International Students are invited to meet Pre-Entrance requirements for Immunizations and Tuberculosis Screening at Student Health Medical Records.

MEDICAL RECORDS CONSULTATION AND FORMS DROP OFF

If you have not already turned in your Pre-Entrance Health form, please take advantage of your orientation period on August 23rd from 9am-12 noon and visit Medical Records to turn in your forms. You must have your forms in 2 days prior to a clinic appointment as noted below:

- Please make sure that you have checked your immunization status on the Healthy Hoos website (https://www.healthyhoos.virginia.edu) before making an appointment, and are aware of which vaccines or tuberculosis testing/screening you require.
- Please call 434-982-3915 to make an appointment. Let the secretary know that you are an International Student who needs a pre-entrance immunization appointment.
- Appointments will be available from 8:30am-11:30am and from 1pm until 4pm on a “first come, first serve” basis Monday August 26th through Friday, August 30th.
- If you have met the Pre-Entrance Criteria, you do not need to be seen at Student Health.
