A. Learn the vocabulary of Beijing’s spot of interests and the structure “你想去哪儿？”
   • Students watch the video of making travel plan in Beijing on screen; teacher asks comprehension questions about the video’s story
   • Teacher uses the Powerpoint slides to teach the vocabulary (长城、故宫、天坛、鸟巢、王府井、天安门) and the sentence structure “你想去哪儿？”
   • Student activity: *Interpersonal communication
     ❖ Each student will interview three classmates about where they want to go in Beijing (choose three spots of interest).
     ❖ After interview, teacher will ask students to come to the front in pairs to conduct interview in front of the class
     ❖ Material: worksheet (attachment #1)

B. Learn the structure of 先… 再 … First (do …), Then (do …).
   • Teachers uses Powerpoint slides and body language to introduce the structure: sequence of different actions/events
   • Teachers reviews verbs/actions students have learned in previous class(看、听、说、写、唱歌、跳舞、听音乐、打篮球、打棒球、看电视、看书、吃饭、睡觉、逛街、上网) Materials: pictures on screen
   • Student activity: Pair work *Interpersonal communication
     ❖ Each student is given three cards (each card has description of a sentence describing two actions in sequence), student act it out to partner, partner guess it using the structure “先…再…”
     ❖ After pair-work, teacher invites students to come to front and act out to class and ask all students to guess the actions in sequence
     ❖ Material: cards with information of doing actions in sequence

3. Closure: Review expressions of making travelling plan and role play
   • Teacher show the video again and ask comprehension questions using a travelling schedule table on screen, then teacher invites individual students to answer each questions about the schedule
   • Student activity: pair work *interpersonal communication
     ❖ Student will discuss in pairs about a two day travel plan in Beijing. Each pair will be provided with a number of cards that have different choices of activities. Each pair decides what they want to do on these two days and what to do first/second. They will paste the cards onto the blank travelling schedule sheets.
     ❖ After discussion, student in pairs will be asked to come to the front and report their decision of travelling schedule to the classmates. (presentation)
     ❖ Material: activity cards, travelling schedule sheets

Assessment & Rubrics

In every section of the class, teacher will have teacher-student question and answer practice to check student’s comprehension. In every section, there will be at least one activity that requires students to provide language output (either verbally or in written form) which teacher will use to assess students’ learning.
Lesson Plan by Tiantian Wang

There will be frequent comprehension checks in every section of the class. Teachers will circulate around the class during student-centered activities and observe student’s performance to find out which aspect of the students need special attention.

**Before-class/After-class planning**
Before class:
Ask students to watch the video “北京欢迎你” on youtube and research about the most famous places of interest in Beijing.

After class:
Review the material and complete the homework about places of interest in Beijing on students’ smartphone. See details on GoChinese program website for practicum.
