The Office of Admission offers information sessions for prospective students and their families. These briefings, led by the deans of admission, are immediately followed by student life focused tours of the University Grounds led by undergraduate University Guide Service members. **No reservations are necessary.** Sessions and tours are accessible to persons using wheelchairs. To request an interpreter for the hearing impaired, call us in advance at 434-982-3200. **Please note that for the safety and security of our students, walking tours will not go inside residence halls.**
