- Undergraduate Bioethics Major
Envisioning Integrity

- Part of Virginia 2020 strategic planning process.
- VP for Student Affairs identified four core values: student self-governance, public service, academic rigor, and *honor*.
- Envisioning Integrity is an effort to fully investigate honor and to reaffirm its importance at U.Va.
- Initiative came before recent corporate scandals and was not intended as a response to such scandals.
The Collaborative Model

**Community of Trust**

- **Honor System**
  - Student focused
  - Disciplinary: Lying, Cheating & Stealing
  - Inside and Outside the Classroom

- **Envisioning Integrity**
  - University Focused
  - Co-curricular: Applying Personal Ethics to Everyday Situations
  - Inside and Outside the Classroom

- **Institute for Practical Ethics**
  - Student Focused
  - Curricular: Practical Application of Ethics-Based Curricula
  - Inside and Outside the Classroom
