BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING: January 19, 2006

COMMITTEE: External Affairs

AGENDA ITEM: I. University-Related Foundations

ACTION REQUIRED: None

BACKGROUND: The Board of Visitors approved the Policy on University Related Foundations on October 9, 1992. The Policy applies to all foundations that are established and operated for the University’s benefit and that use the University’s name and resources. The Policy was designed to ensure efficiency and accountability of University foundations, as well as to maintain the foundations’ independence and integrity. At its October 2000 meeting, the Board concurred with specific procedures to be followed in the administration of the Policy.

The responsibility for monitoring compliance with the Policy, as well as general administrative oversight of the University-Related Foundations, rests with the Vice President and Chief Financial Officer, who was given that authority by the President of the University (in accordance with the Policy).

DISCUSSION: During the year, each foundation submits to the Vice President and Chief Financial Officer certain reports specified in the Policy. The reports include, but are not limited to, minutes of board meetings, audited financial statements, approved operating budgets, amendments to by-laws, and tax returns. In addition, the foundations are asked to submit a letter certifying that they have complied with the Policy on University-Related Foundations. A matrix on the following pages shows the items received from each of the foundations.

Board of Visitors’ representatives on the foundation boards are asked to provide the Board with annual reports on foundation activities. We have received the reports from the representatives, and they are available upon request. Information received from the foundations and from the Board representatives indicates that all foundations are in compliance with the Policy on University-Related Foundations.

Two new foundations were established during 2005. Firstly, at its June 2005 meeting, the Board of Visitors approved a resolution
that designated the Jefferson Institute for Lifelong Learning (JILL) as a University-related foundation. JILL provides, in conjunction with the University of Virginia, a continuing education program for persons generally 55 years of age or older.

Secondly, at its September 2005 meeting, the Board of Visitors approved a resolution designating the Rare Book School as a University-related foundation. The Rare Book School is a non-profit and tax-exempt educational institute supporting the study of the history of books, printing, and related subjects. The Rare Book School was founded in 1983 at Columbia University, and moved to its present home at the University of Virginia’s Alderman Library in 1992.

AGENDA ITEM: II.C. Case Statement/Branding/Ten-Year Plan

ACTION REQUIRED: None

BACKGROUND: The University faces a ‘tipping point’ unlike any encountered in its previous history. The confluence of a $3 billion campaign, the creation of a six-year plan as mandated by the Higher Education Restructuring Act, and the efforts of the Special Committee on Planning to create a ten-year plan to differentiate the University from its public and private competitors has created a unique opportunity for comprehensive strategic planning. A number of critical strategic initiatives related to these efforts are currently in process. Among these are the creation of a Campaign case statement; the efforts of the consulting firm, McCann/Erickson, to assist the University in determining its ‘brand’, and the mandate of the Special Committee on Planning to reconcile the Campaign case statement with the Board-approved ten-year plan.

DISCUSSION: Mr. Sweeney will lead a discussion regarding the risks, challenges and opportunities inherent in this unique confluence of events, with particular focus on the Campaign case statement and its relationship to the University’s branding and communications efforts as well as its six- and ten-year strategic planning efforts.

AGENDA ITEM: III.B. Campaign Executive Committee

ACTION REQUIRED: None

BACKGROUND: The Campaign Executive Committee, which first met in Spring 2004, serves as the core group of volunteer leaders and helps shape campaign policies and strategies. Now comprised of twenty-two members, the group convenes quarterly. The most recent meeting was held January 11, 2006, in New York City. As the Campaign enters the nine-month period leading up to the national kickoff on September 30, 2006, the leadership of this group becomes even more critical to the Campaign’s ultimate success.

BOARD MEETING: January 19, 2006

COMMITTEE: External Affairs

AGENDA ITEM: III.C. Parent Major Gifts Campaign

ACTION REQUIRED: None

BACKGROUND: To be successful in the current Campaign, the University must successfully tap into one of its most valuable resources—parents. To do so, will require the creation of a structure that allows Development to successfully identify, cultivate, and solicit both alumni and non-alumni parents with the capacity and willingness to contribute major gifts.

DISCUSSION: Mr. Rainey will introduce Ms. Catherine Wharton, Development Officer/Major Gift Parents, to review the status of the newly-created Parents Major Gift Initiative.
