UNIVERSITY OF VIRGINIA
BOARD OF VISITORS AGENDA ITEM SUMMARY

BOARD MEETING: December 9, 2002
COMMITEE: Executive Committee
AGENDA ITEM: I. Faculty Retirement Incentive Program

BACKGROUND: The University faces reductions in its General Fund appropriation for the 2002-2004 Budget Biennium totaling $93.5 million and may be subject to further cuts, particularly for 2003-2004. The University is investigating all available means to reduce operating expenses. For many units, the ability to meet reduced budget targets over the long-term depends on managing the personnel budget. Consistent with this objective, a proposed Separation Incentive Program for Faculty has been developed.

DISCUSSION: The proposed program provides a management tool to free faculty resources for budget reallocation or reduction in accordance with the University’s overall budget reduction plan, changes in enrollment and other University needs.

Eligible faculty members (full-time faculty members with at least 15 years of continuous full-time service who are at least 55 years of age) may apply to participate in the program, which will offer a choice of immediate separation (by May 25 following the date of application) or phased separation (over a period not to exceed two years). Applications will be reviewed by the appropriate dean, and approved by either the Provost or the Executive Vice President and Chief Operating Officer. The program will apply only to separation contracts executed in the spring of 2003 for separation dates starting May 25, 2003. The University reserves the right to reject any applications.

Funds to support the program must be identified from the resources currently allocated for the position of the retiring faculty. All freed Educational and General fund resources will be recovered in central accounts. The total cost in any fiscal year of the separation incentives portion may not exceed $2 million with the explicit understanding that the entire program cost must be recovered from savings realized from positions vacated through the program. The Board of Visitors would reserve the right to modify, amend or repeal the Program at any time.
ACTION REQUIRED: Approval by the Executive Committee.
