Address Changes

Students are required to notify the university registrar of a change of permanent (home) or such a change. Changes in address may be made using ISIS Online. Students bear the responsibility for ensuring that official University communications are not misdirected or not received because of an incorrect address.

Alcohol and Drug Policy

The University of Virginia prohibits the illegal or otherwise irresponsible use of alcohol and other drugs. The university recognizes that the member of the University community to know the risks associated with substance use and abuse and employees to know relevant University policies and federal, state and local laws, and to comply with them. To these ends, the University publishes the following information regarding University policies concerning substance use and abuse, health and behavioral risks of drug use, and programming.

Alcohol

Virginia State laws concerning the purchase, possession, consumption, sale and distribution of alcoholic beverages are as follows:

1. Any sale of an alcoholic beverage requires a license from the Virginia Alcoholic Beverage Control Board.
2. Alcoholic beverages are not to be given, sold or served to persons under 21 years of age.
3. Alcoholic beverages are not to be given, sold or served to persons who are intoxicated.
4. State law prohibits: drinking in unlicensed public places; possession of an alcoholic beverage falsely representing one's age for the purpose of procuring alcohol; and purchasing alcohol for another person under 21 years of age.
For the purposes of this section, "hazing" means to recklessly or intentionally endanger the inflict bodily injury on a student or students in connection with or for the purpose of initiati condition for continued membership in a club, organization, association, fraternity, sorority student or students so endangered or injured participated voluntarily in the relevant activ

Any violation of Section 18.2-56 shall be deemed a violation of the University’s Standards.
