

How to Find an Event By Building:

1. Open The SOURCE by going to <http://www.virginia.edu/source> on a web browser.
2. Click on the **Locations** title on the upper menu.

The screenshot shows the SOURCE website interface. At the top, there's a navigation menu with 'EVENTS', 'LOCATIONS', 'MY REQUESTS', and 'MY WORKFLOW'. Below this, there's a sub-menu with 'By Date', 'By Name', and 'UVA Map'. The main content area displays a calendar for Friday, September 9, 2005, with a grid showing events for various buildings (BRN 203, 233, 310, 312, 328, 330, 332, 334). The legend indicates that orange bars represent 'CLASS SECTION', black bars represent 'Blackout', and a light blue square represents 'Event'. The right sidebar contains search filters and a list of buildings including Academic Rooms, Aquatic Fitness Center (AFC), Art History (Campbell Hall), Astronomy Building, Cauthen House, Bryan Hall, Chemistry, Physics, Gilmer Hall, Clark, Kerchoff Hall, and Curry School of Education (Ruffner).

3. Make sure the lower menu has **By Date** underlined.
4. On the right hand side, scroll down below the calendar and click on the filter that corresponds to the building/building cluster that you are interested in seeing events for.

- To change the view by Week or Month, click on the Week or Month boxes on the right side above the calendar.
