The management of WTJU is overseen by the Rector and Board of Visitors, who hold the FCC broadcasting license. This means that the Board must approve WTJU’s Annual Report.

The license is a noncommercial educational operator’s license.

ACTION: Approval by the Student Affairs and Athletics Committee and by the Board of Visitors

APPROVAL OF WTJU’S 2004-05 ANNUAL REPORT

RESOLVED that WTJU’s 2004-05 Annual Report be approved, as recommended by the President and the Vice President and Chief Student Affairs Officer.
BOARD MEETING: January 19, 2006

COMMITTEE: Student Affairs and Athletics

AGENDA ITEM: II.A. Vice President's Remarks

ACTION REQUIRED: None

DISCUSSION: The Vice President and Chief Student Affairs Officer will report on student life issues and activities.
Mr. Timothy Ormsby, Chair of the University Judiciary Committee, will report on recent activities, including discussions to revise the Standards of Conduct and work to improve the case management system.

Mr. Ormsby is a fourth-year Echols Scholar majoring in economics and minoring in government. He is from Fredericksburg.
DISCUSSION: The National Collegiate Athletics Association developed a legislative academic reform package that went into effect in 2004. One part of the reform package is the Academic Progress Rate, known as the APR, which is intended to be a real-time measurement of student-athletes’ academic performance. The APR will be monitored on a team-by-team basis and on a Department-wide basis. According to NCAA rules, underperforming teams or entire athletics departments could receive penalties as a result of systemic deficiencies in the success of their students and teams. Conversely, schools with high performing sports programs could receive financial incentives for their teams’ academic successes.

Mr. James Booz, the Associate Athletics Director for Compliance, will provide the outcome of the APR Report for the University of Virginia after analysis of the first two years of academic data.
