SHURE PROFESSORSHIP

The Board Office was given incorrect information about the Shure Professorship in Pediatric Neurology, which was established by the Board in a resolution adopted at the June Board meeting. The resolution thus stated that the Shure chair was to be held in the Department of Pediatrics in the School of Medicine when, in fact, it should have read “Department of Neurology.”

The following resolution corrects that error.

AMENDMENT TO THE RESOLUTION ESTABLISHING THE SHURE PROFESSORSHIP IN PEDIATRIC NEUROLOGY

RESOLVED, that the resolution establishing the Shure Professorship in Pediatric Neurology, adopted by the Board of Visitors on June 9, 2006, be amended to read that the Professorship is to be held in the Department of Neurology in the School of Medicine.
