

Eligibility for in-state educational privileges, including in-state tuition rates, is governed by Section 23-7.4 et. seq. of the *Code of Virginia*.

Applicants for admission apply for in-state status by completing the Application for Virginia In-State Educational Privileges, and returning it with the admission application.

Currently enrolled students apply for changes in residency status through the Committee on Virginia Status, University of Virginia, P.O. Box 400160, Charlottesville, VA 22904-4203. Applications must be received prior to the first day of class of the semester for which in-state privileges are sought.

Students classified as non-residents in current degree programs should contact the Committee on Virginia Status if they are considering applying for admission to other degree programs.

University Housing

The housing of students has been a prime consideration of the University since its founding. The University has two main goals in providing students with housing accommodations on Grounds. The first is to furnish students with a variety of housing arrangements at a reasonable cost. The second is to provide an environment in which each student may achieve the maximum realization of his or her potential—intellectually, socially, and physically. Attributes such as self-discipline, concern for the rights of others, mental and social maturity, and respect for public and private property are expected to be fostered in group residence situations.

As a part of the University's orientation and advisory system, all students entering any of the undergraduate schools directly from secondary school are required to live in one of the residence houses during their first year. After the first year in residence a student who wishes to live in University housing must enter the reapplication process. Upperclass housing is available in residence halls and apartments and these spaces are awarded through the room selection process. On-Grounds housing is readily available and is guaranteed for second year students.

Room Reservations—After the entering undergraduate student has been admitted to the University and has returned the housing application to the accommodations office, space is reserved.

The application serves as the student's housing agreement with the University. The student will be notified of the room assignment before the beginning of the session.

Room rent is charged by the semester and is due and payable upon receipt of a bill from Student Financial Services. All rental charges are subject to change.

All correspondence regarding University-owned accommodations for single students should be addressed to Accommodations, P.O. Box 400735, Charlottesville, VA 22904-4735; (434) 924-6873, Fax: (434) 924-3758; housing@virginia.edu.

Accommodations for Single Students

McCormick Road Houses Each of the ten residence houses on McCormick Road provides accommodations for approximately 140 first-year students in double rooms. Resident staff live in the houses, each of which has its own lounge. A mailroom, snack bar, laundry,

and recreation facilities are nearby. All rooms are wired for voice, data, and cable television.

Alderman Road Houses Two of the thirteen houses are hall style. The other eleven houses on Alderman and Observatory Roads accommodate approximately 120 first-year students in twelve suites; each suite consists of a central lounge, a bath, and five double rooms. A mailroom, dining hall, snack bar, and recreation facilities are nearby. Bedrooms are wired for voice, data, and cable television.

Bice House A newly-renovated eight story apartment building located southeast of the University on Brandon Avenue, housing approximately 280 students in two- and three-bedroom apartments. Each apartment is furnished. There is a large common area lounge, computer room, and laundry room on the ground level.

Dillard and Gooch Houses (Stadium Road) The nine structures comprising this complex accommodate approximately 650 undergraduate and graduate residents in suite arrangements. Each suite consists of a central living room, shared bath area, a microwave/refrigerator freezer unit, and, in most cases, six single bedrooms. A laundry, postal box room, and two large lounges with kitchens are provided in the complex. Bedrooms are wired for voice, data, and cable television.

Lambeth Field Apartments Located north of Central Grounds, this complex contains 102 two-bedroom apartments and seventy-two three-bedroom apartments. Each two-bedroom apartment houses four students, with double occupancy in each bedroom. Each three-bedroom apartment accommodates six students, with double occupancy in each bedroom. All apartments are furnished, and a convenience store is operated by the University within the complex. A laundry room and postal boxes are available. Bedrooms are wired for voice and data connection, and common rooms are wired for cable television.

Copeley III & IV Located on the North Grounds, these complexes contain 74 two-bedroom apartments. The apartments accommodate four students, with double occupancy in each bedroom. Each apartment is furnished with a sofa, chairs, a dining table and chairs, refrigerator, stove, single beds, wardrobes (each with a built-in chest), desks, and chairs. Laundry rooms and postal boxes are also available. Bedrooms are wired for voice and data connection, and common rooms are wired for cable television.

The Lawn Rooms on the East and West Lawn are part of the original Jeffersonian Academical Village. Undergraduate degree applicants in their final year are eligible to apply for these accommodations. A student selection committee determines who lives on the Lawn based on each student's scholastic and extracurricular achievements. All rooms are single, and each bedroom is wired for voice, data, and cable television.

Hench, Younger, and Mitchell Houses (Faulkner) This complex houses approximately 150 students. These accommodations are four-person furnished apartments comprised of a living room, a kitchen, four single bedrooms (one large and three regular), and a bath area. Laundry facilities, postal boxes, and a computer lab are also available. Bedrooms are wired for voice and data connection, and living rooms are wired for cable television.

Residential College System

Brown College Contains eleven houses comprised of air-conditioned suites occupied by two students who share bath areas with members of the adjoining suites. There are 288 spaces assigned in 144 suites.

Hereford College Consists of five houses containing a combination of single and double air-conditioned rooms equipped with a microwave/ refrigerator/freezer unit in each room, and have central baths on each floor. Two lounges are located on each floor (one equipped with a microwave). Kitchens are available in Johnson, Norris, and Whyburn Houses.

International Residential College This College is dedicated to intellectual exchange and learning among students and scholars of all nations, races and cultures. The college includes the Munford, Gwathmey, Lewis, and Hoxton houses and can accommodate 320 students.

Mary Munford and Roberta Gwathmey Houses Housing first-year and upperclass undergraduates, these two facilities contain a combination of double and single rooms, with kitchens and lounges on each floor and laundry facilities in each building. A computer room is located in Mary Munford. Bedrooms are wired for voice, data, and cable television.

Hoxton (Mosaic) and Lewis Houses Located adjacent to the Mary Munford and Roberta Gwathmey Houses, these houses accommodate 100 students in a variety of settings. Suites, double rooms, and single rooms are available. Lounge facilities, kitchenettes, laundry rooms, and postal boxes are provided, and residents have access to the computer room at Mary Munford. Each student bedroom is wired for voice, data, and cable television. Hoxton is home to the Mosaic House, a cross-cultural, living and learning experience.

There is a separate application process to live and participate in the residential college program. The application period typically begins in late fall for participation the following academic year. For details, contact Accommodations, P.O. Box 400735, Charlottesville, VA 22904-4735; (434) 924-6873; Fax: (434) 924-3758; Brown College online: www.virginia.edu/monroe; Hereford College online: www.virginia.edu/hereford.

Foreign Language Houses

The language houses at the University are designed to provide an opportunity for intensive language learning and cultural experi-

ence. Students are required to speak the foreign language at all times in the common areas; at least one native speaking graduate student typically lives with each language group. Students do not have to be language majors, but they must have an intermediate knowledge of the language to qualify for admission to the houses.

All language house rooms are wired for voice and data. Application and assignment to the language houses are coordinated through departmental contacts at the French department (924-7158), the German department (924-3530), the Slavic department (924-3548), the Spanish department (924-7159), the Italian department (924-7534) and the Asian and Middle Eastern Languages department (982-2304). For additional information, contact Accommodations (434) 924-6873, Fax: (434) 924-3758; housing@virginia.edu.

Russian Located at 102 Cresap Road, the Russian House is home to nine students. Double and single rooms are available. Common areas include a living room, a dining room, and community kitchen. Russian TV is broadcast via satellite. Visit the Russian House online at www.virginia.edu/slavic.

La Maison Française Located at 1404 Jefferson Park Avenue. Some 28 undergraduate students live together with several graduate students (one visiting from France) in either triple, double, or single room accommodations. Common areas include a dining room, a parlor, a library, and a seminar room. Visit La Maison Française online at www.virginia.edu/french/maison.

Max Kade German House Located at 583 Brandon Avenue (Bice House), the German House typically houses eleven undergraduate and one graduate students in double and single rooms. Common areas include a living room, dining room, and community kitchen. Visit the German House online at www.virginia.edu/german.

La Casa Bolívar Located at 1408 Jefferson Park Avenue, the Spanish House accommodates 24 students in 8 single and 8 double rooms, including a fully accessible (ADA compliant) room on the ground floor. Common areas include a kitchen, a dining room, a living room, and two sitting areas. Visit La Casa Bolívar online at www.virginia.edu/span-ital-port/La Casa Bolivar.

Shea House Located on the corner of Jefferson Park Avenue and Monroe Lane, the Shea House accommodates 76 students in six residential blocks comprised of both double and single occupancy rooms. These blocks or "pods" include one each for Arabic, Chinese, Hindi-Urdu, Italian, Japanese, or Persian. The House is ADA accessible and includes full laundry facilities, central heating and air conditioning, high-speed Ethernet connections in each student room, and spacious common areas. Food will be provided by ARAMARK and through one of the University's meal plans. Applications are available on line at www.virginia.edu/amelc/languagehouse.html.

Family Housing Accommodations

University Gardens This eight-building apartment complex north of Central Grounds on Emmet Street (U.S. Route 29) contains forty-one one-bedroom apartments and twenty-eight two-bedroom apartments. Furnished and unfurnished apartments are available.

Copeley Hill Apartments These accommodations of masonry construction, located northwest of Central Grounds, consist of 112 one-bedroom apartments, 112 two-bedroom apartments, and thirty three-bedroom apartments. Furnished and unfurnished apartments are available.

The Family Housing Association The association is governed by a council elected by residents from the various neighborhoods of the family housing communities. The FHA coordinates programmatic functions for the residents and serves as residents' liaison with the Housing Division and other agencies.

Requests for information regarding student family housing should be addressed to Family Housing, University of Virginia, P.O. Box 400735, Charlottesville, VA 22904-4735; (434) 924-7030, Fax: (434) 924-3758; housing@virginia.edu.

Privately Owned Accommodations

Students wishing to obtain housing off Grounds should consult the local apartment locator services: www.brac.com or www.uvas-tudentcouncil.com/offgrounds.

Housing Regulations

All students entering any of the undergraduate schools directly from secondary school are required to live on-Grounds in residence during their first two regular semesters at the University. The Director of Accommodations and the Director of Residence Life may authorize exceptions to this residence requirement in unusual circumstances.

Upperclass and graduate students may live in University accommodations on Grounds, in fraternity or sorority houses, or in privately-owned accommodations.

All rooms in University facilities are rented subject to the University Housing *Terms and Conditions of Residence*. This includes billing students for facility damages. When specific responsibility for damage cannot be determined, all costs are divided equally among the residents of that unit.

Students are strongly encouraged to obtain personal property insurance as the University is not responsible for damage to residents' property.

The following University housing rental charges are for the 2005-2006 session and are subject to change. For current rate information, contact (434) 924-6873.

Dining at UVa

Dining provides students numerous opportunities for meals and snacks from dining rooms, food courts, snack bars, and convenience stores around Grounds. The residential dining rooms serve three meals on weekdays, as well as brunch and dinner on weekends, while the food court locations are open until late at night to offer a wide variety of dining options. Dining locations are accessible to students with disabilities.

The University student identification card is the student's entry into the residential dining rooms. It allows students to use the meals and Plus Dollars in their dining plans, and tells them the current balances. If the card is lost or stolen, the card office must be notified immediately at 924-4508 to deactivate the card. A separate card is issued to students in the School of Continuing and Professional Studies.

Information about Dining is mailed to students in early summer, after having received notification of admission to the University. If additional information is needed, please contact Dining Plan Coordinator, Dining Services, P.O. Box 400312, Charlottesville, VA 22904-4312; (434) 982-5140, Fax: (434) 982-4995; dining@virginia.edu.

Dining Plan Options

Please note that the following descriptions of the dining plans do not include all relevant terms and conditions of the contract. Please refer to the dining brochure and the Annual Dining Plan Contract for complete details regarding dining plans, as well as nutrition counseling, Hoos in a Hurry, and other options.

Believing that a well-balanced diet is essential for good health, the University requires that all first-year undergraduate students participate in either the Unlimited, the Plus 15, or the Plus 13 meal program during the first semester. Second-semester first-year students may also participate in the Plus 10 plan with \$395 Plus Dollars.

Weekly Meal Allowance The meal allowance is designed especially for first year students and students living on Grounds during the year. The meal allowance lets students enjoy all-you-care-to-eat dining for breakfast, lunch, and dinner in the residential dining rooms. Students receive a set number of meals per week based on the selected plan. Each time students eat in a residential dining room, one meal is subtracted from the semester's meal allowance.

Semester Meal Allowance The semester meal allowance lets students enjoy all-you-care-to-eat dining for breakfast, lunch and dinner in the residential dining rooms. Students receive a varying number of guaranteed meals per semester. Each time students eat in a residential dining room, one meal is subtracted from the semester's meal allowance.

Plus Dollars Each dining plan includes Plus Dollars, which can be used in all dining locations. They work like an ATM or debit card, and students can use Plus Dollars for beverages, snacks, or full meals. The total purchase price is subtracted from the Plus Dollar dining plan balance. Students may increase the flexibility of their meal plan by purchasing additional Plus Dollars at any time. All charges are billed by Student Financial Services, and funds are available within one business day of sign-up.

The Unlimited Plan provides complete access to the dining rooms for meals or snacks during regular hours of operation. There are no limits to the number of meals that may be eaten during the day or week. This program permits the student to fit his or her meals into the most demanding schedule.

The Plus 15, Plus 13, Plus 10, and Upperclass 10 meal programs allow the student any 15, 13, or 10 all-you-care-to-eat meals each week. Each of these plans is supplemented with Plus Dollars and five guest meals each semester.

Semester Plans are available to upperclass students, and they provide either 100, 80, or 50 meals per semester. These plans are especially convenient for students who live off Grounds. Each of these plans is supplemented with Plus Dollars and any of the meals may be used for a guest at the residential dining rooms.

Dining Plan	Plus \$	Guest Meals	Cost/ Sem.
Unlimited	\$75	5/sem.	\$1,550
Plus 15	\$200	5/sem.	\$1,550
Plus 13	\$250	5/sem.	\$1,550
Plus 10 ⁽¹⁾	\$395	5/sem.	\$1,550
Upperclass 10 ⁽²⁾	\$175	5/sem.	\$1,320
Semester 100 ⁽²⁾	\$175	unlimited	\$885
Semester 80 ⁽²⁾	\$175	unlimited	\$770
Semester 50 ⁽²⁾	\$195	unlimited	\$585

(1) Available to first-year students during the second semester only.

(2) Not available to first-year students.

Residential Colleges and Language

Houses Students enrolled in either the Hereford, Brown, Shea, French, or Spanish houses must choose a residential dining plan from the list that follows. These programs include banquets and special events which are part of the residential college experience. First-year students must select either the Unlimited, Plus 15, or Plus 13 dining plan.

Dining Plan	Plus	Guest \$Meals	Cost/Sem.
Unlimited	\$75	5/sem.	\$1,605
Plus 15	\$200	5/sem.	\$1,605
Plus 13	\$250	5/sem.	\$1,605
Plus 10 ⁽¹⁾	\$395	5/sem.	\$1,605
Upperclass 10 ⁽²⁾	\$175	5/sem.	\$1,380
Semester 100 ⁽²⁾	\$175	unlimited	\$940
Semester 80 ⁽²⁾	\$175	unlimited	\$825
Semester 50 ⁽²⁾⁽³⁾	\$195	unlimited	\$640

(1) Available to first-year students during the second semester only.

(2) Not available to first-year students.

(3) Available only to Hereford students

Required Meals

Brown College requires that all residents eat Sunday brunch and dinner, and dinners Monday through Thursday in the designated residential dining facility. Friday lunch may also be used as a Brown College residential meal at Newcomb Hall.

Hereford College requires that all residents eat at Runk Dining for Sunday brunch or dinner and two additional dinners between Monday and Thursday evening.

Language Houses The French and Spanish language houses require that all residents participate in a Language House Meal Program. Students are required to eat dinner Monday through Thursday at their respective language house.

Dining Plan Changes

Dining plans are purchased for the entire academic year. All changes must be made by letter, email or by filling out an Intent to Change Form at the Dining Services Administrative Office at Observatory Hill.

Students may change up to a dining plan with more weekly or semester meals at any time during the academic year. Students may reduce or cancel their dining plan by August 31, 2005 for fall semester, or between December 16, 2005 and January 25, 2006 for spring semester. Spring semester dining plan changes are not reflected on the Student Financial Services bill until after final registration in January.

There is no fee for changing meal plans; however a \$50 administrative fee is applied to all cancellations except for students graduating in December or studying abroad.

Meal plan contracts are annual contracts.
