Walter Kucharski, Auditor of Public Accounts of the Commonwealth, as is customary at the winter Board meeting, was present to meet with the Board.

R. Edward Howell was present as an observer.

The Chair asked Ms. Deily, Director of Audits, to present the Agenda. Ms. Deily introduced Mr. Ralph Traylor who gave a brief report on compliance questions in the Health System.

Ms. Deily then introduced Mr. Walter Kucharski, Auditor of Public Accounts of the Commonwealth, who reported on the annual state audit of the University.

Mr. Kucharski made several recommendations in the Audit and attendant Management Letter: that, in the University Division, the University implement complete exit interview procedures; that staff holders of University charge cards and their supervisors must review and reconcile charge statements; that in the Health System security initiatives over critical information systems and network be continued; and that, also in the Health System, the new change control procedures over PeopleSoft and Oracle applications be implemented.

Ms. Yoke San Reynolds responded on behalf of the University Division and Mr. Larry Fitzgerald on behalf of the Health System. Both concurred with the recommendations of the Audit.

On motion, the Committee went into Executive Session at 9:25 a.m.

That the Audit Committee of the Board of Visitors of the University of Virginia go into Executive Session to consider with General Counsel the University Auditor’s evaluations of University departments and programs, which

That we vote on and record our certification that, to the best of each Board member’s knowledge, only public business matters lawfully exempted from open meeting requirements and which were identified in the motion(s) authorizing the closed session, were heard, discussed or considered in closed session.
