

# Purpose of the Georgia State Clearinghouse

## Purpose:

The Georgia State Clearinghouse is designed to perform various tasks. Some of the primary functions are to:

- eliminate duplication;
- ensure the proposals are in accord with state plans, policies, programs, objectives and procedures;
- determine if the proposed project is fiscally and environmentally sound; and
- determine if the project will have any adverse effects on Georgia's natural resources, wildlife, historical or archaeological sites or artifacts.
