Since 1826 when the first international student was enrolled, the University of Virginia has accepted a commitment to international students by providing opportunities to citizens from throughout the world to study, teach, and share the atmosphere of Jeffersonian freedom.

The University considers the admission of qualified students from other countries an intrinsic part of its educational program. International students enhance the life of the University and contribute to the education and personal growth of American students and faculty members.

Attention: New Travel Regulations

Get ready to test your knowledge of the world!
